'72

A photograph of a sunset or sunrise. The sky is filled with soft, wispy clouds in shades of orange, yellow, and pink. The lower portion of the image shows a dark, silhouetted landscape. In the center-left of the horizon, there is a dark, rectangular building. To the left of the building, a utility pole with a street light is visible. The overall mood is peaceful and serene.

Another Milestone:

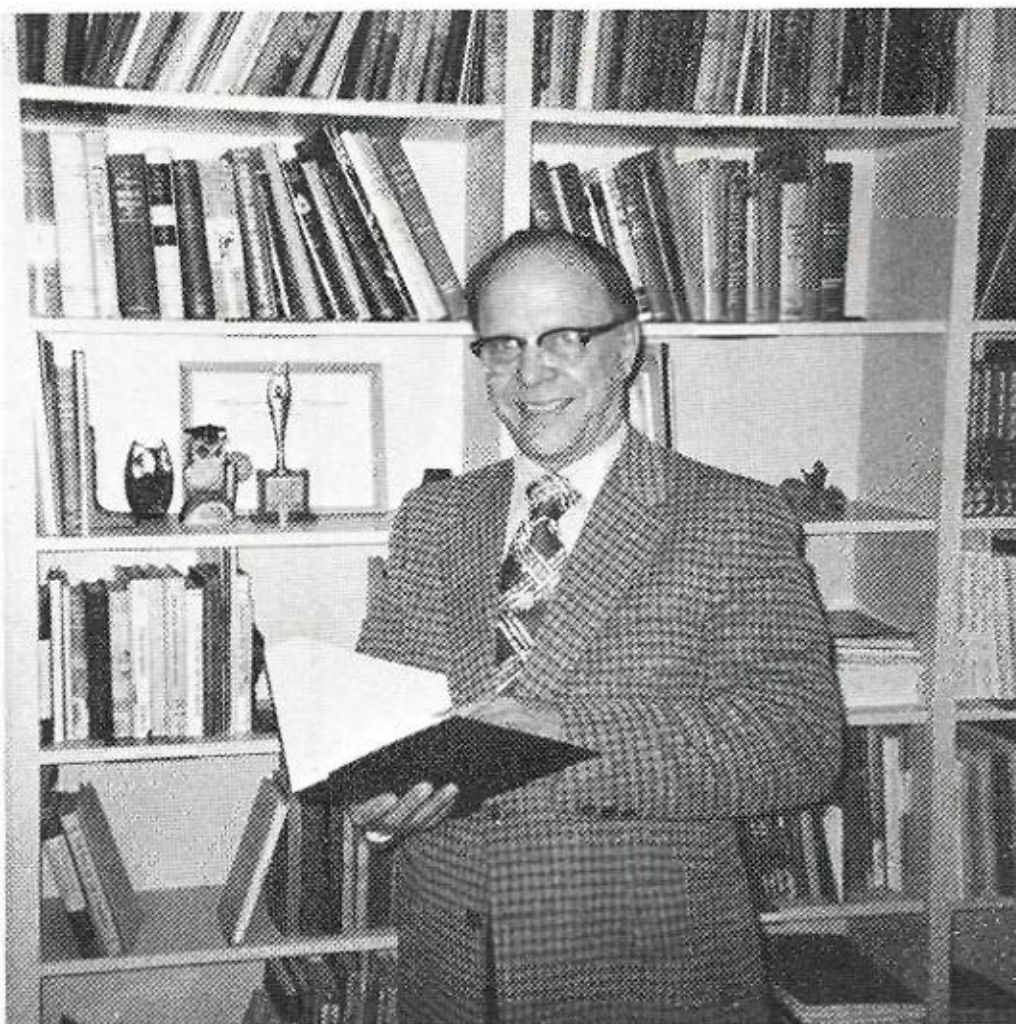

Left: In his second year of teaching at Tivy High School in Kerrville, Mr. Vetter poses with his wife in their first year of marriage.

The publications department of Highlands High School salutes Mr. Herman Vetter for seven years as principal of HHS. In token of his efforts to make Highlands an outstanding high school in academic excellence, vocational training and athletic ability, we dedicate this, the 1972 Brigadoon, in his honor. We recognize that as he accepted the position of Fine Arts Director of the San Antonio Independent School District, he passed another milestone of his life in the field of education. A short pictorial resumé of Mr. Vetter's life will give you the reader a glimpse of his dedication to the education of the young.

Left: As band director of Burbank High School in 1944, Mr. Vetter was considered, by many, quite a handsome gent.

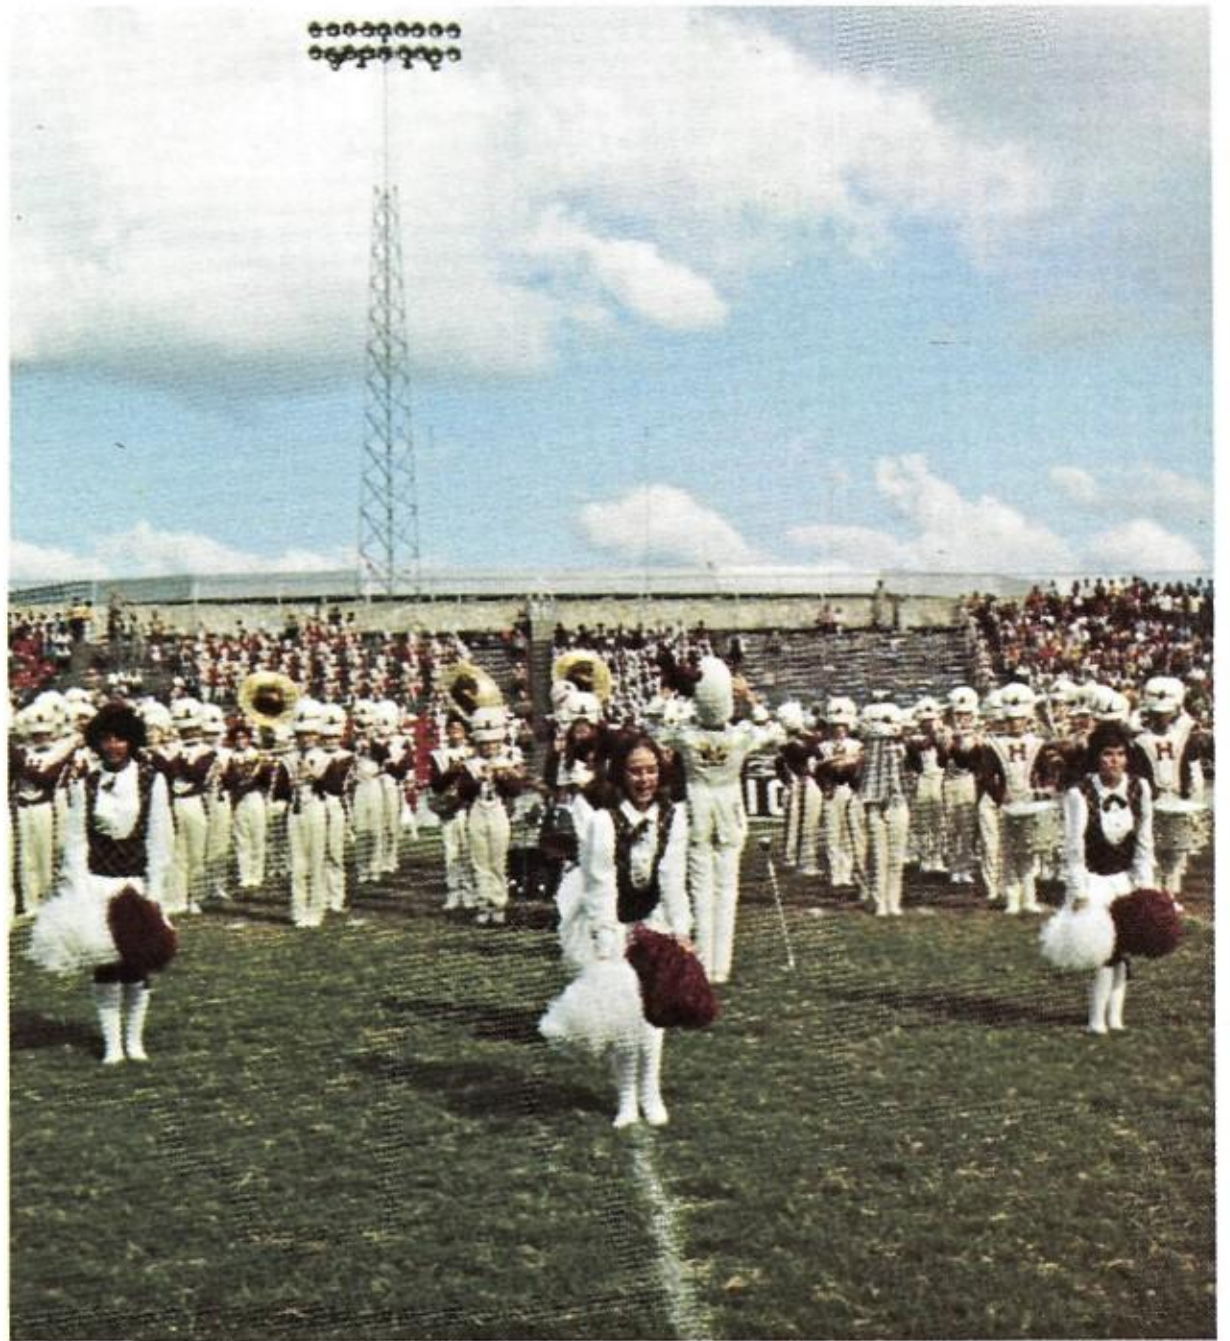

Above: Paperwork . . . paperwork . . . and more paperwork was a daily task for Mr. Vetter while Vice-Principal at Highlands from 1961 to 1964. Left: Still the studious one in his new office as Director of Fine Arts of the San Antonio Independent School District, Mr. Vetter is quite happy in his new position.

Performance In The Sun

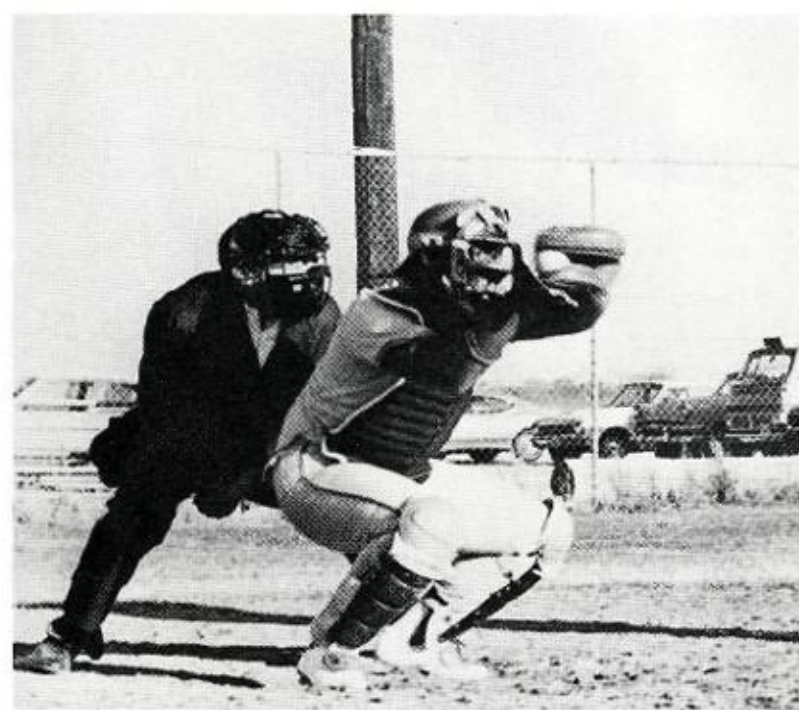

The light of the sun falls on a cold and blackened earth bringing to life a once desolate and barren wasteland. Trees, once withered and lifeless, bring forth an abundance of precious fruit. The streams glisten and come alive as they tumble over miles of polished stone to the deep and endless oceans. Where darkness ruled the vastness of space, there is now an entire spectrum of color. The weak become strong as a life force is radiated throughout their entire beings. Thus, one can see the beautiful, varying aspects of our brilliant sun.

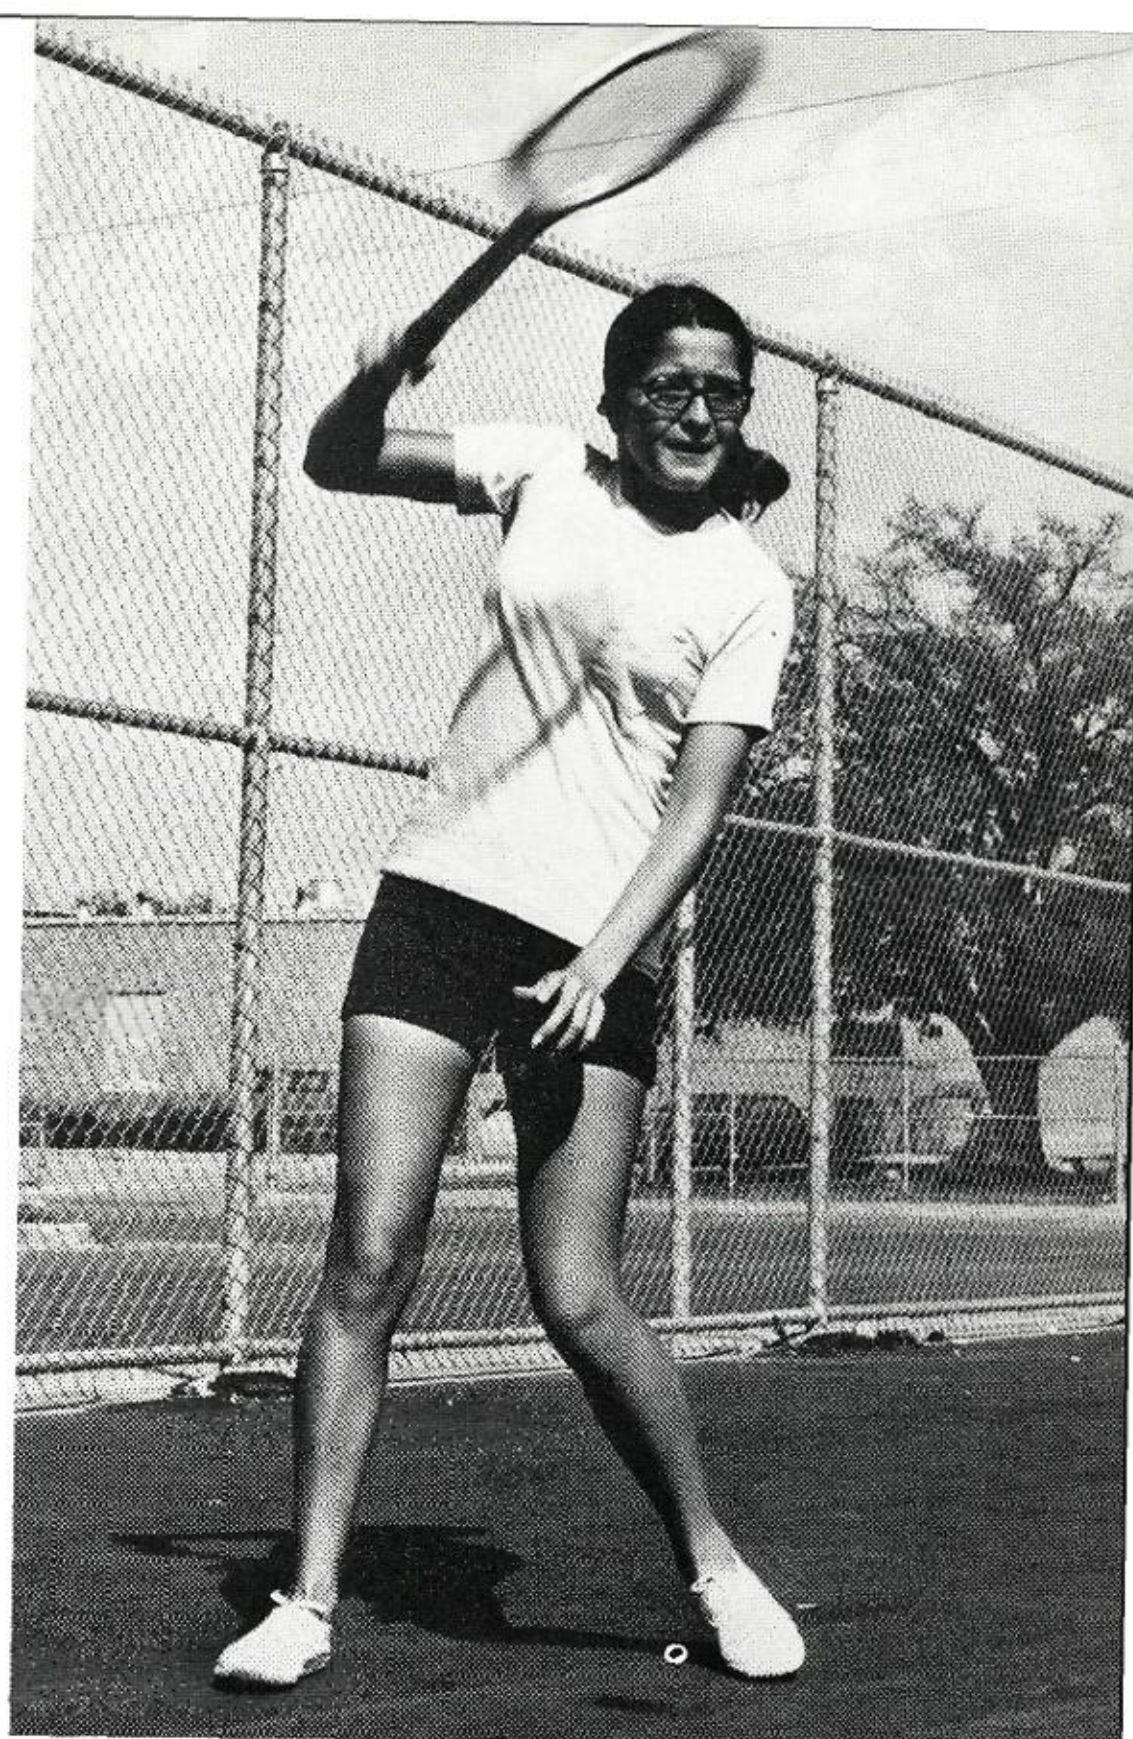

A Day In The Sun

When certain aspects of the sun are compared to those of education, one can see a close relationship between the two. When education is brought to the open minds of any generation, that generation is brought to life—a life where precious fruit is born. That precious fruit is the knowledge of how to do a specific task—whether it be marching in the drill team, playing in the band, or twirling a baton—and do it well. Education opens eyes to a world of opportunity where endless possibilities await the person willing to launch out. Education brings strength and courage to one faced with decision. Therefore, a day in one's education is truly a day in the sun.

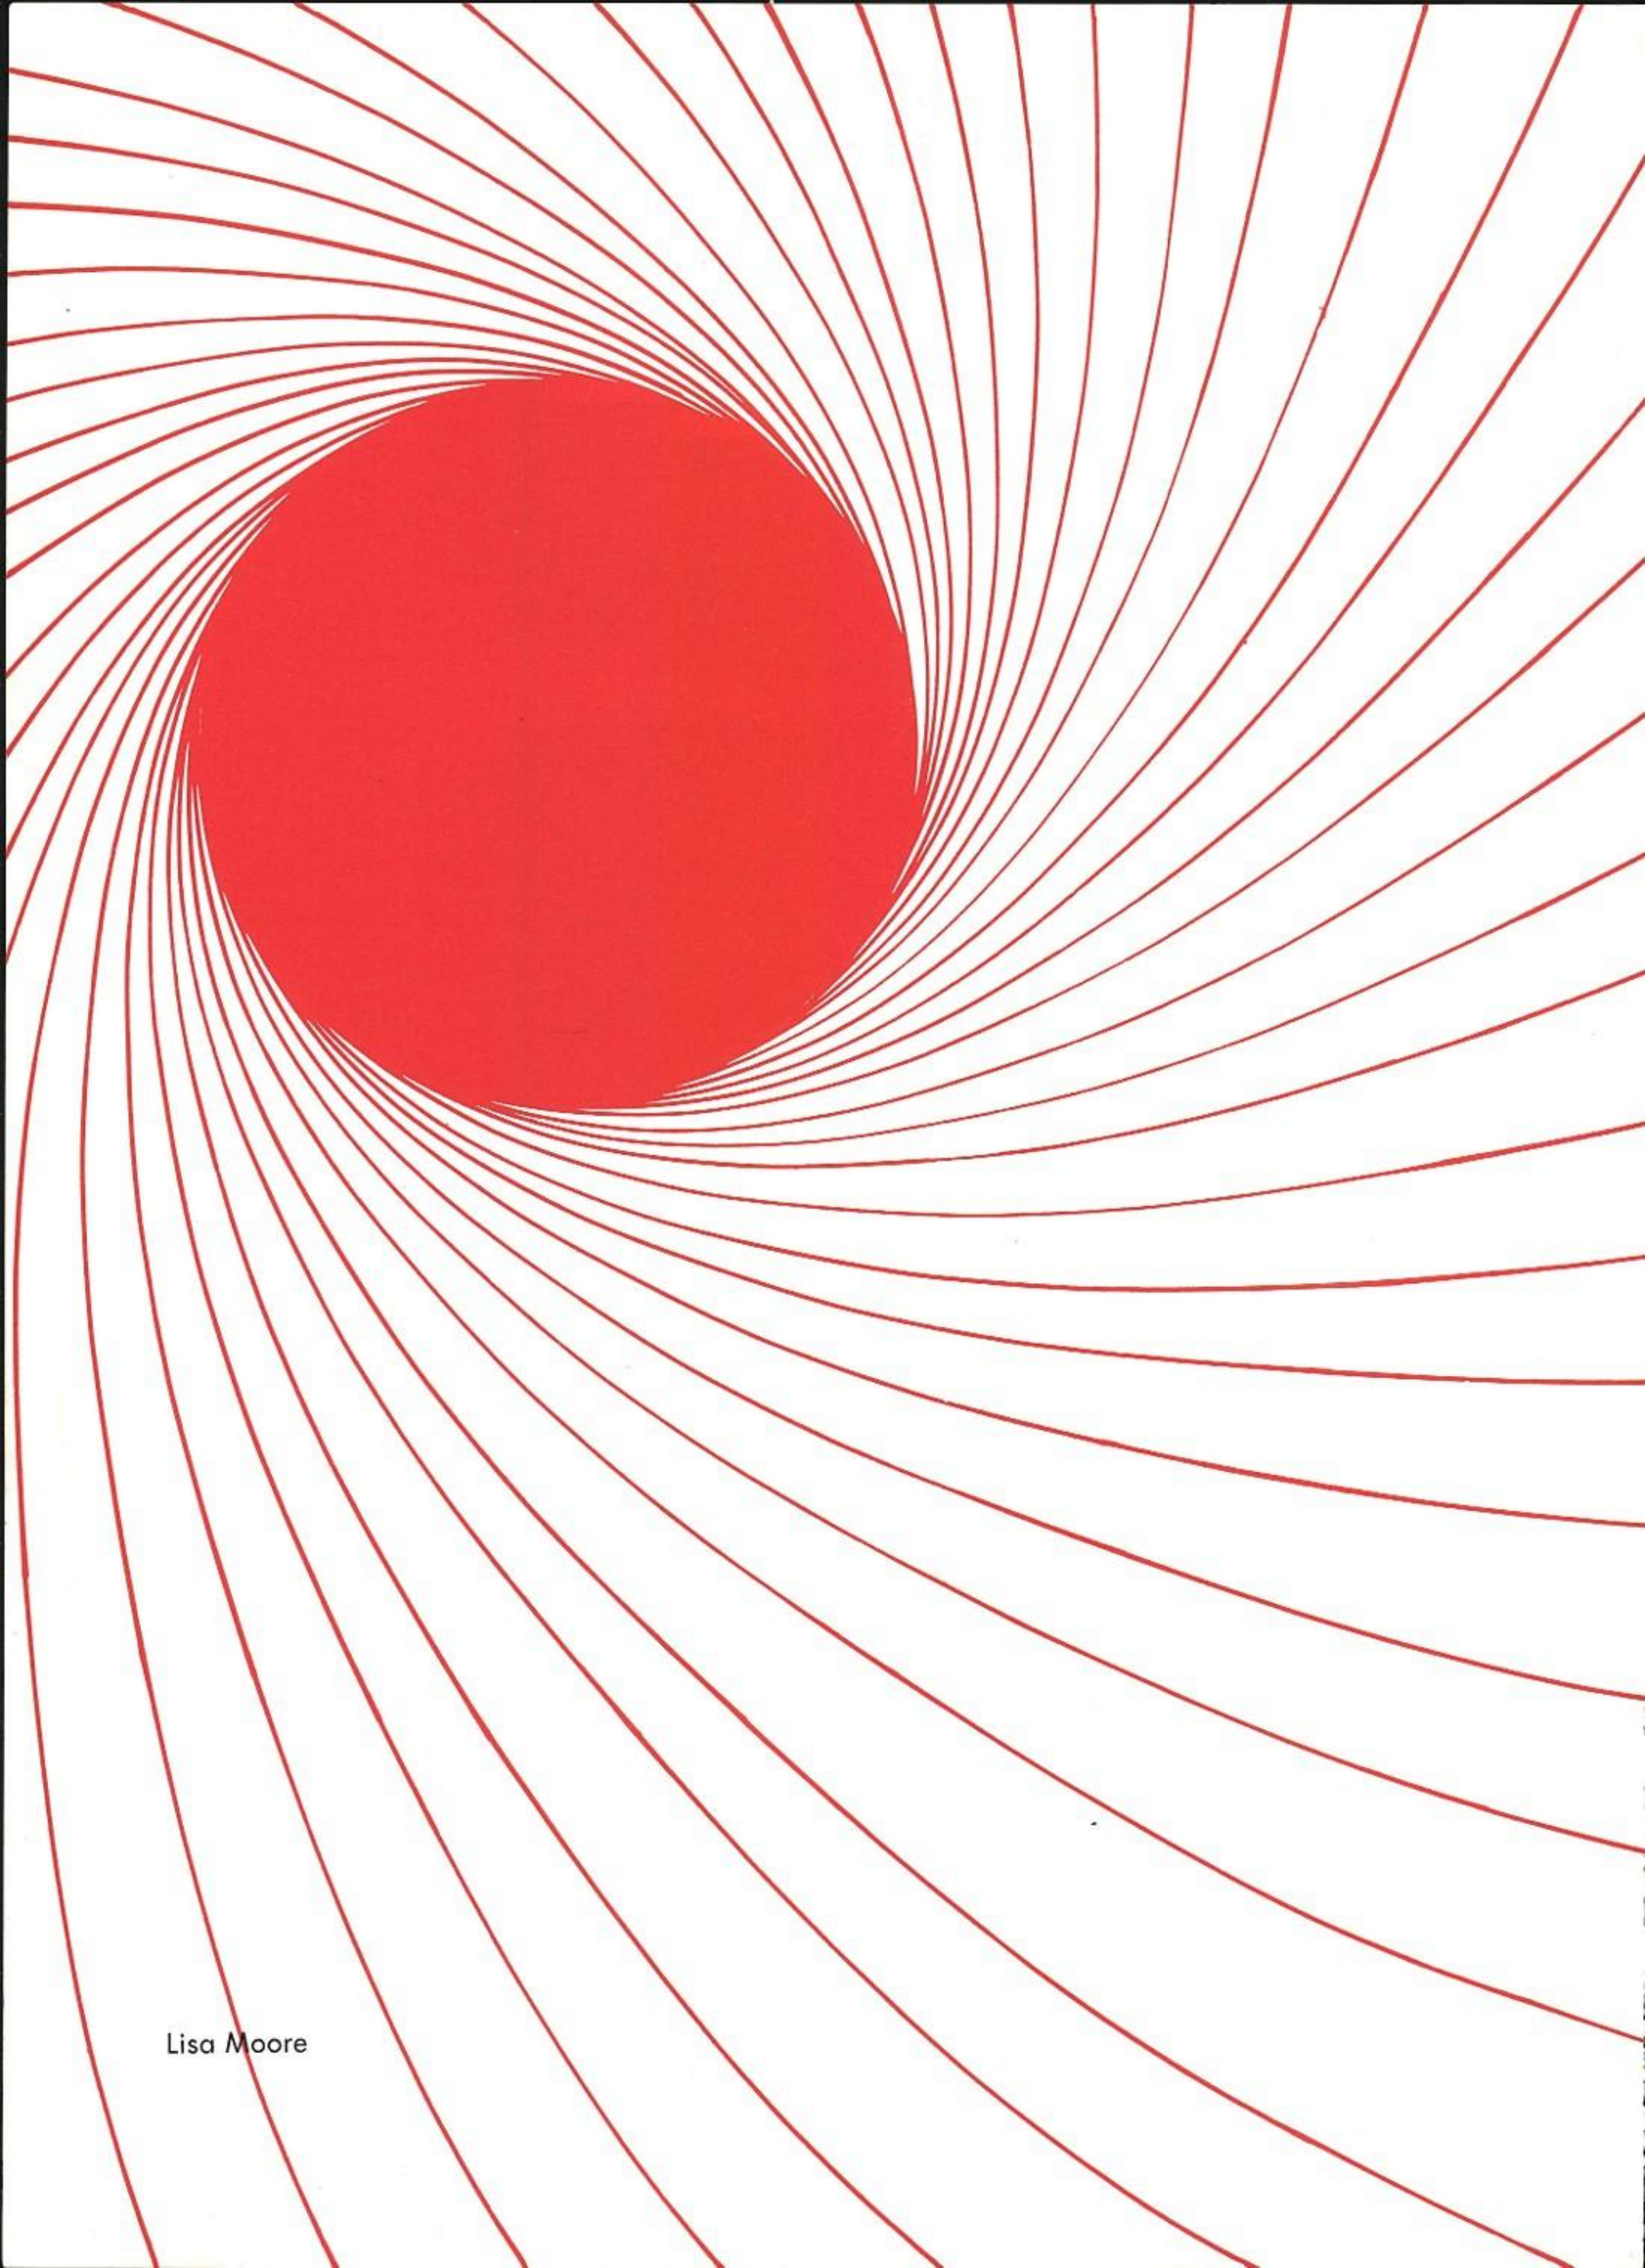

Above: "Putting everything you've got into that first swing" is the motto of Russell Nebgen as he tries his best to put a run on the scoreboard for the mighty owls. Right: Life is not always a time of work and drill and practice as Richard Bensinger and Leslie Patterson demonstrate as they enjoy one of the simpler things of life, that of flying kites. Below: Enjoying another one of those simpler things of life, Samuel Burns stops to "cool off" after a day in the sun.

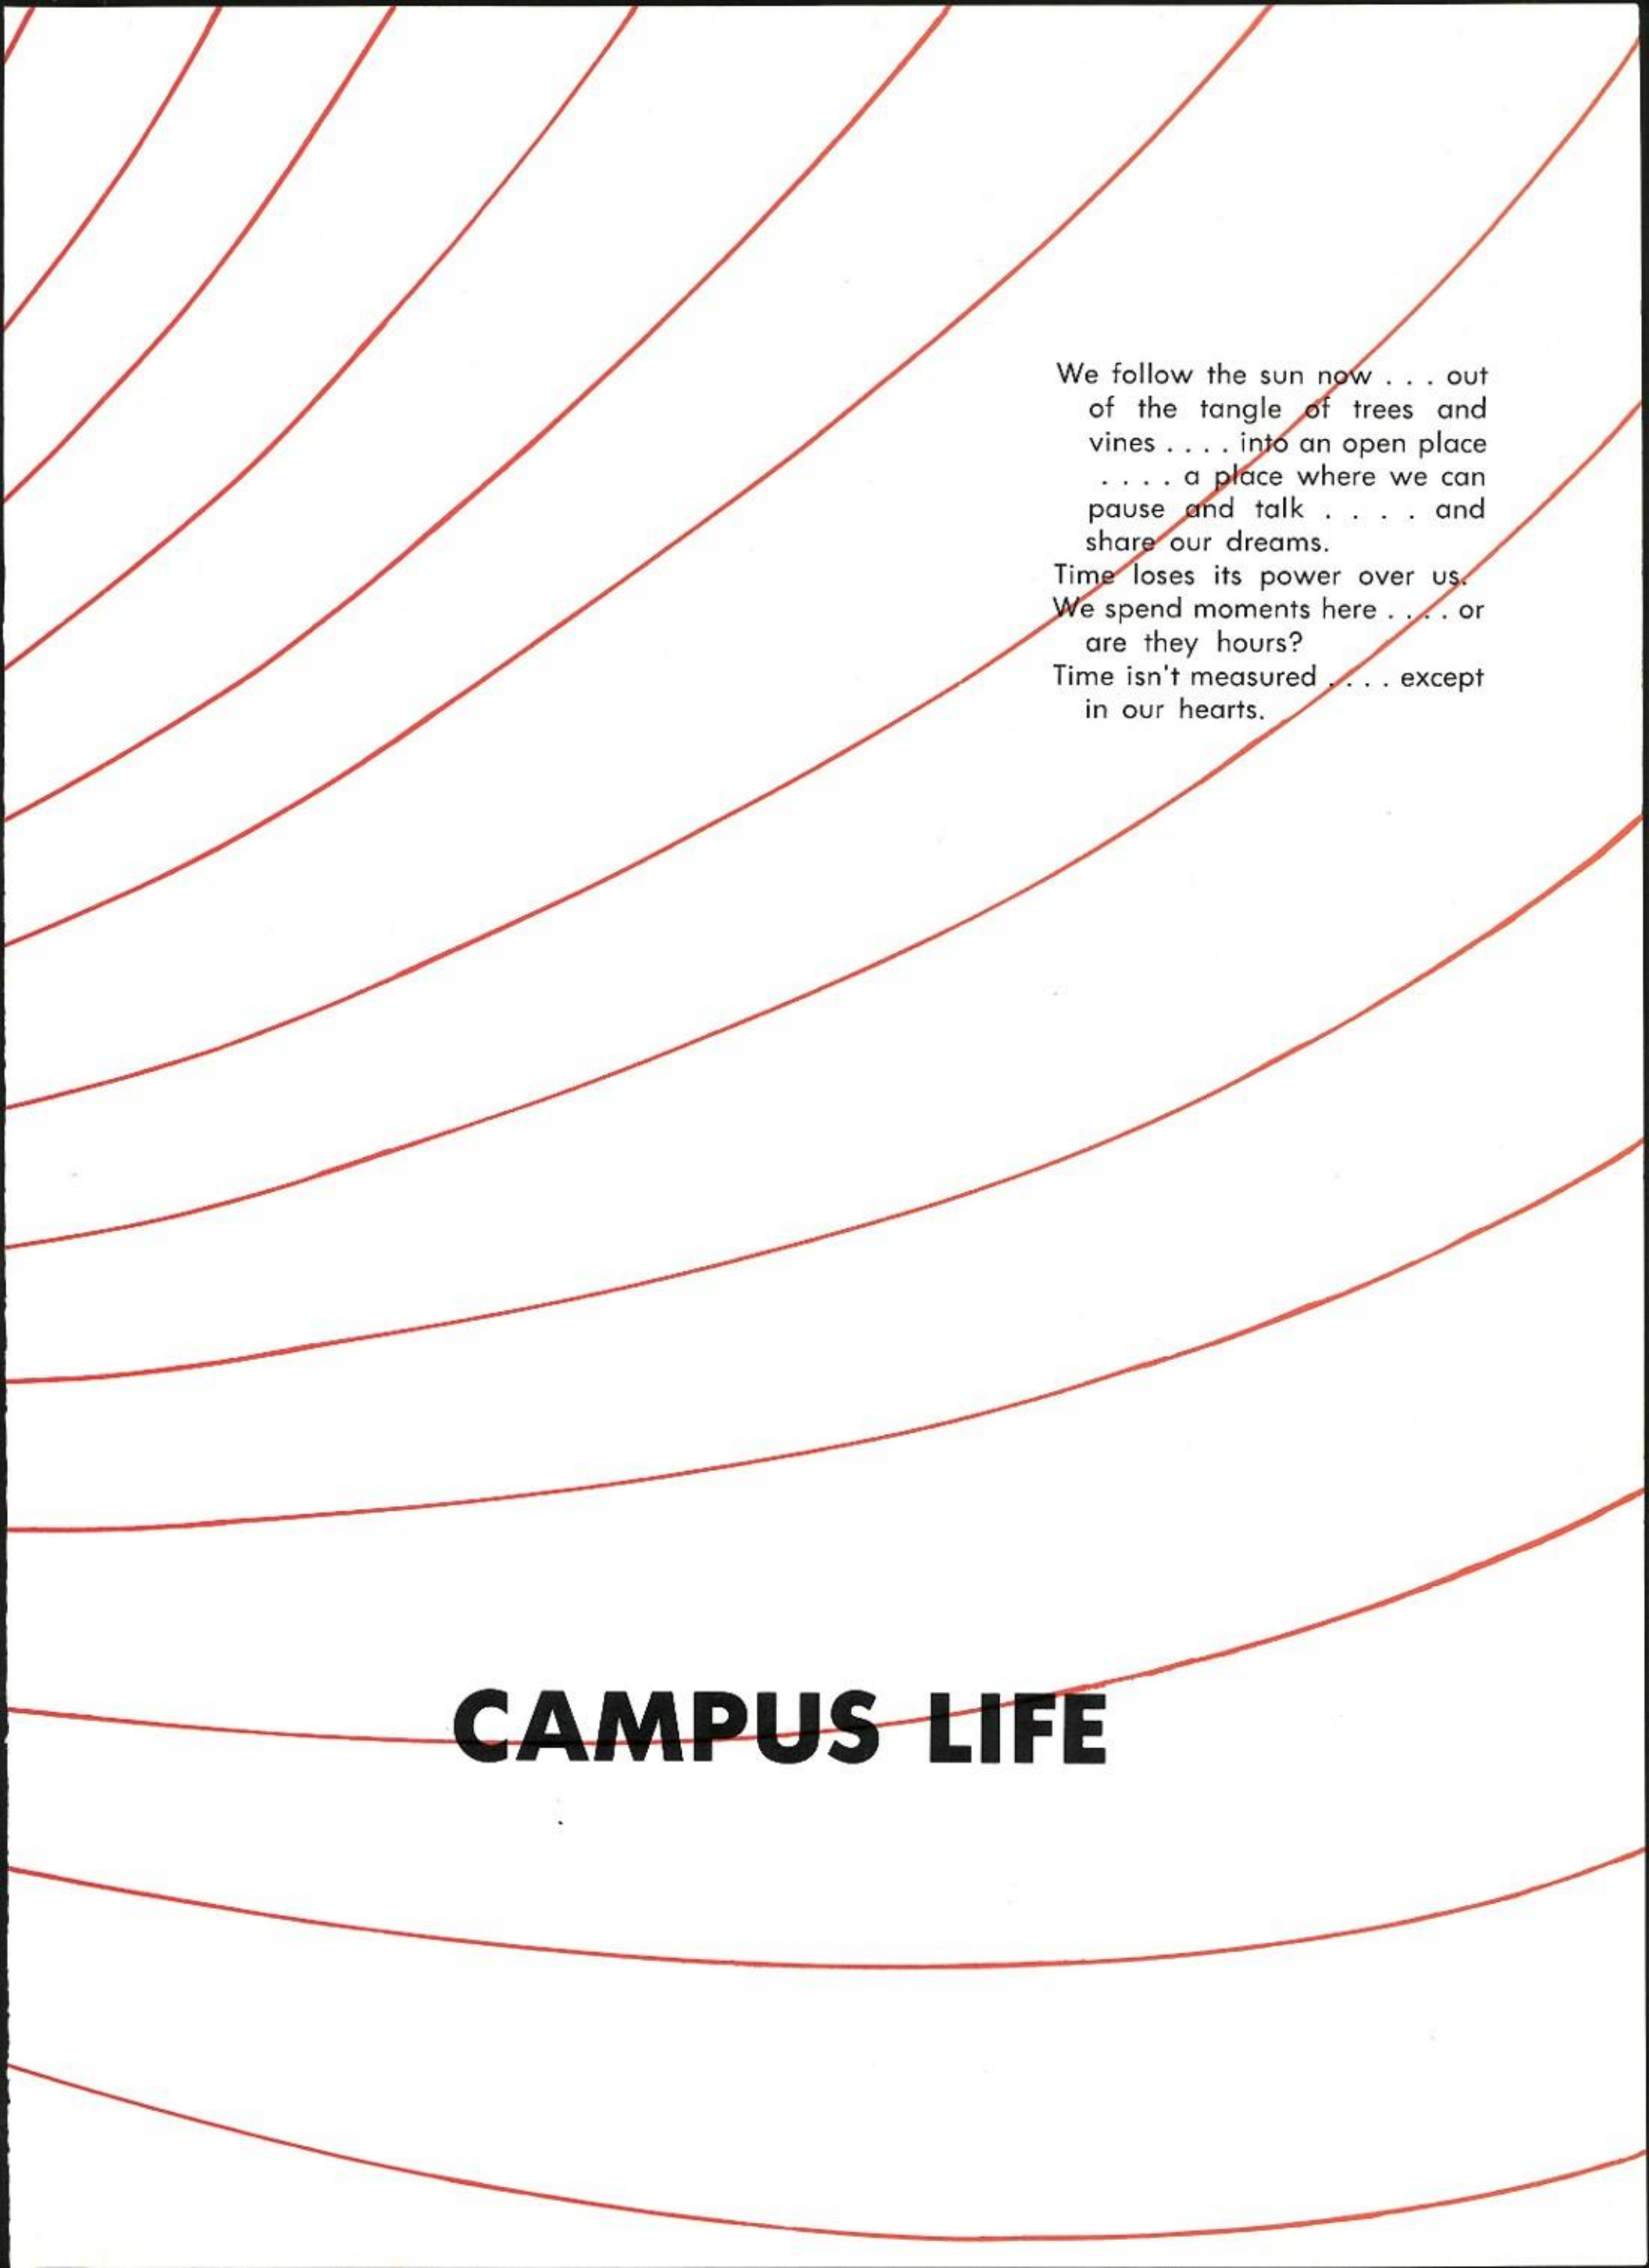

Above: Practice, practice, and more practice is a major asset of the tennis team as Adela Cardenas begins her daily workout on the recently completed tennis courts of HHS. Below: 'Precision in the Sun' would be an understatement in regard to the accuracy of the Girls ROTC Drill Team as they 'freeze' in one of the many movements requiring concentration and coordination.

The background of the page is decorated with several thin, red, curved lines that sweep across the frame from the top left towards the bottom right, creating a sense of movement and flow.

We follow the sun now . . . out
of the tangle of trees and
vines into an open place
. . . . a place where we can
pause and talk and
share our dreams.

Time loses its power over us.
We spend moments here or
are they hours?

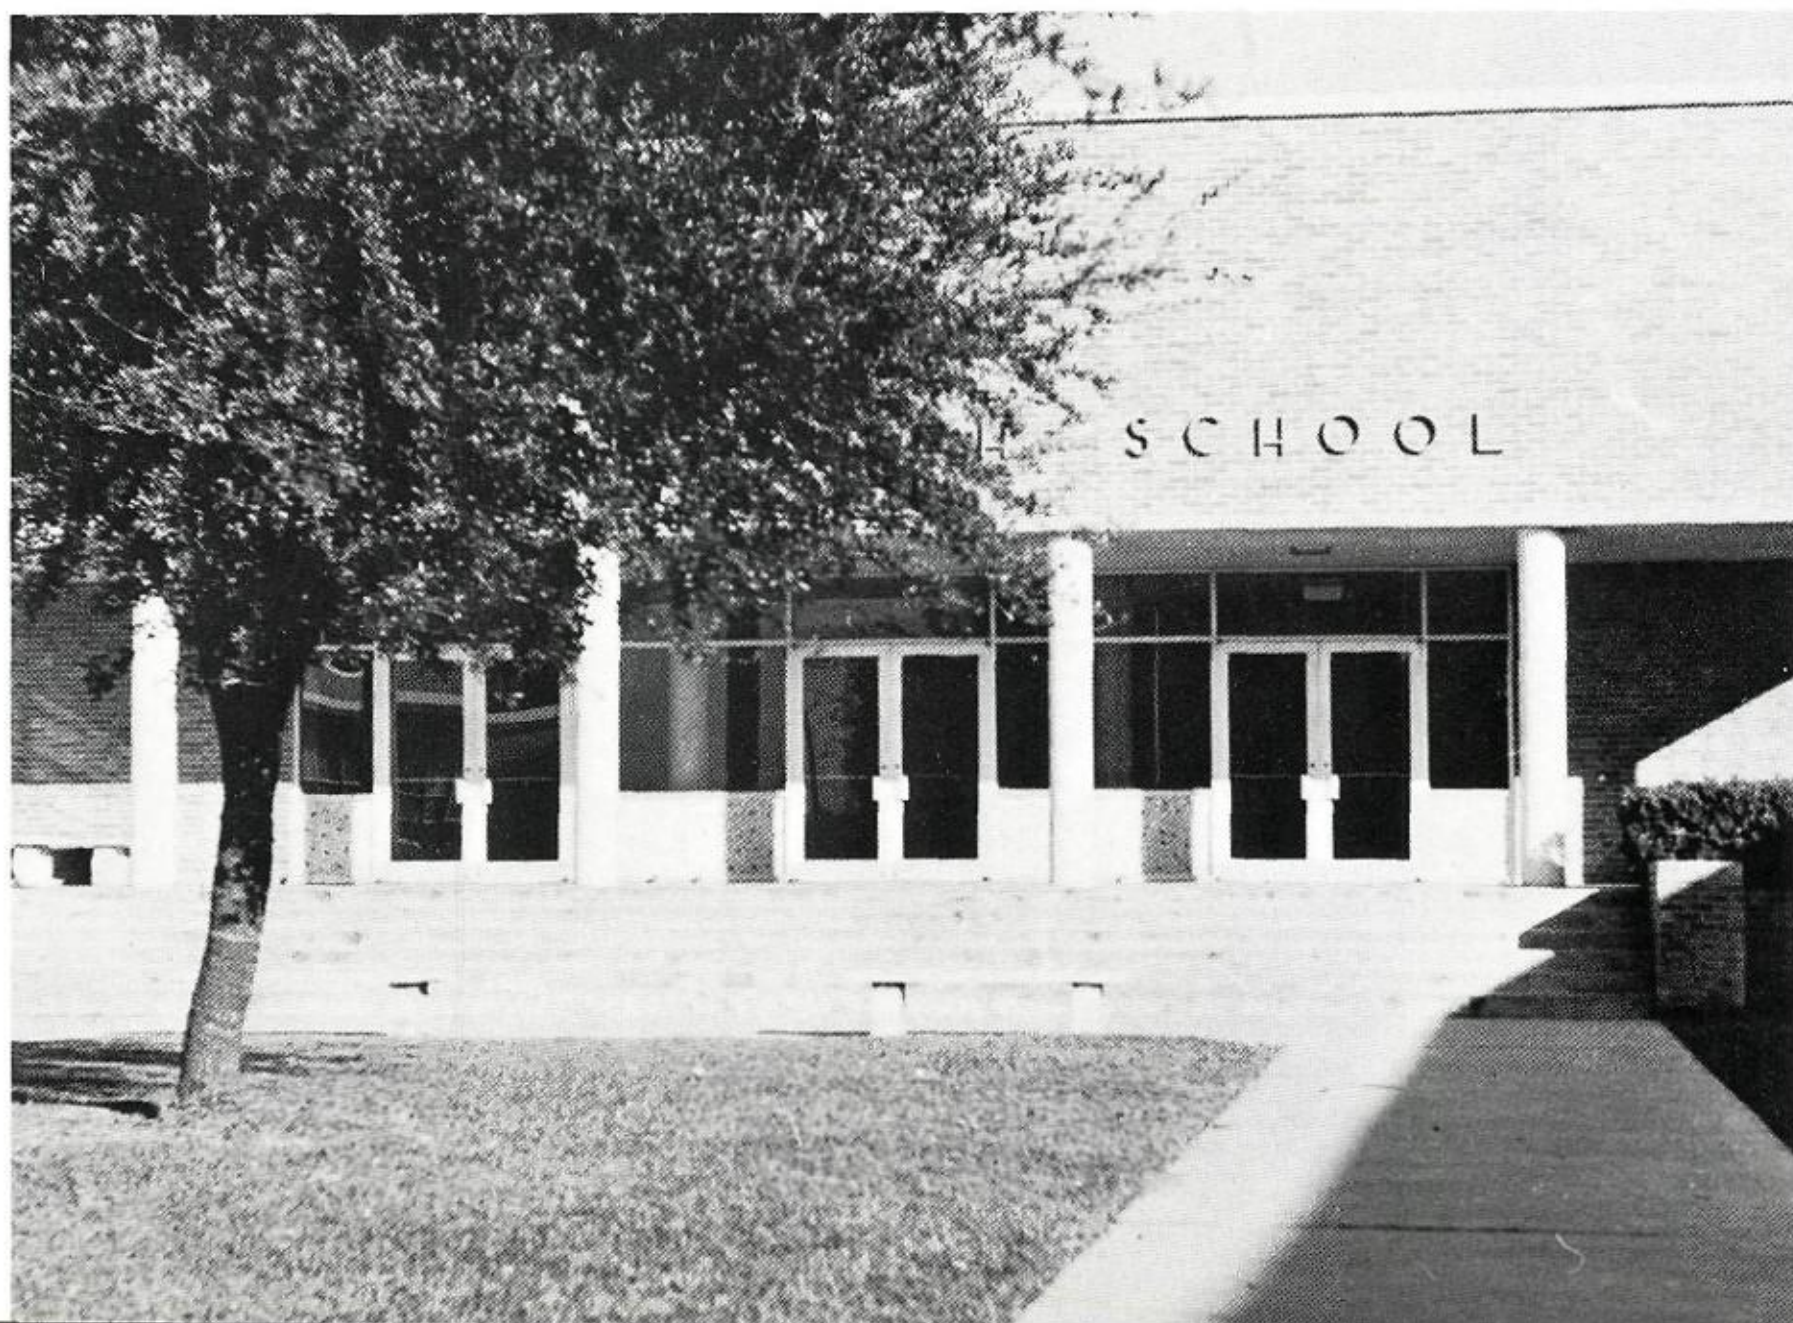

Time isn't measured except
in our hearts.

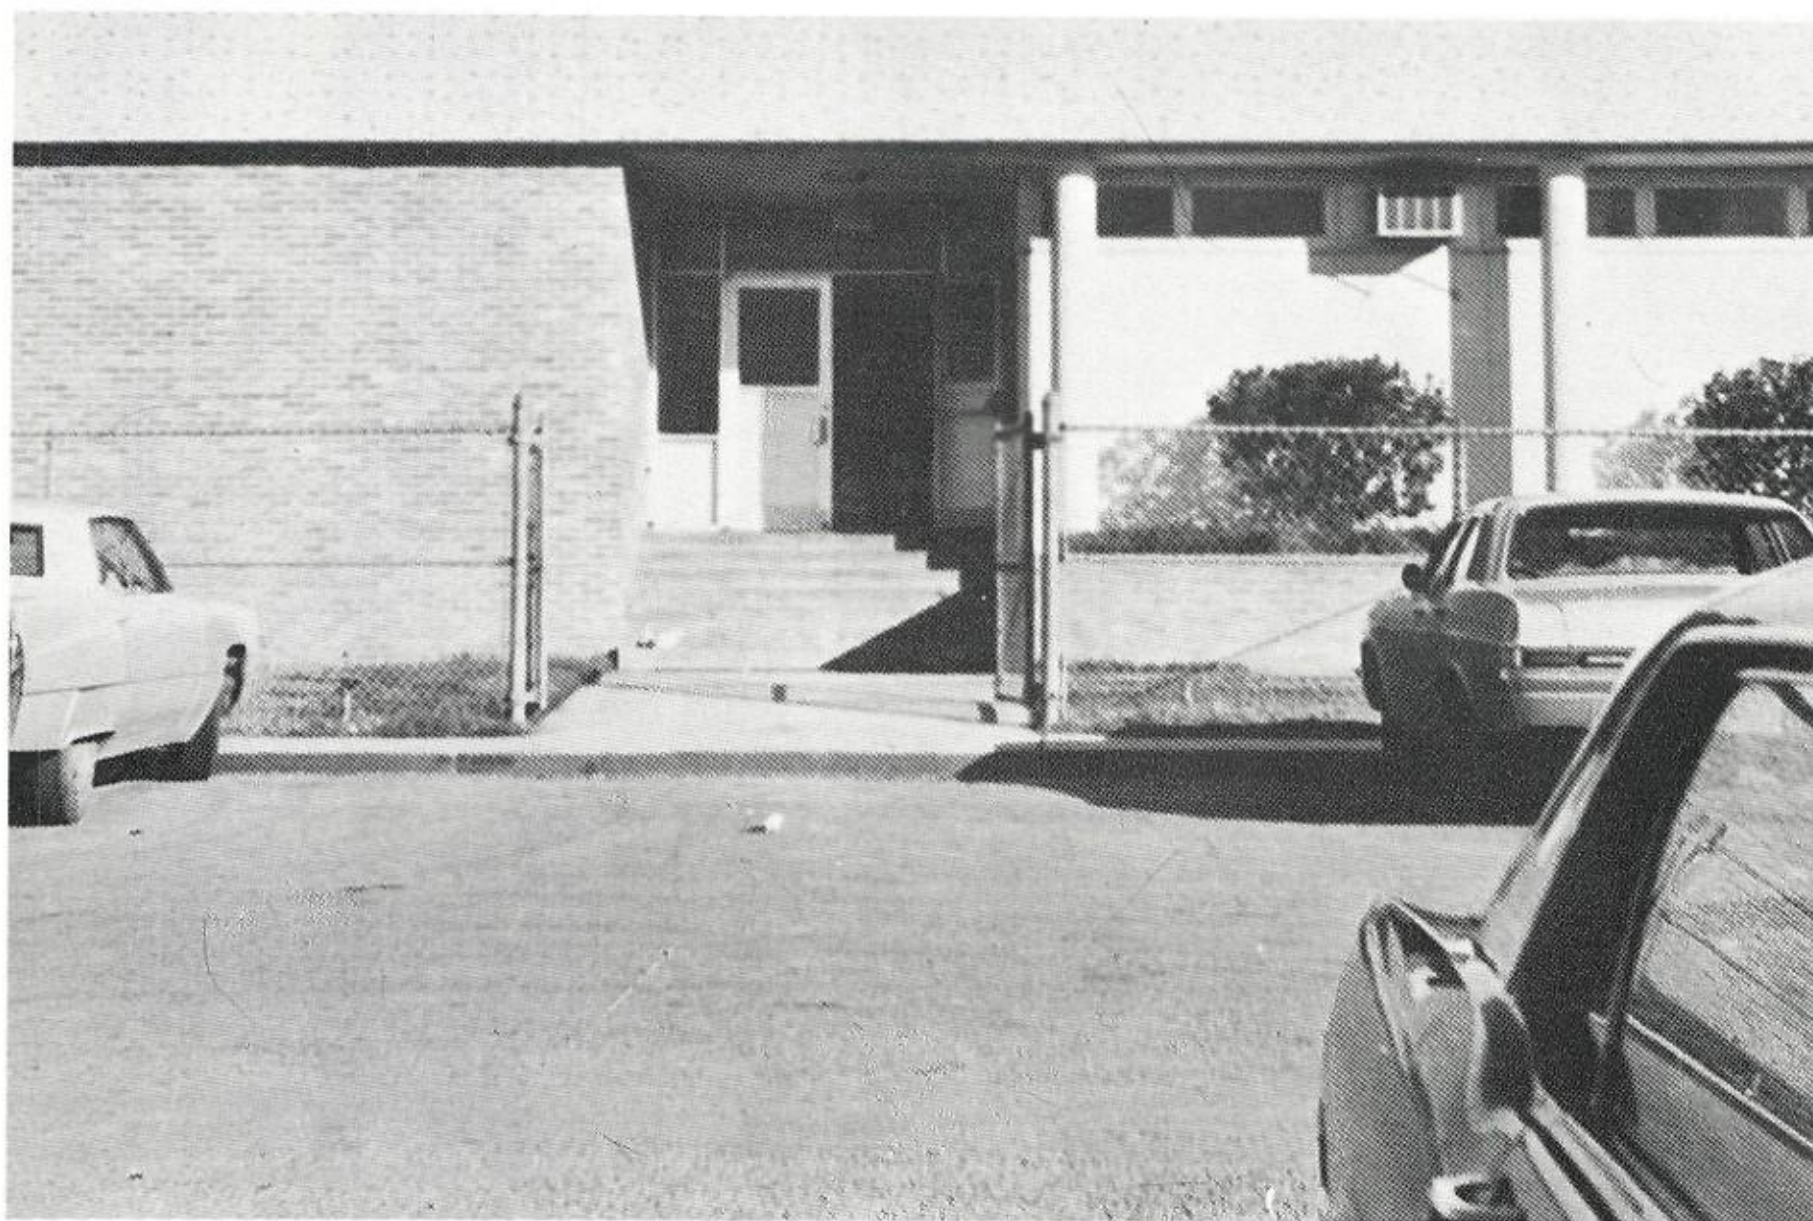

CAMPUS LIFE

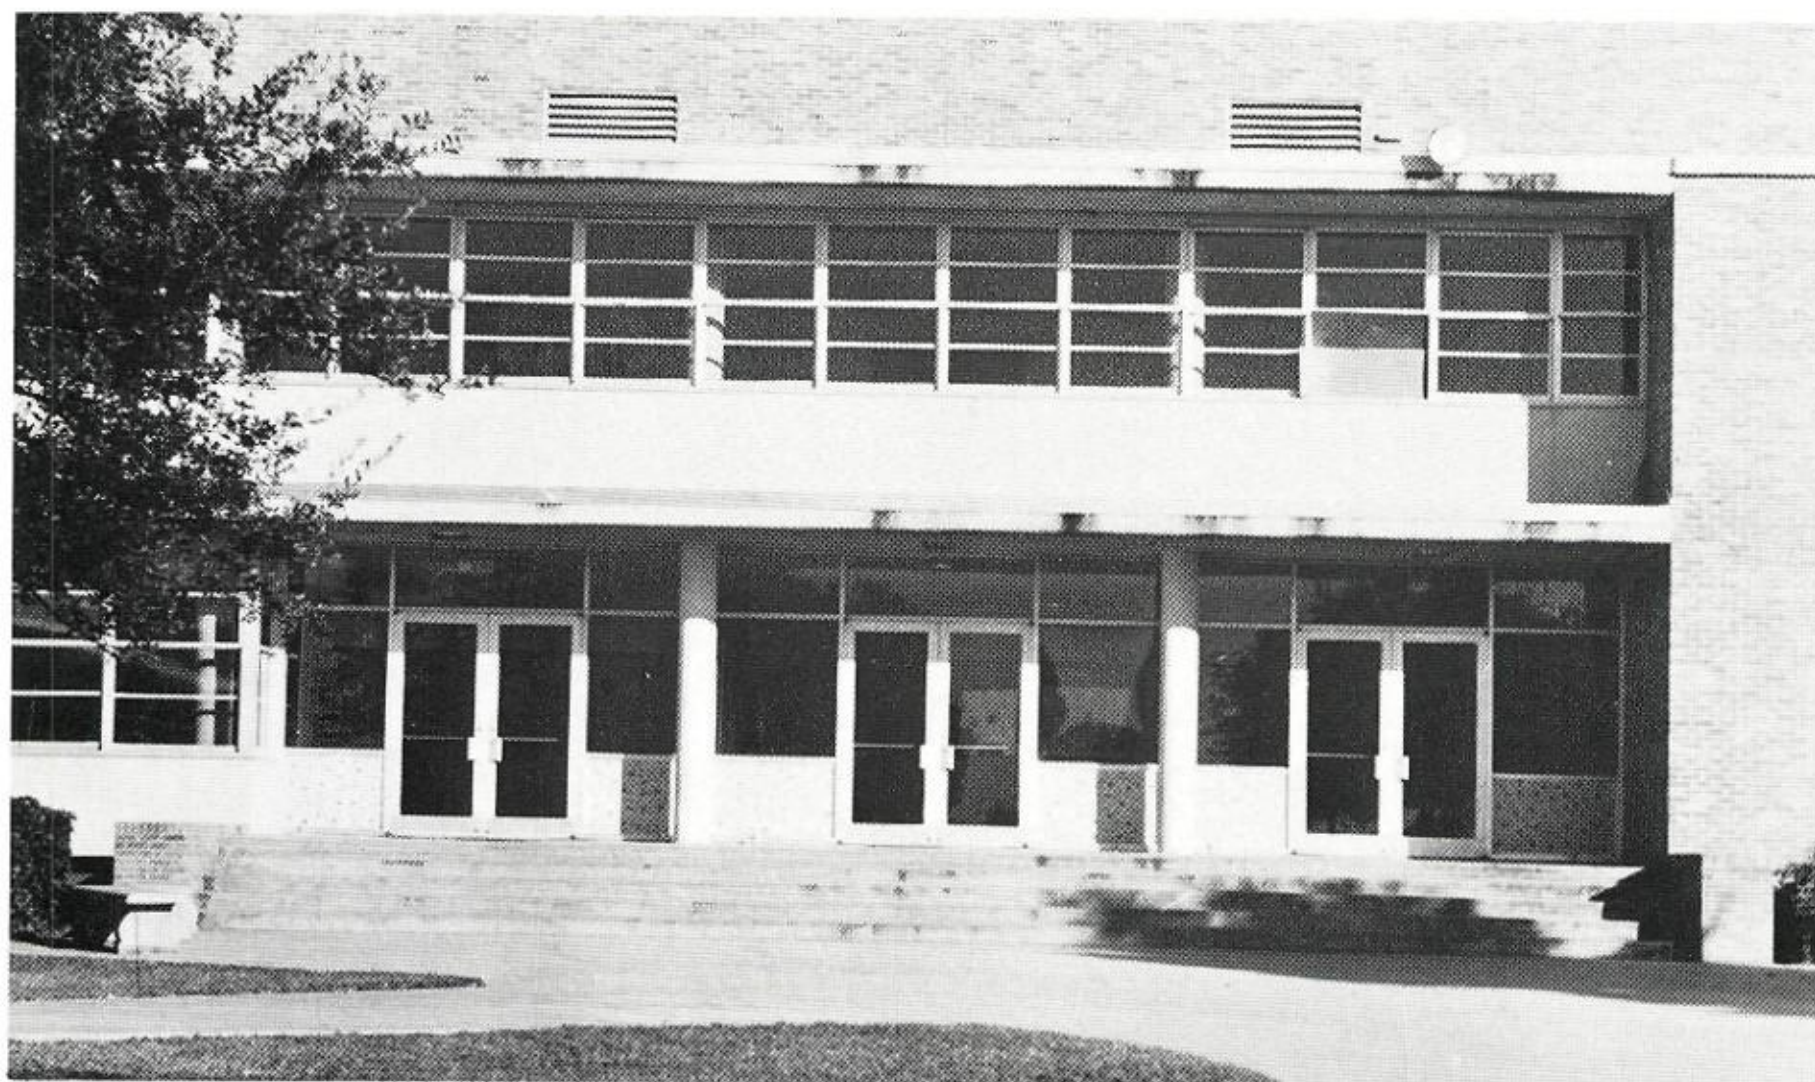

Highlands High School is a three million dollar complex situated on 23 acres in the Southeastern part of the city. There are 2979 students enrolled in HHS with a faculty and administration of 124. There is an ROTC and Armory building, a well equipped gym along with industrial shops. Recently there has been the new addition of paved parking lots and tennis courts. All of this compiled makes Highlands High School one of the largest schools in the San Antonio Independent School District.

As The Day Ends . . .

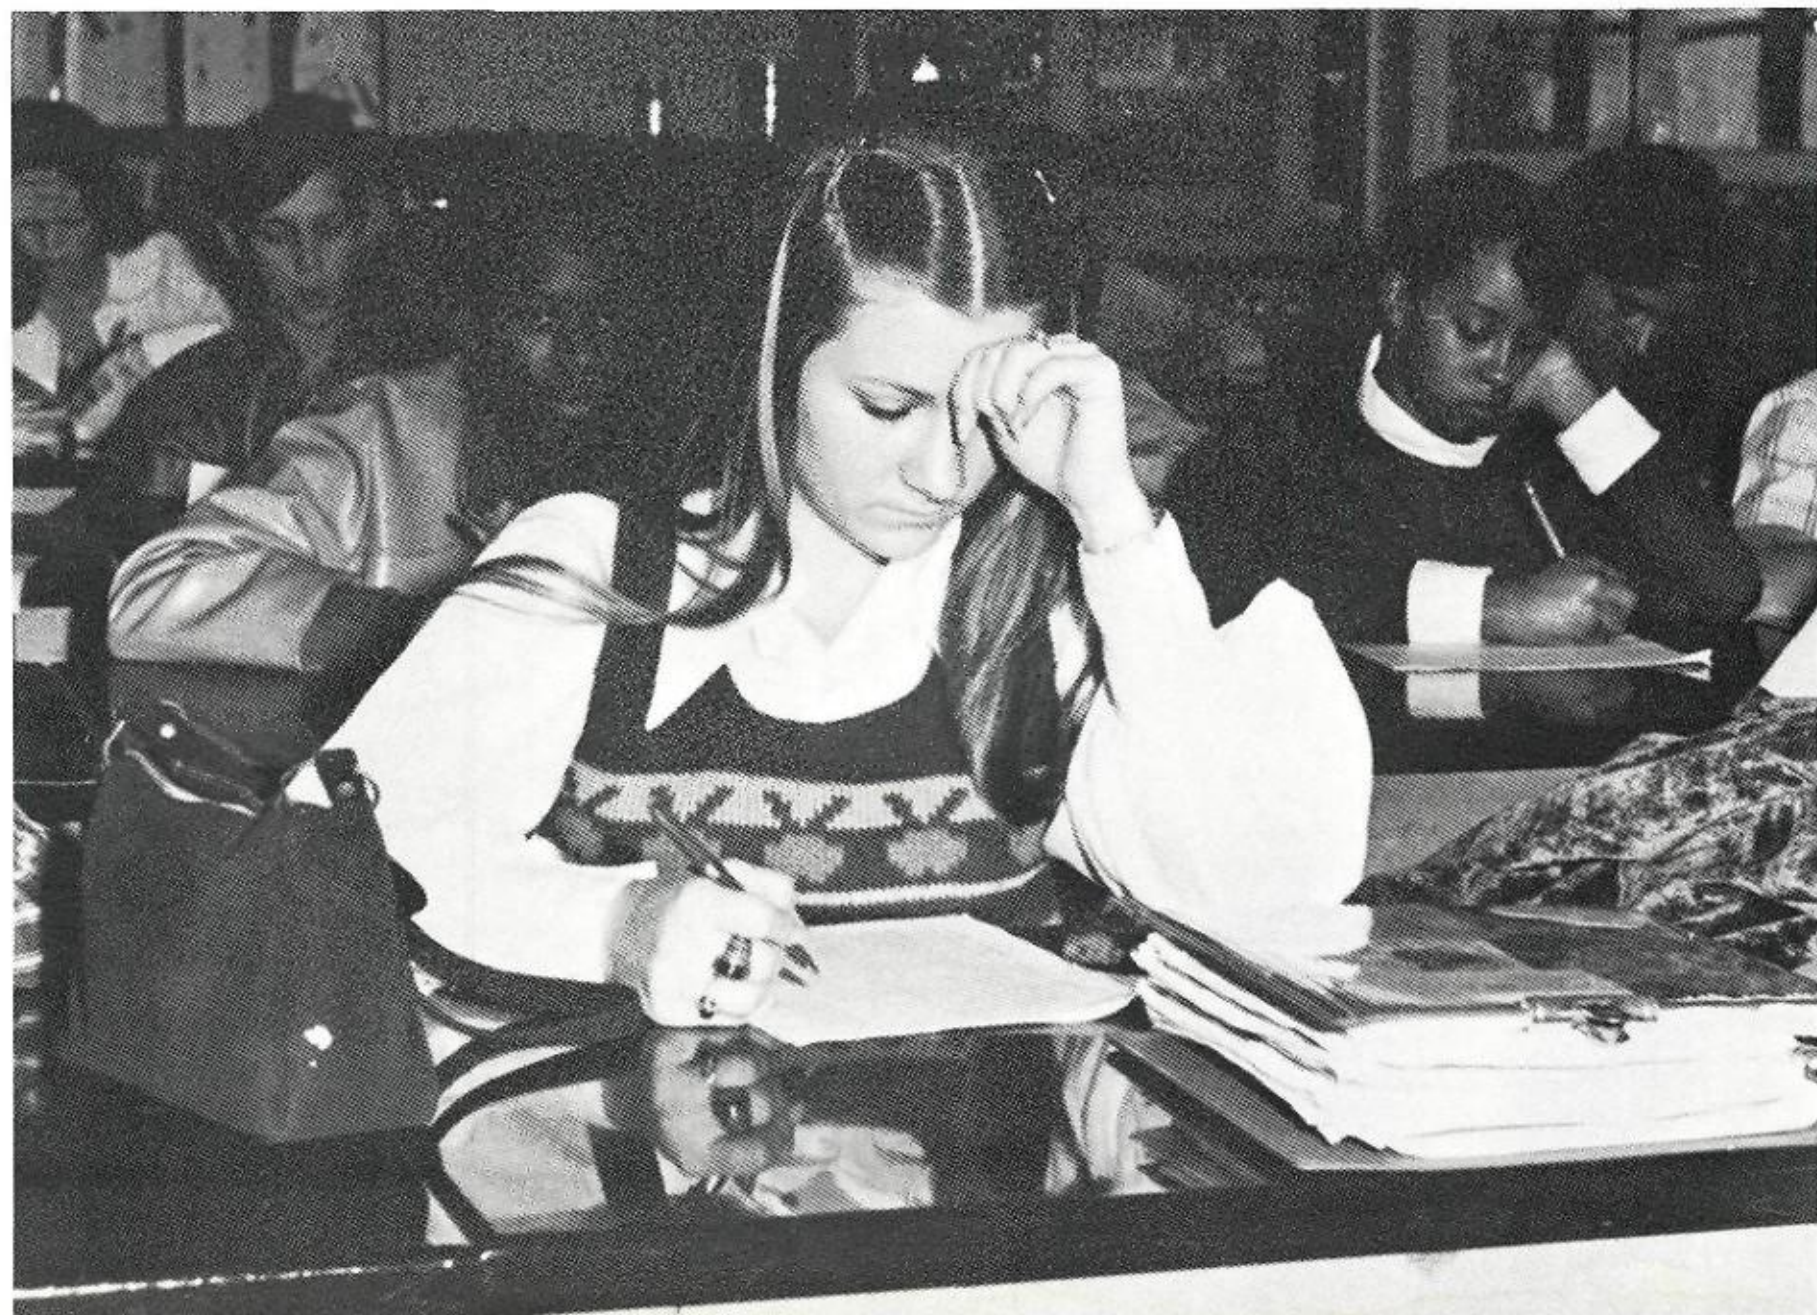

From sun-up to sun-down the mighty owls take their place as one of the greatest high schools in the country. In academic excellence, future potential and pride of accomplishment, HHS is ranged with the best. But when night falls, the Owls really fly high! Whether one is marching in a halftime show, performing in a drama production, singing his heart out in a Christmas program, or playing as hard as he can in a basketball game, the Highlands student proves his versatility in all fields.

Studious Students

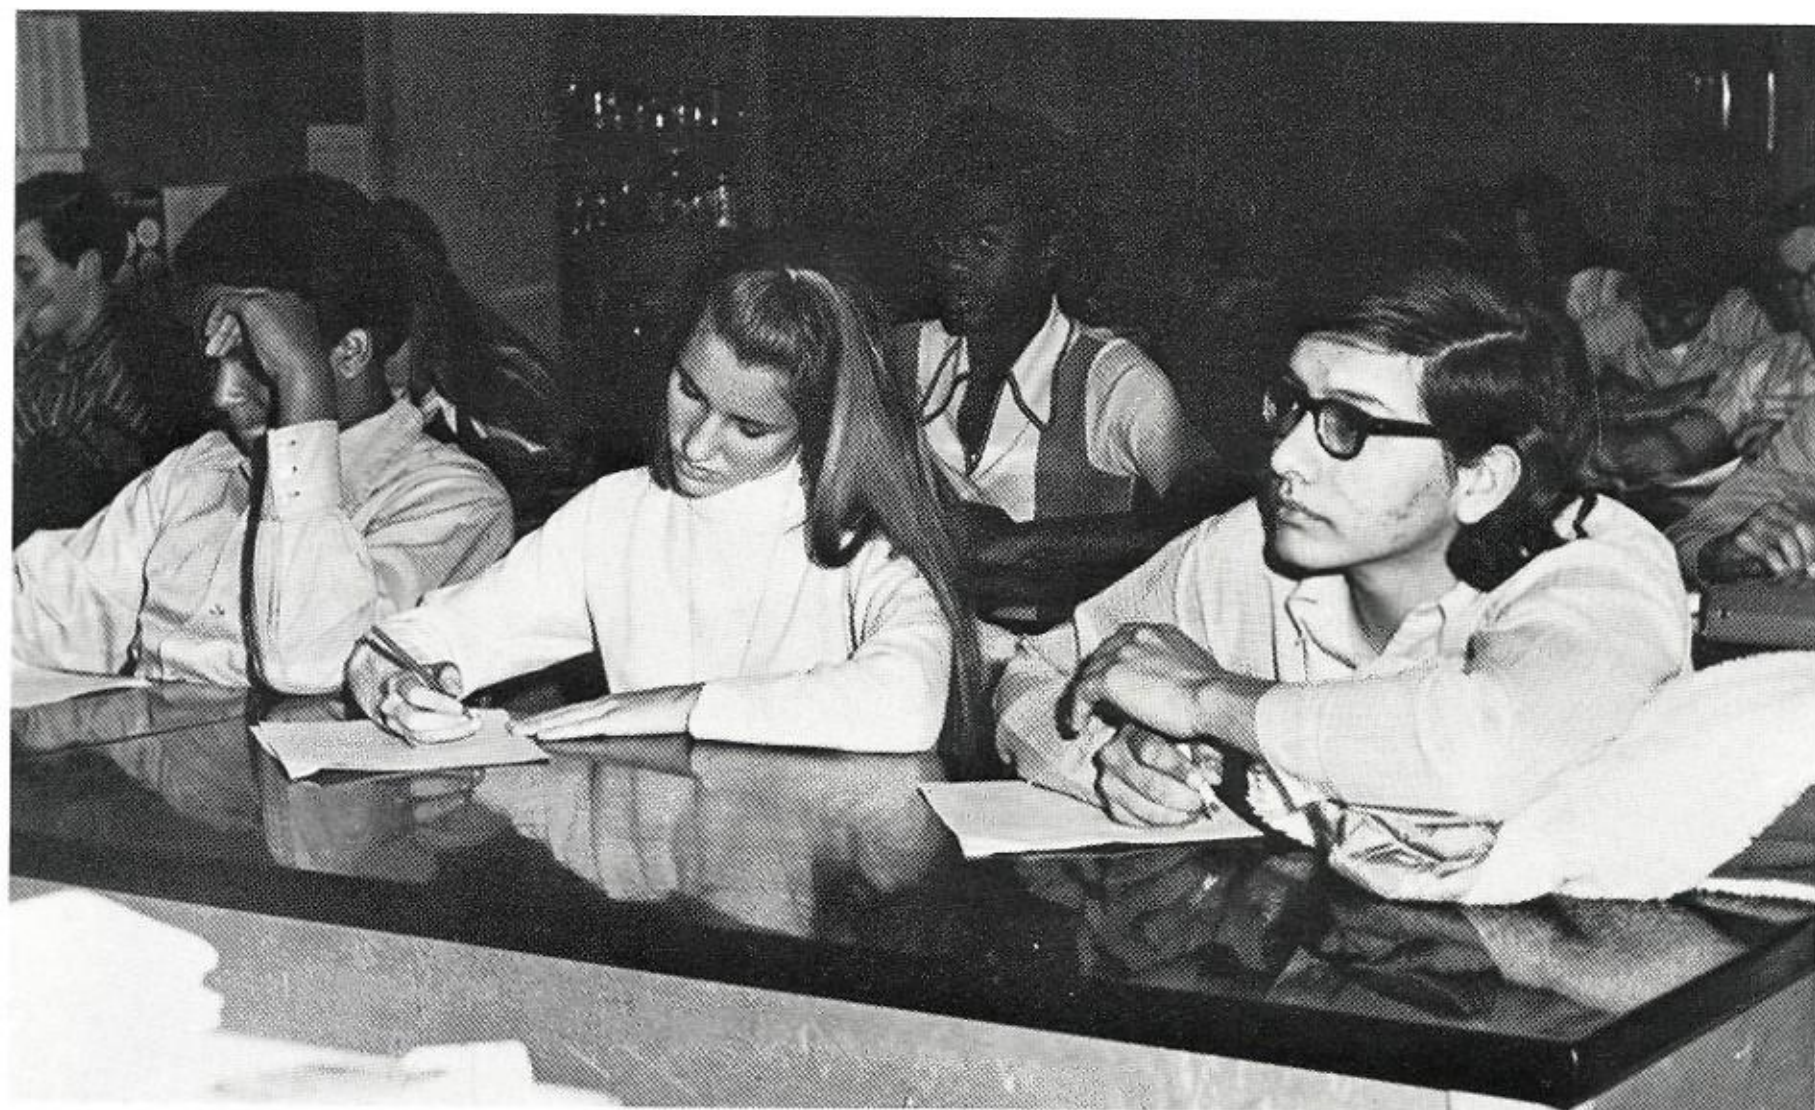

Highlands is an institution of learning. Not only do the students gain new knowledge from their varying subjects, but they are requested to demonstrate that knowledge throughout the school year. This knowledge is displayed through homework assignments, difficult tests, troublesome term papers, strenuous musical recitals, and an almost illimitable list of others.

Left: Shan Satcher shows her geometry class just how to do a problem. Bottom: Kerry Flannigan gets down to the business of working on a biology test.

Top left: Debbie Bieler works diligently on her geometry. Top right: Terri Kinslow checks over her geometry problems. Bottom: Peter Martinez, Melanie Alexander, Maurice Ball, and Howard Fields seem to be concentrating on their Biology test.

Experience Is Memories

... your senior ring.

Time is the wonderful moments
remembered in the late after-
noon;

Moments that melt through our
dreams.

As we stare in awe of the sur-
rounding landscapes, we re-
member

the wonderful memories,
the lost moments,
and words unspoken.

For somewhere

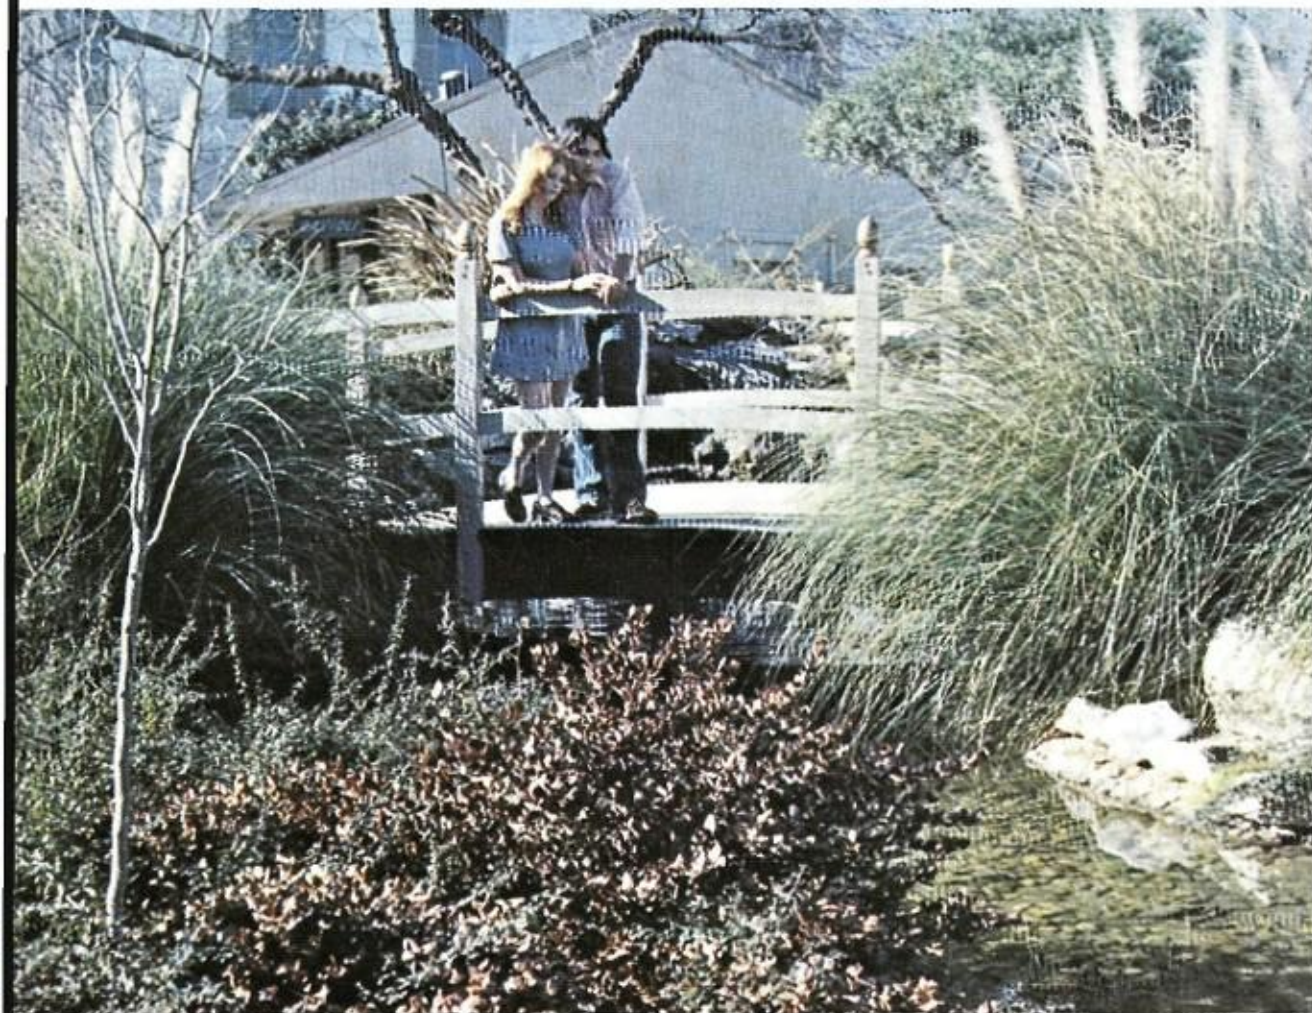

between our drifting thoughts;

Time has stopped

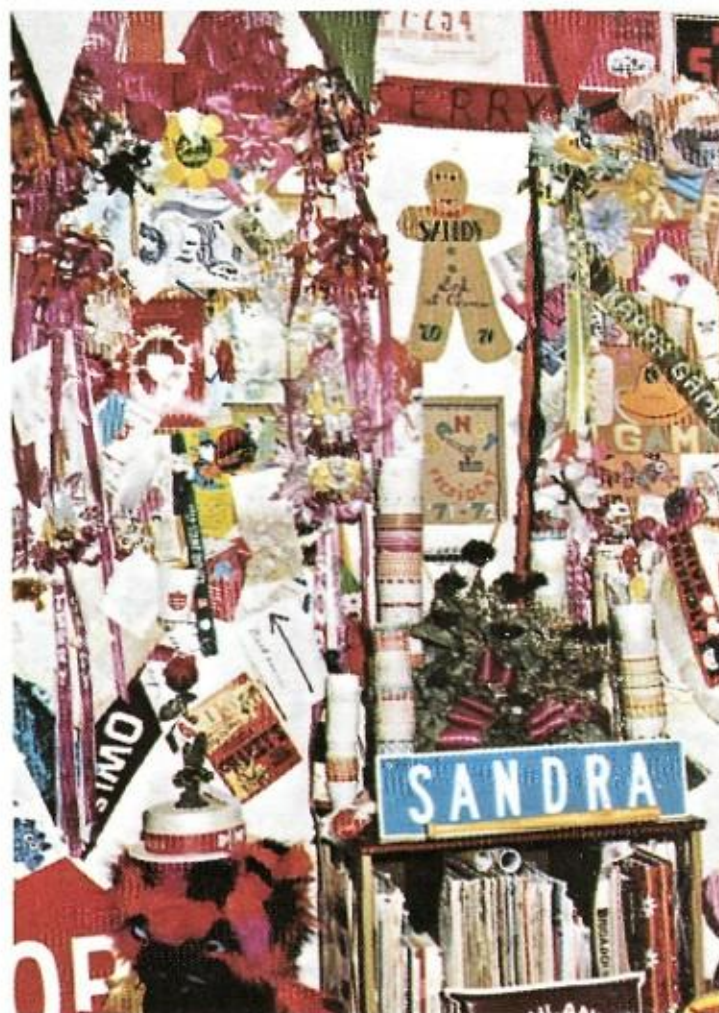

and caught us posed;

Enclosed in a still-life prism;

In the light of a dawning sun.

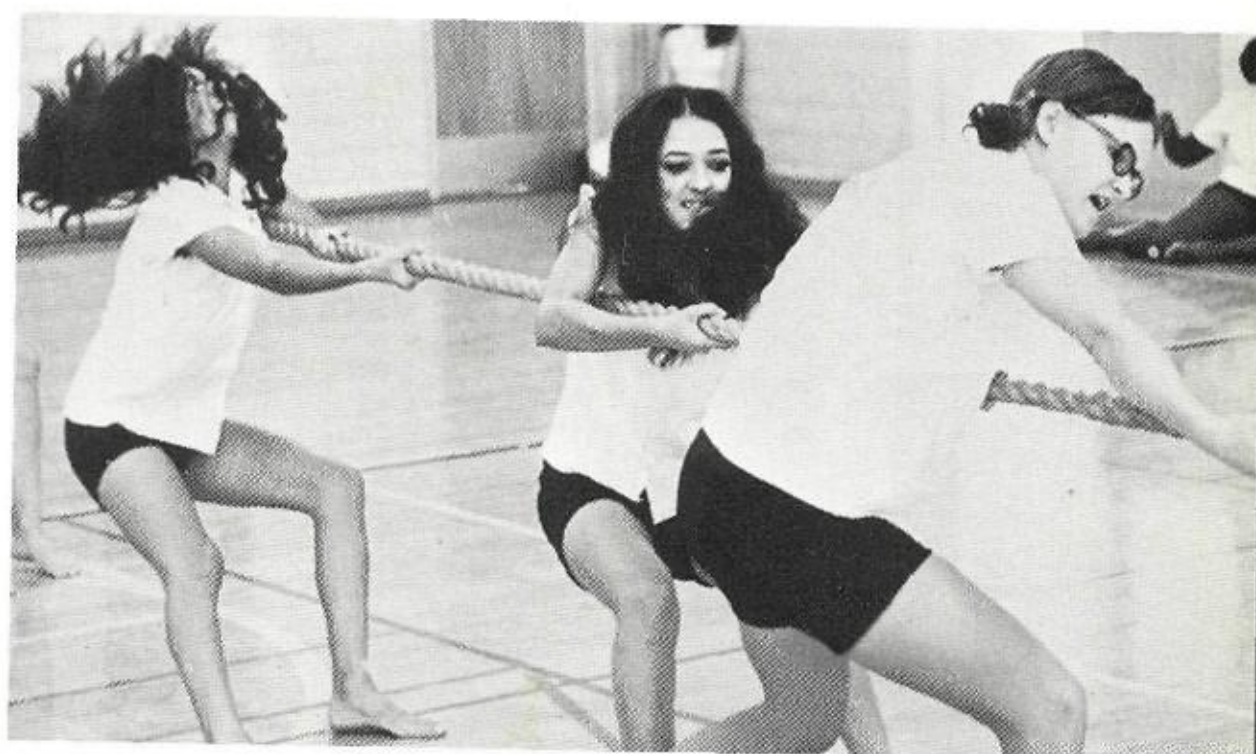

... your first love

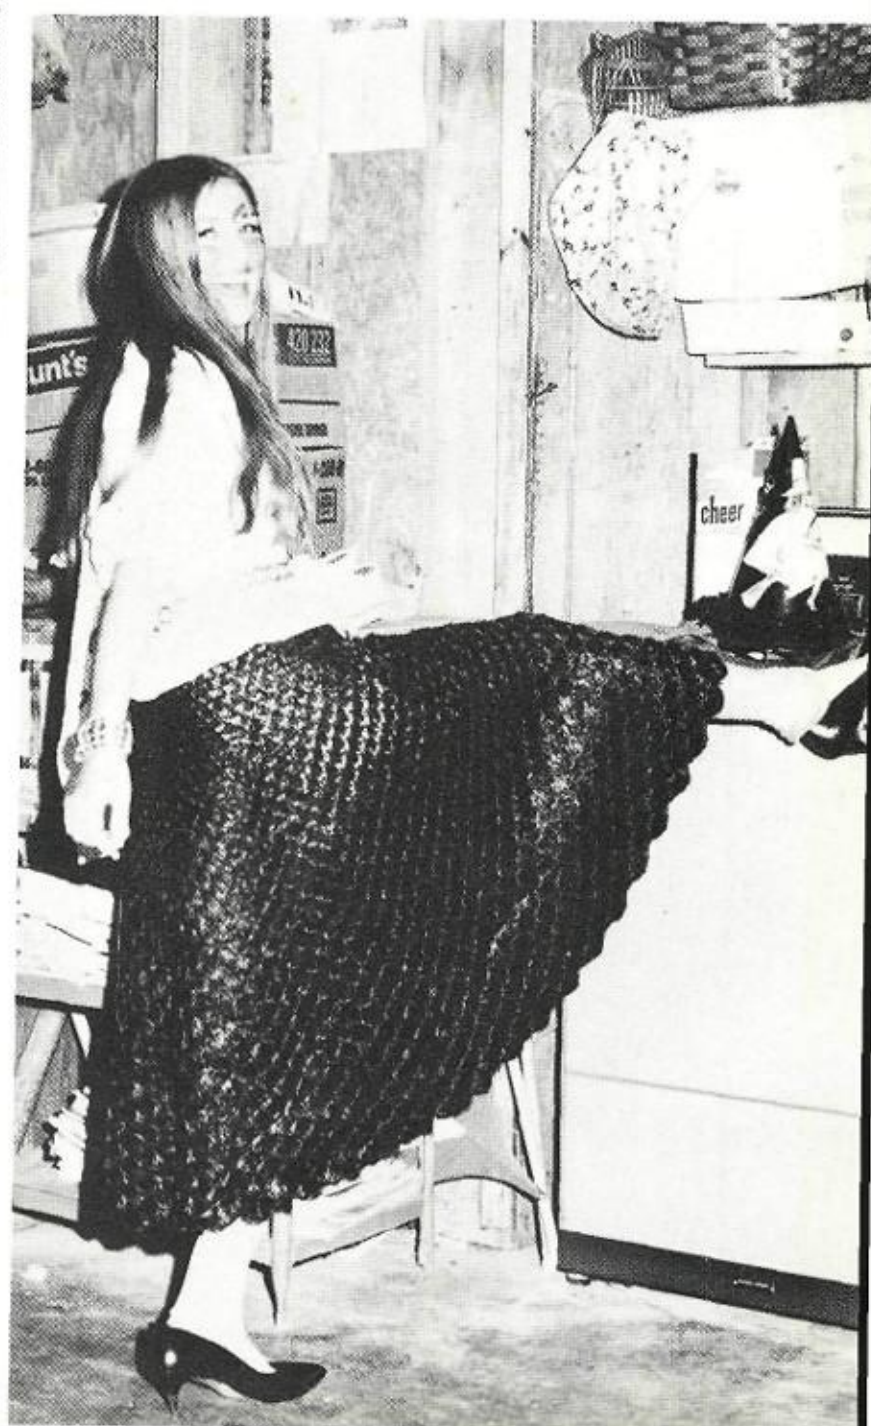

... all your memories

Frozen In A Moment . . .

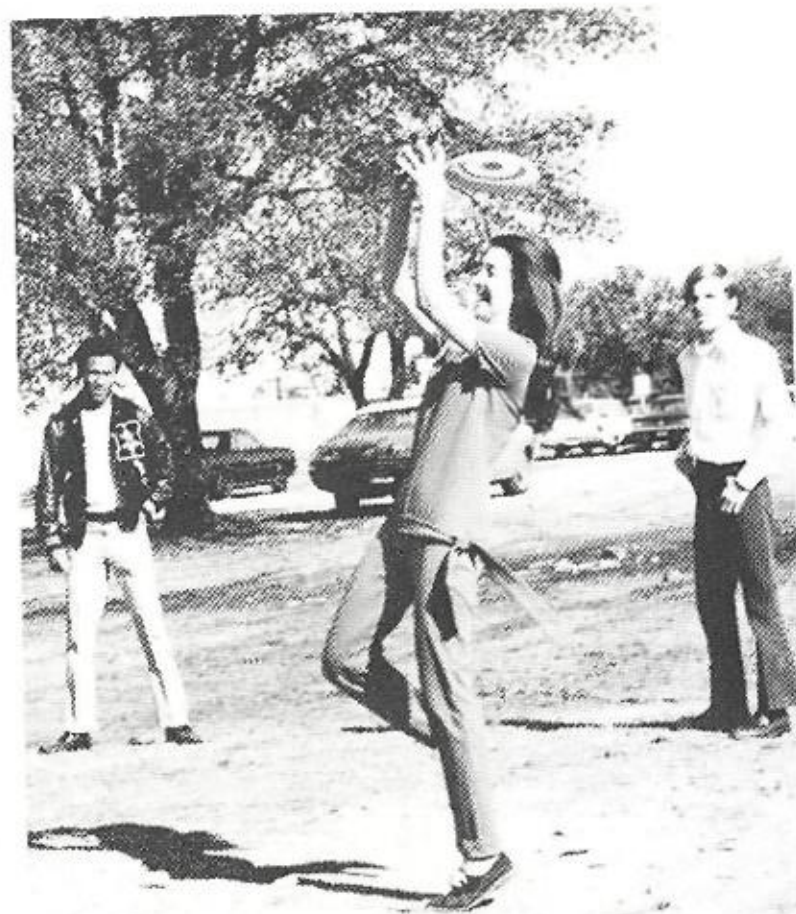

Emotions fade away,
moods are lost,
and thoughts forgotten,
but a picture is forever.

Games People Play

Highlands' students have a variety of different pastimes. They range from playing baseball to roller skating. Every student has tried to perfect his skill in order that he may be "tops" in his field. Activities which are popular among the students at Highlands are playing spin-the-bottle, frisbee throwing, trying their "hand" at dominoes, and playing on a teeter-totter.

Above: Debbie Batterton gets ready to make a big hit. Right: Martha Barden attempts to catch a runaway frisbee, and misses! Below: Candy Coleman and Carolyn Cobb show that the ups and downs of life can be fun.

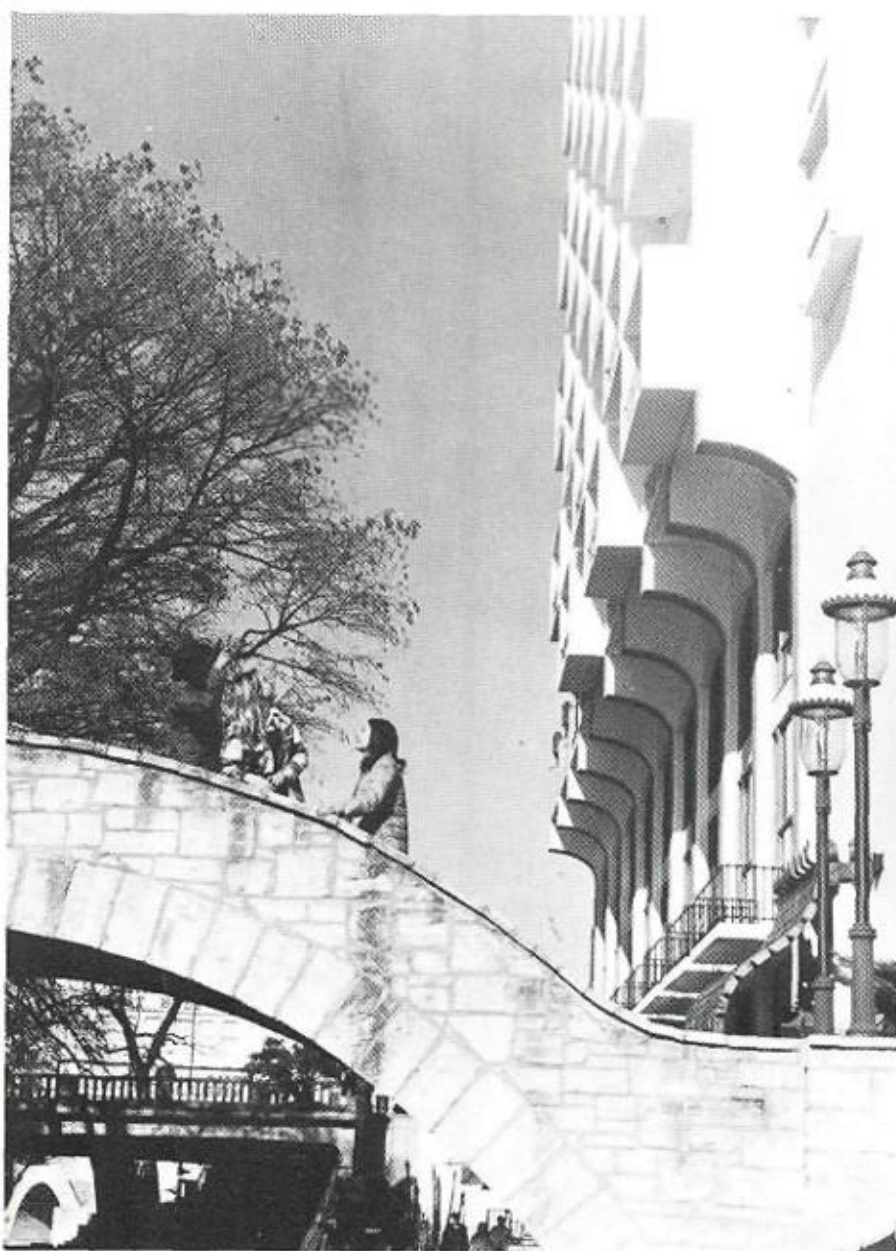

Above left: For Jo Ann Saucedo and Allen Lee roller skating may be a new way to get to class. Above right: During lunch Catharine Gordon and Ralph King find a new way to pass the time

by playing dominoes. Bottom: Adheres to the old game of "Spin-the-Bottle" can still be seen on the Highland campus.

People And Places

As you look around San Antonio, you will see many Highlands students in many different places. There are many activities in the city for the students to enjoy. You can see these students walking along the river walk, shopping in the many stores and browsing through the art galleries. Among the activities they enjoy, are looking at the sites at Hemisfair and the Alamo. Also, there are many nice inexpensive places to grab a bite to eat while spending a day shopping and sight seeing.

Left: Alfred Lozano, Shirley Crandell, and Jeanie Gerth admire the view of the Hilton from a bridge on the river. Bottom left: Cheryl Gardner relaxes near a fountain after a day of fun at Hemisfair. Bottom right: Patty Robbins finds nostalgia in the old walls of the Alamo.

Top Left: Margaret Becker enjoys going to the River Bazaar, a well known boutique along the banks of the San Antonio River, which has a wide variety of crafts. Top Right: "Darlo" Vukasin seems interested in the Macrame design displayed at Southwest

Crafts Center on the downtown river walk. Bottom: KEXL is a popular San Antonio radio station, especially with student Glenn Matthews.

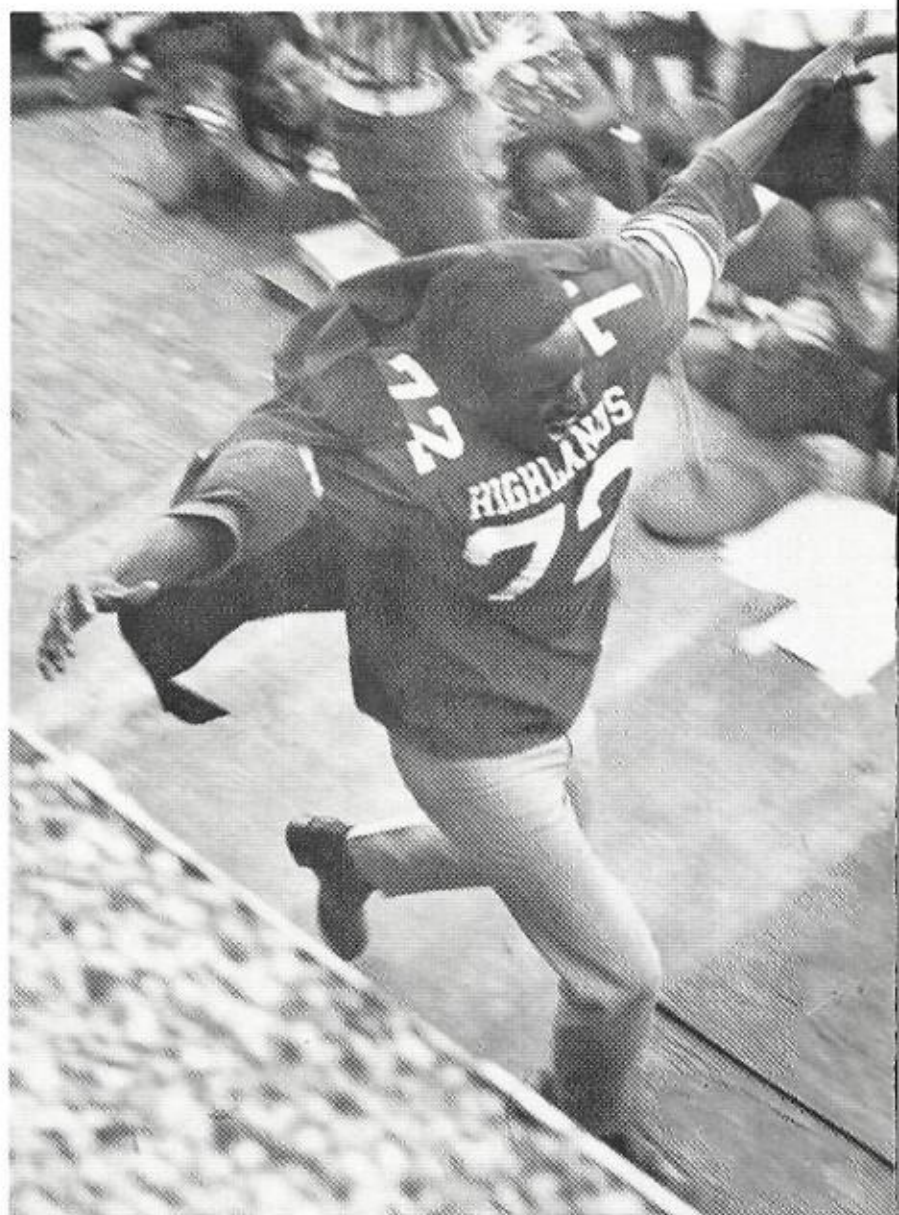

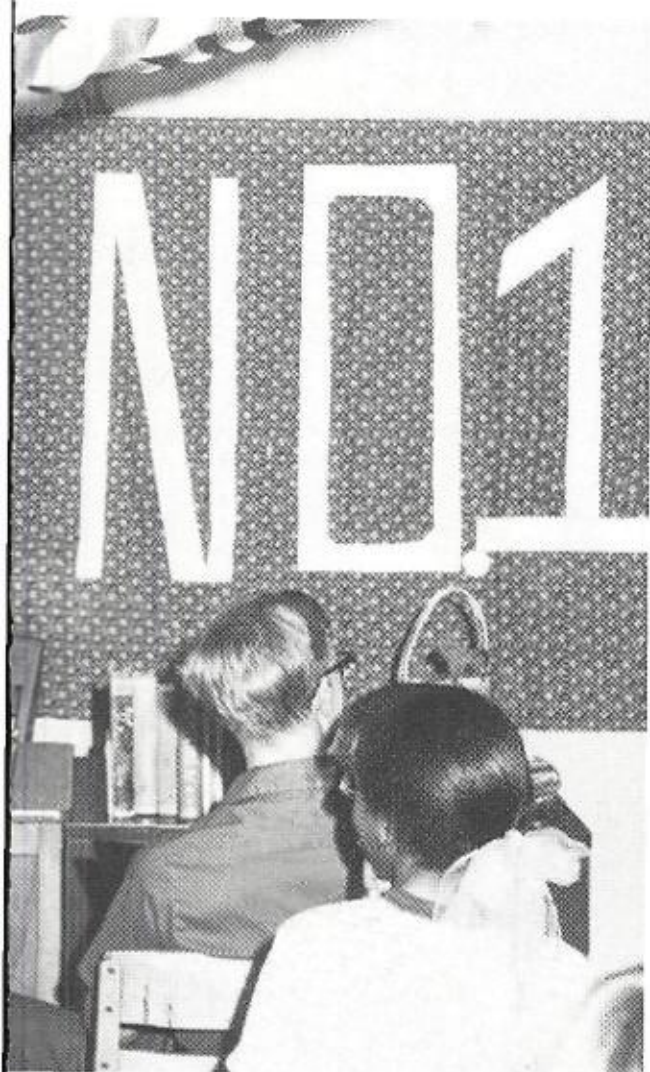

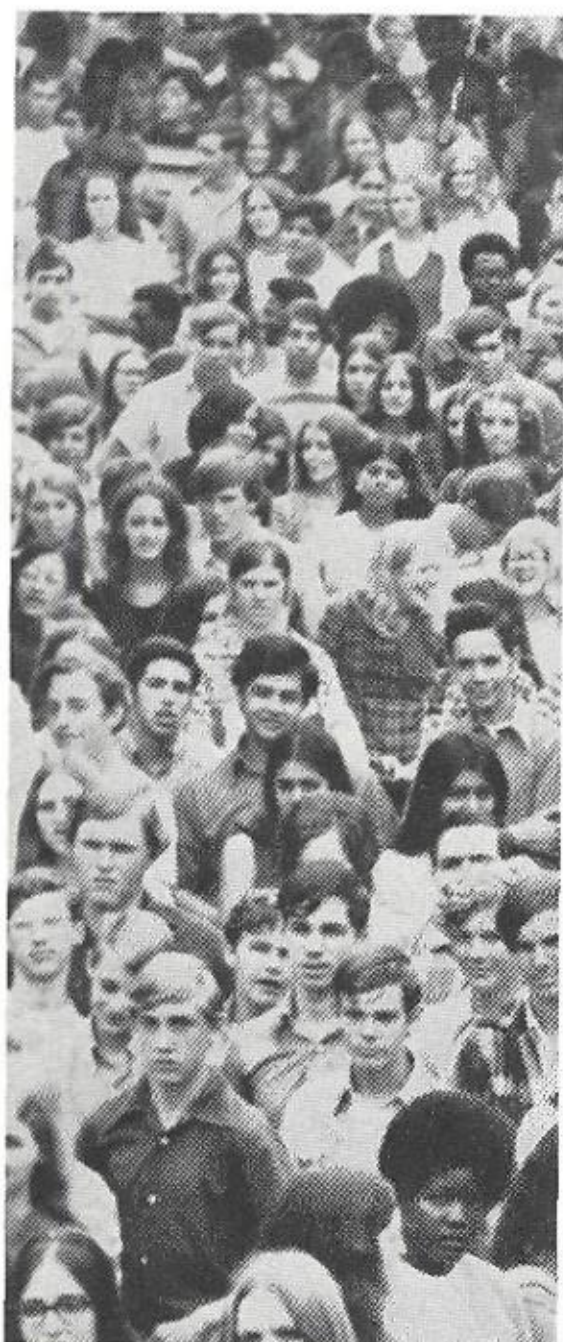

Spirit!

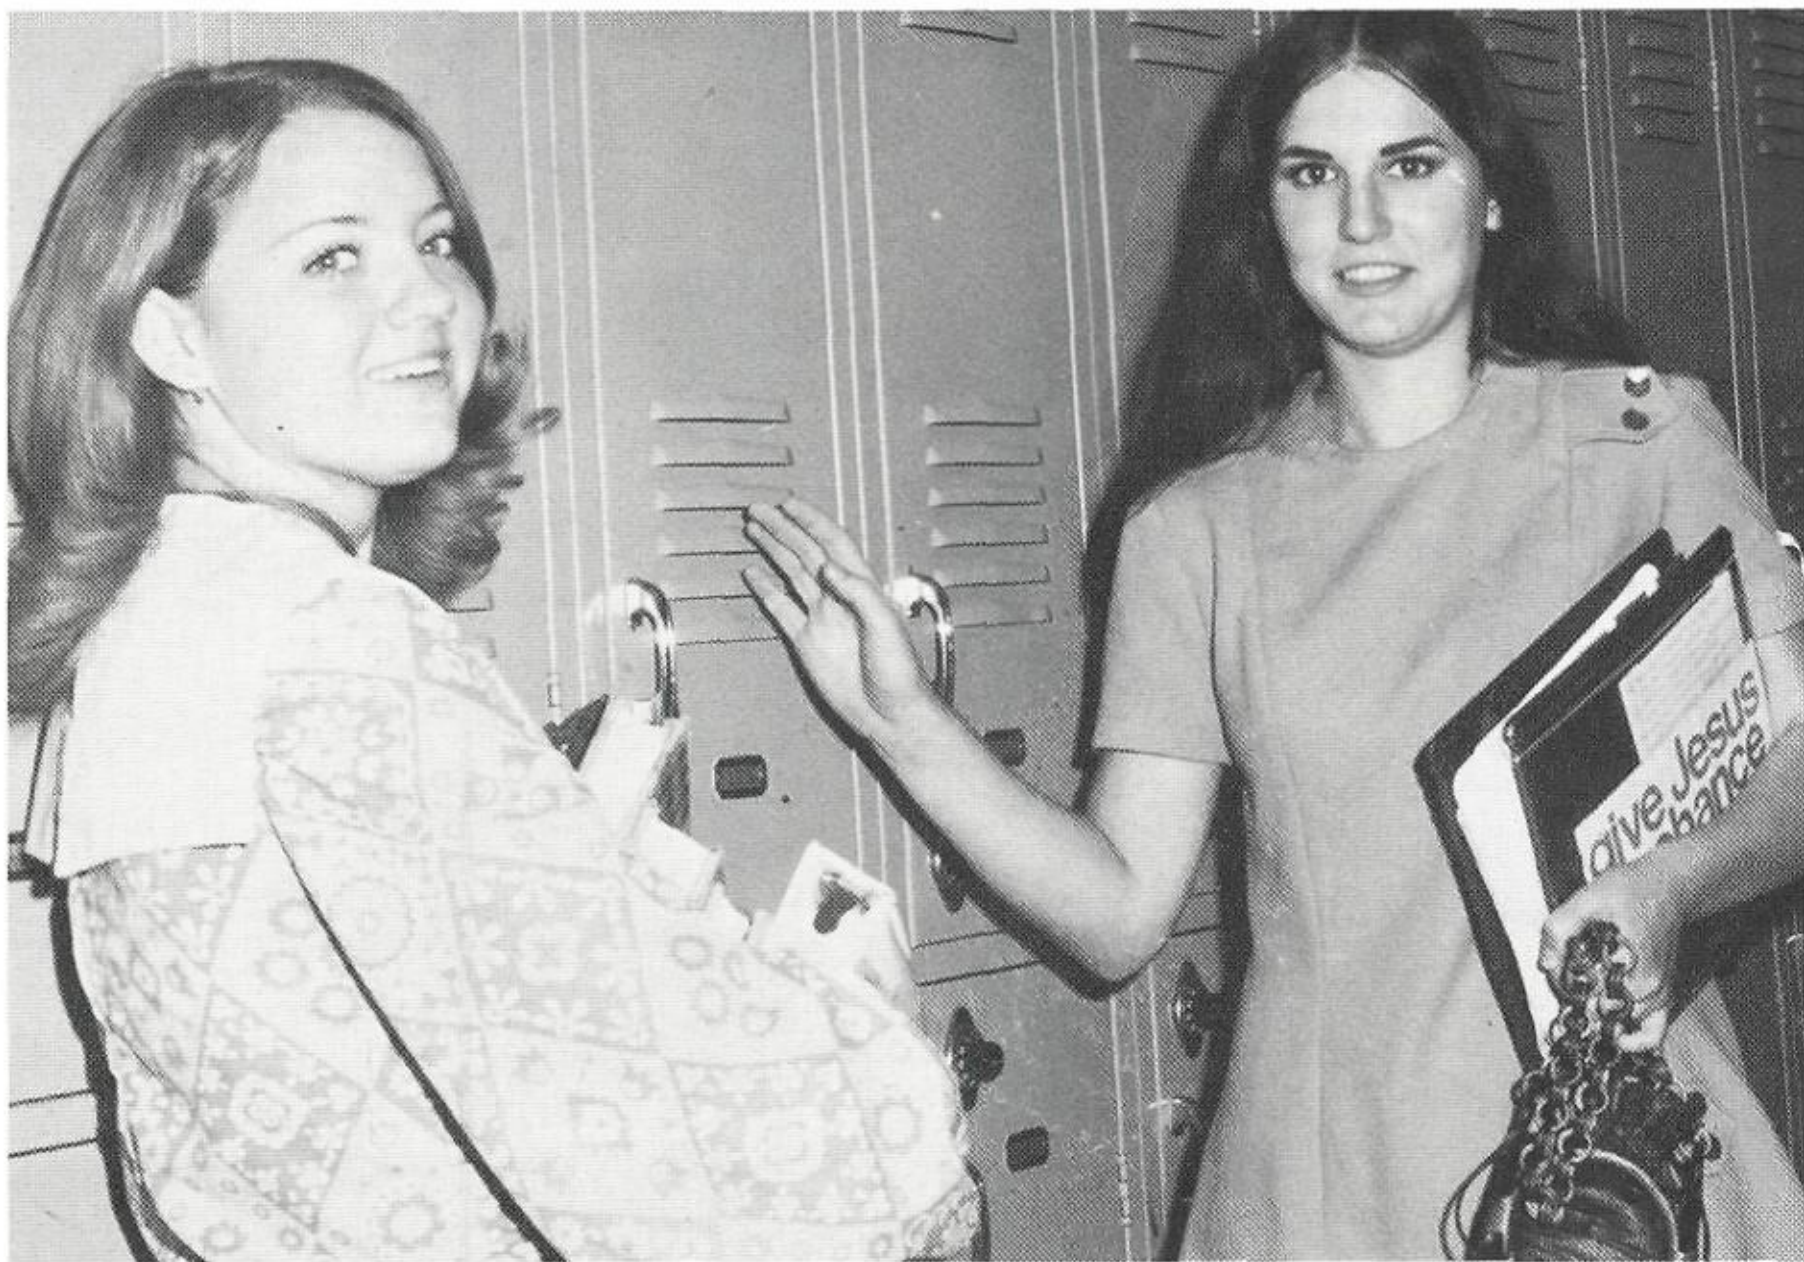

Highlands High School is noted for many things and among them is "Spirit Week." During this week, the faculty and student body join together in spirit, pride and loyalty.

All of the halls and rooms were colorfully decorated with banners and streamers which the students had made. During Spirit Week the teachers participated in a contest sponsored by the Student Council to see which was the worst dressed Indian or best dressed owl! With this, Highlands remains No. 1 throughout the years.

The Accomplished Army Band.

Above: NCO Sweigart shows that men are taught more than how to march in the Army.

September 14, the Army Band entertained the students and faculty at Highlands High School. The Band was received enthusiastically as the students gave the band several standing ovations. As the concert came to a close the director thanked the student body for proving to him that the Army could still please the young people of today.

Above: The Army has liberated the women. As a young woman sings in the concert presented to the students, she proves there is a place for everyone in the Army.

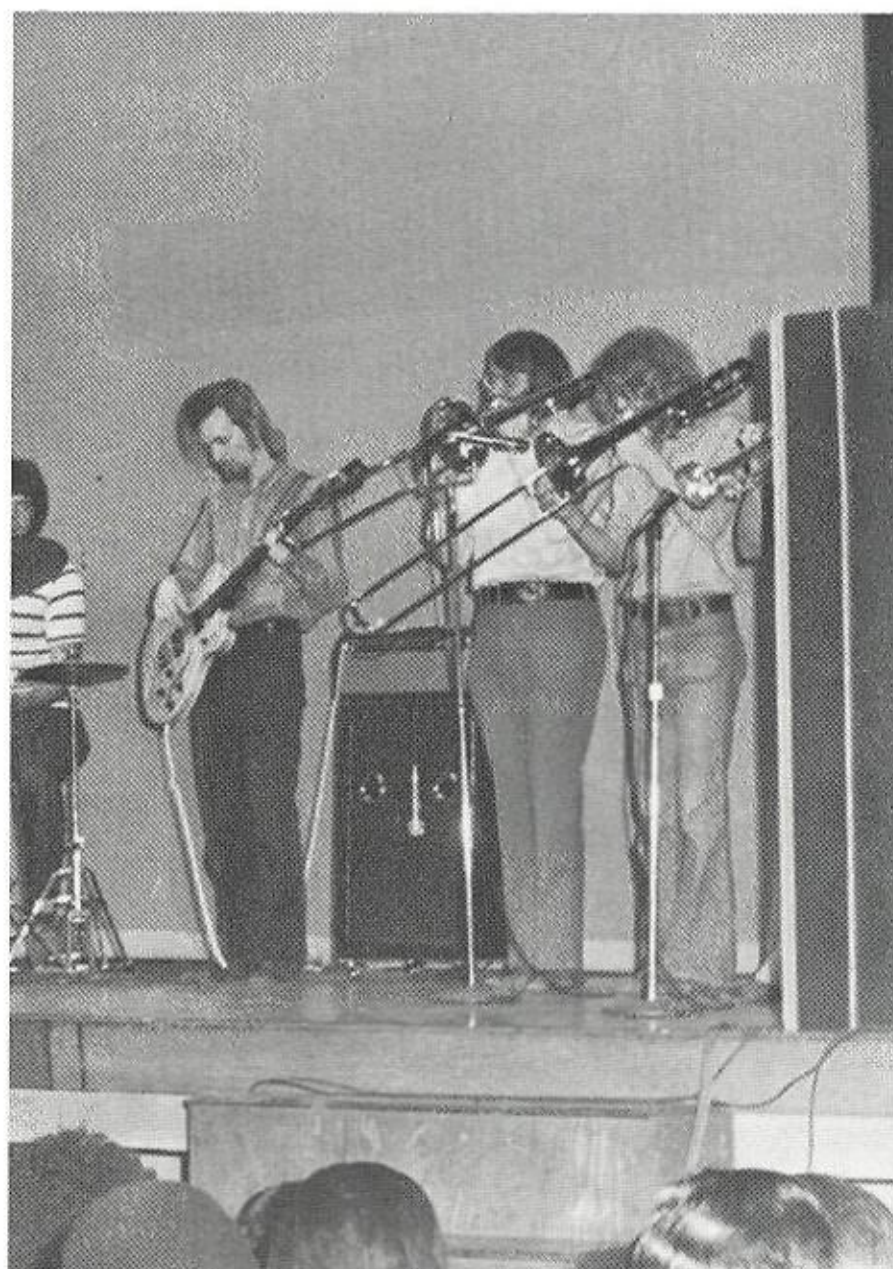

Below: The saxophone section of the Army band, solo in the concert presented to Highlands.

The New Hope Singers

The New Hope Singers performed in concert at Highlands February 29. The group of young people comprised a four man rhythm section, four brass men, and four vocalists.

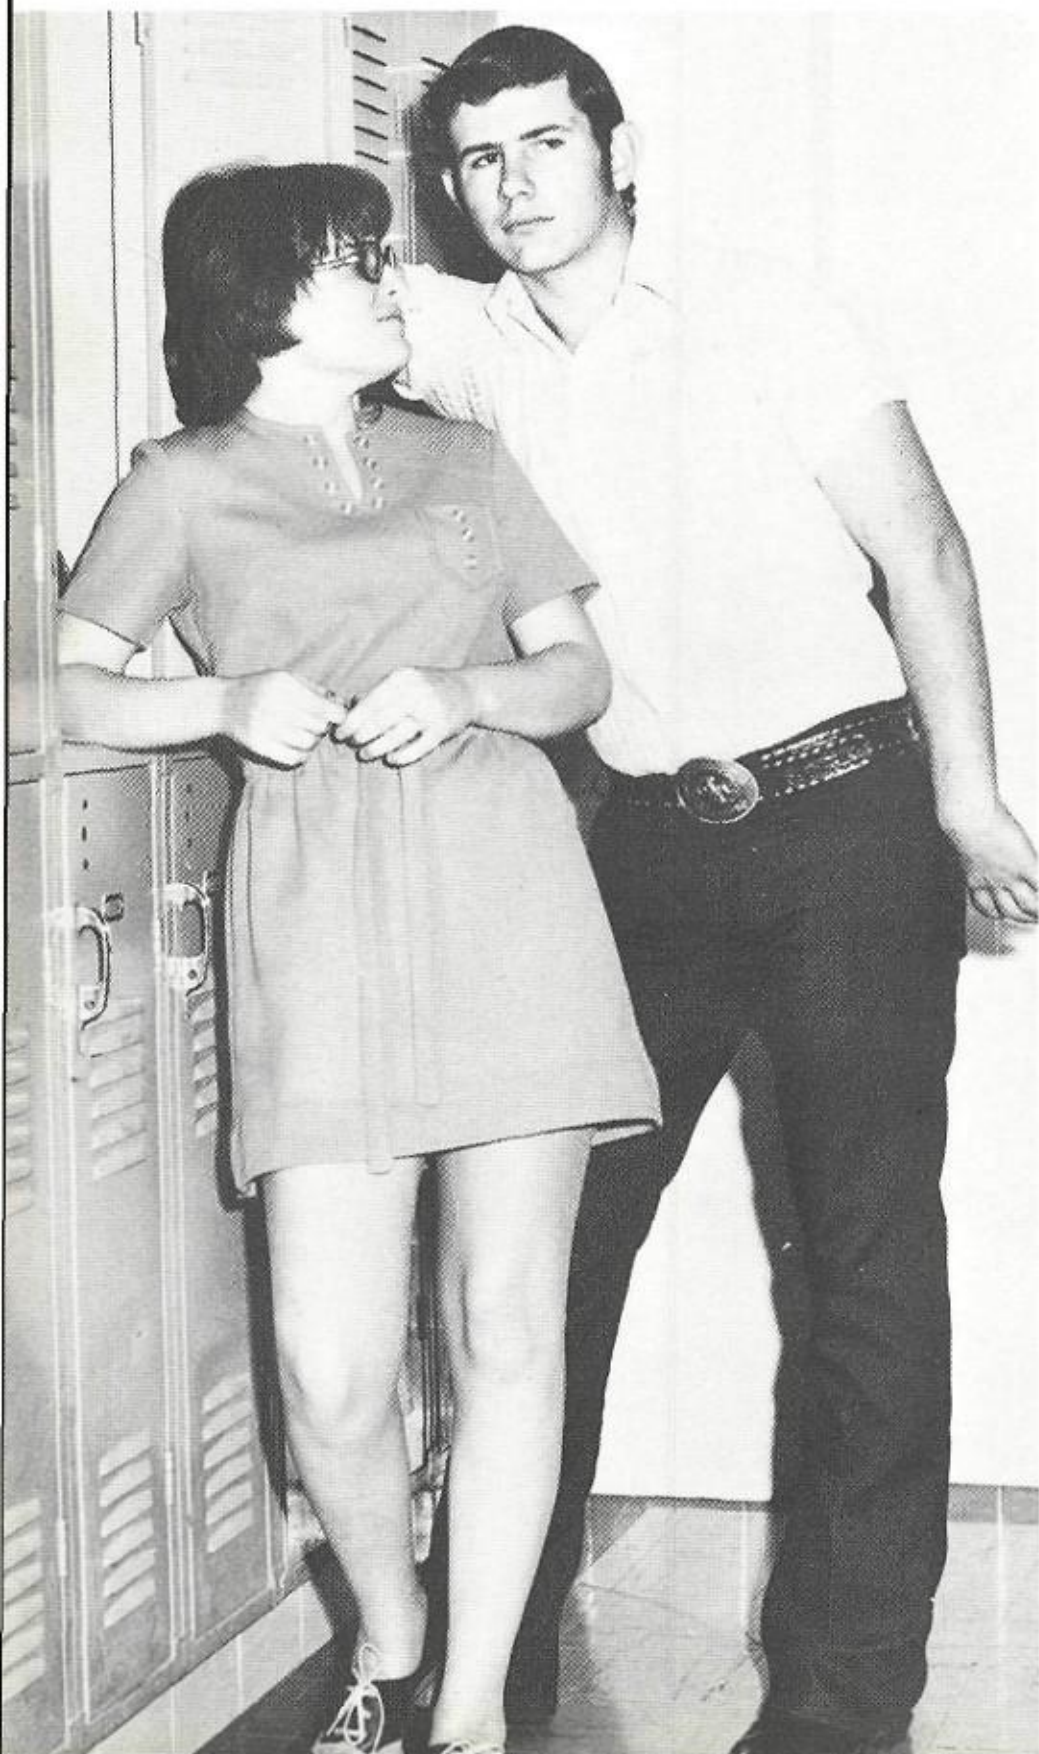

They have performed at over 1,000 high schools in the last three years, and have presented programs at Texas Christian University, Dallas Baptist College, the University of Texas and others. At Highlands, the performance was musical numbers and rock classics along with some original works. They combined their talents to produce their own original sound.

Love at Highlands, as at any other school, is something very special to the students. It is something that is shared and cherished by the parties involved. It is having that special someone to think about the future with, to share a locker with, or to help you study.

Fashion '72: The Long And Short Of It

As the years go by, many changes take place in the field of fashion. This year there are many popular styles and even though they differ, all of them are well-liked by the people today. For girls, there are the feminine maxi's and stylish midi's, along with the already popular mini's. The hot pants and boots are worn by many females all year round. For the males, double knit pants have become very well-liked, but jeans are still dominantly worn on the fashion conscious campus. Western wear is still fashionable with both the males and the females.

Bottom: Paul Morrison sings Jeanie Balzen a western song as they pose in western outfits worn by many students at HHS. Left: Marilyn Raven looks very stylish in her boots and midi—one of the many styles seen around Highlands this year.

Above: Debbie Lloyd and Tommy Callender show the regular dress of jeans around school. Left: Freda Green and Oscar Montelongo look very stylish in their Sunday's best. Below: Ruth Stanush and David Strange look comfortable in their casual clothes as they walk down the stairs and converse with each other.

HHS Students Achieving, Creating,

Involvement is a key word among many of the students here at Highlands. Whether it concerns sports, class or club activities, or academics, the students are always there carrying their share of the work load. Not only do the students get involved, but through their efforts they receive recognition and many honors.

Left: Rueben McClain, a member of the Highlands' track team, displays his agility as he jumps over the bar. Below: Wayne Williams proudly shows his fellow senior class officers the confirmation of his \$1,000 scholarship.

And Participating

"Hair" 1971-72

Hair fashions for 1971-72 have made a tremendous change. The styles have gone from long, straight hair for girls, to layers of curls. For other girls the Afro look is very becoming. The Afro Puffs have become very popular among our black students and are styled for the times. For boys the long look is still "in" and for certain students the styled look is becoming a new thing. The Afro is not only suited for girls but for boys as well. Hair fashions have made a tremendous change and they will continue to change each year.

Hustle And Bustle In The Halls

From early in the morning until late in the afternoon, the halls of Highlands always seem to be crowded. A person walking down the hall, going from class to class, can see many faces and personalities. One can see couples in love, people rushing from class to class, friends talking and teachers watching it all in awe! As the student body at Highlands has increased in number, so have the problems in the halls, but also, and most important, so have friendships.

McCord And Milner Speak At Highlands On Alcohol Problem

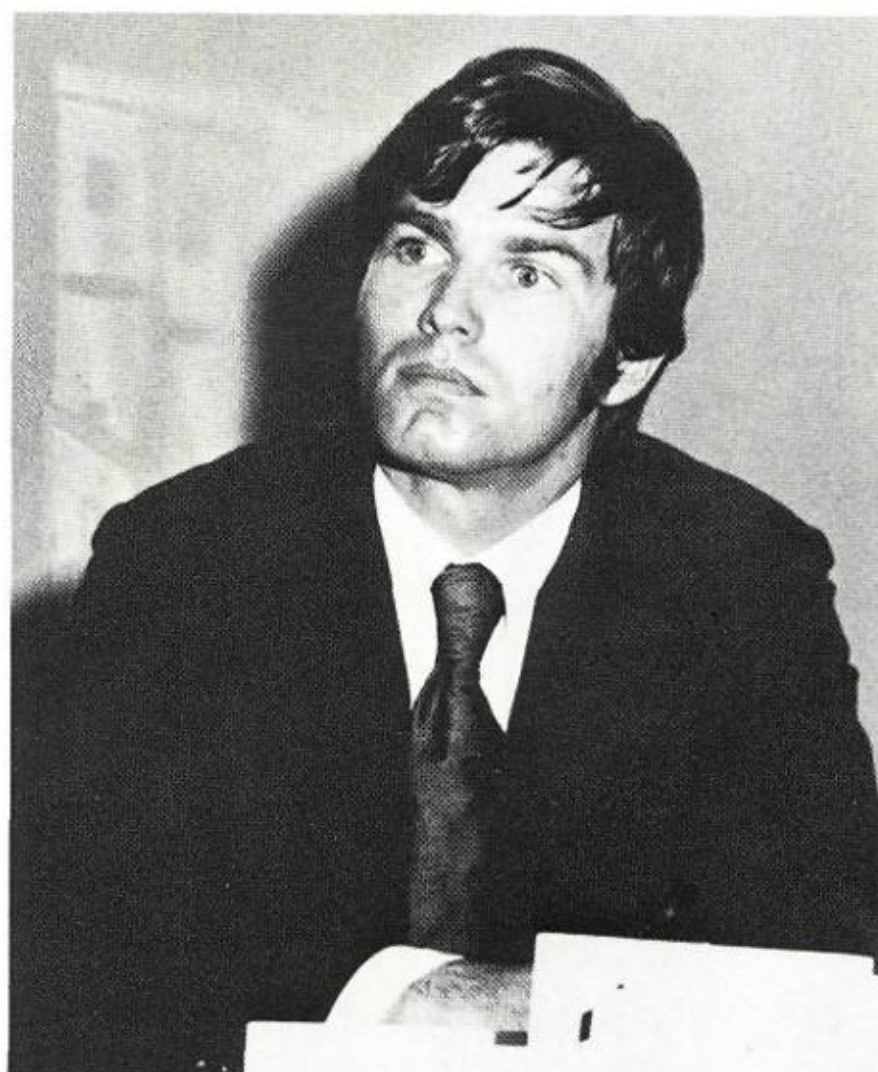

In April of this year, Highlands students were allowed to hear a panel and open discussion which featured the stars of Adam-12, Kent McCord and Martin Milner. The purpose of this program, according to Ken Langdon, head of the Alcohol Safety Action Projects was to "find a solution to the problem of the drunk driver." Highlands was the only school in San Antonio to hear this presentation. McCord and Milner made Highlands students more aware of the serious alcohol problem America has today.

Enthusiasm surrounds the class of '72. During the beginning of the year much time was spent on planning and organizing. Many activities were scheduled in 1972. The Christmas dance with the music of "Omega" was held on December 18. February 14-18 was declared Senior Spirit Week with February 15 marking 72 days until graduation.

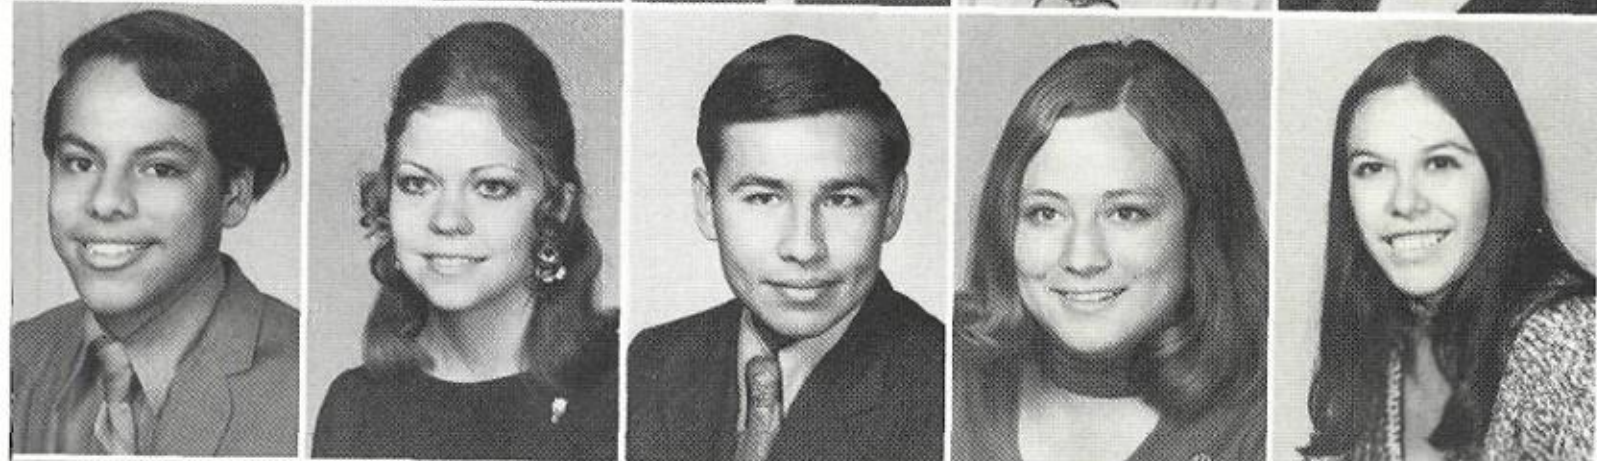

The Royal Jesters furnished the music for the Junior-Senior Prom on April 14. Raymond Russell Park was the site for the picnic held May 1. A farewell party was on May 19. The first annual baccalaureate service to be held at HHS was on May 21. Though the work was long and

The World Of '72

The Senior Class Representatives are that body of students who coordinate, formulate, and carry out the ideas of the Class of '72. The members combine their efforts to insure the success of each project. The representatives act as messengers to their advisories as they relate the items discussed during the meetings.

When Seniors find time to have some laughs they come up with some of the wackiest ideas! Bill Charmartin and Tim Welch came up with the above idea. With Bill in his Camaro and Tim on his ten-speed bike they staged a "Wacky Race". So guess who won!?

Senioritis!

SENIORITIS is the "disease" which strikes all Seniors. Like others, Patrice Williams is active in class at the beginning of the school year. As the year progresses, so does the "ailment." The later stage of the "disease" is accompanied with such symptoms as sleeping in class and acute absenteeism. What is the cure for this "sickness"? Graduation!

Leading To Unity . . .

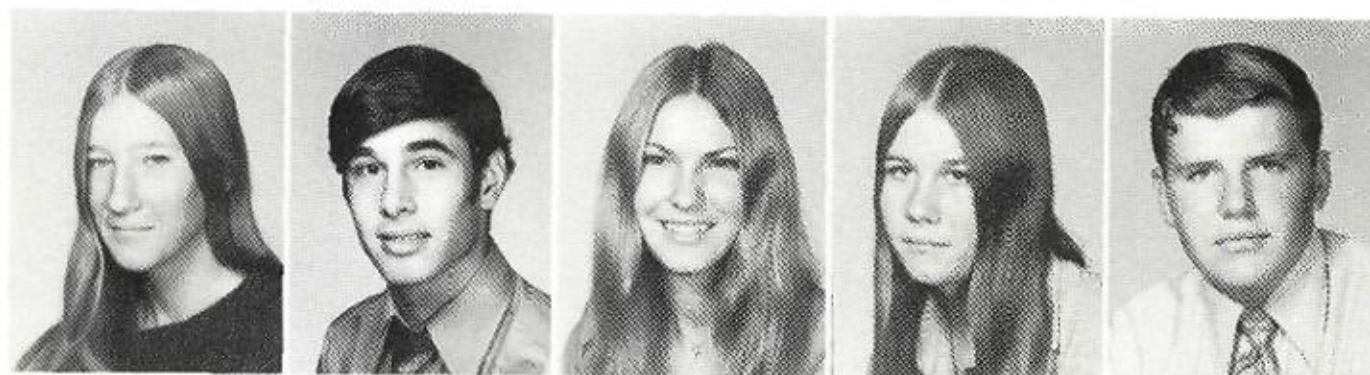

Top: The officers the Junior Class of 1972 are: (left to right) Beverly Jackson, chaplain; Judy Cox, secretary; James Tucker, sgt.-at-arms; Jo Ann Martinez, parliamentarian; Larry Robey, vice-president; Susan Jordan, historian; Mary Jo Nichols, treasurer; Steve Wilkes, president. Bottom: Steve Wilkes awards Betty Schier the first place Baby Picture Money Packet as fellow officers Mary Jo Nichols, Judy Cox, Susan Jordan, James Tucker, and Beverly Jackson look on.

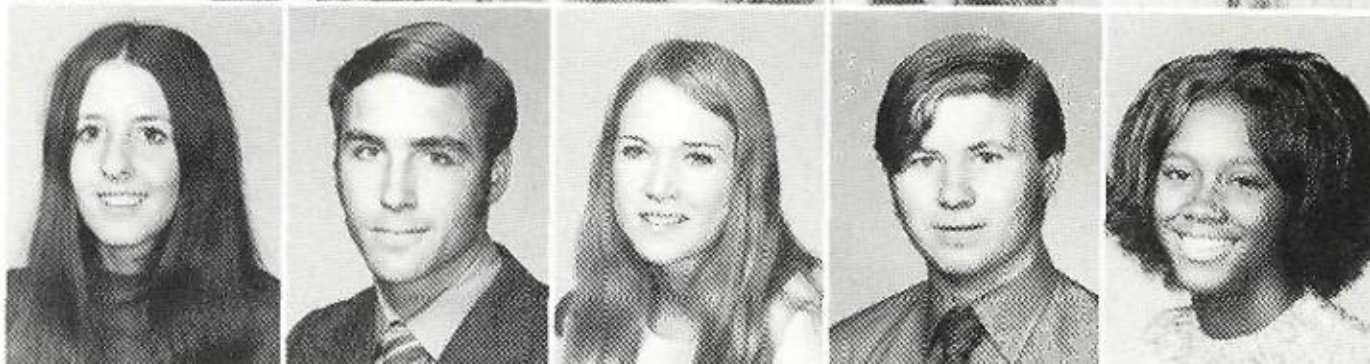

Being a middle classman here at Highlands means many things to the Junior Class of 1972. If asked exactly what it means to them, a few of them would say it means just one more year before graduation, others would say it means a lot of good times with beautiful memories and many more to come, but the majority of the Junior Class would say it means the beginning of awareness—a sense of pride within one's self and one's surroundings, loyalty to friends that have been made and who will always be remembered, and the bursting out of inner spirit which longs to be set free.

The Junior Class of 1972 is exactly what it appears to be; a class which rates high in spirit, pride, loyalty, and a class which has tried hard to be the best in the history of Highlands. It takes determination, to do the things that the Juniors have done and also to accomplish the things which they have accomplished during the 1971-72 school year. During this time, they have participated in activities such as a "Decorate Your Car Contest", a class carnival, a baby picture contest, a class picnic, and the most beautiful activity of all; the Junior-Senior Prom.

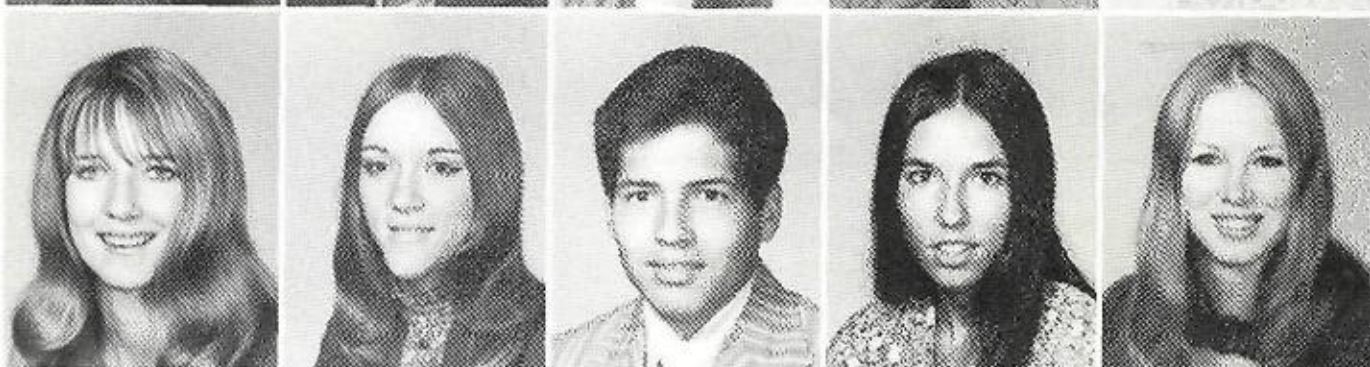

With the passing school year behind them, the Junior Class realized that the long awaited year, 1973, was soon to come. As the Seniors 1972 walked across the stage graduation night, the Juniors turned their attention to a new school year, during which they would no longer be the Junior Class of '72, but the SENIOR CLASS OF 1973.

RECIPE FOR A SUCCESSFUL YEAR

Take time to work—it is the price of success.

Take time to think—it is the source of power.

Take time to play—it is the secret of perpetual youth.

Take time to read—it is the foundation of wisdom.

Take time to worship—it is the highway to reverence.

Take time to be friendly—it is the road to happiness.

Take time to dream—it is the hitching our wagon to a star.

Take time to love and be loved—it is the privilege of God.

SOPHOMORES

Starting A Year Of Fun . . .

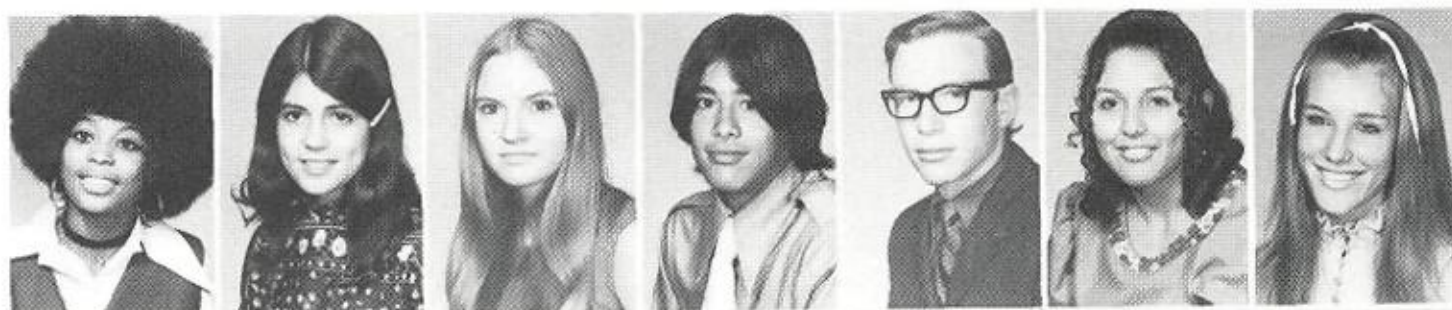

The Sophomore Class of 1972 experienced the dawning of ideas, responsibilities, and the awareness of maturity. As part of the student body of H.H.S., the Sophomores came to realize what pride really meant. Pride was the feeling of winning their first football game, attending social activities with old friends and new, and being able to walk down the halls of Highlands and feel a sense of belonging.

The Class of 1974 participated in activities such as the Co-ed Volleyball Game, the Amateur Talent Contest, and the Sophomore Class Picnic. These activities along with all the smiles and tears will long be remembered as the start of the greatest senior class ever!

The Sophomore officers are: Front row: Alan Burton, sgt-at-arms. Second row: Connie White, vice president; Diane Leishsing, sgt-at-arms. Third row: Pattie Garcia, reporter; Carol Myers, sgt-at-arms. Fourth row: Kym Krauss, treasurer; Mrs. Martin, sponsor; Nita Washington, president; and Terri Hill, secretary.

The other Sophomore officers are: (left to right) Roy Davis, parliamentarian; Andrea Shelton, chaplain; and Jeff Moczygemba, sgt-at-arms.

The Many Facets Of Sophomore Life

FRESHMEN

Freshmen Show Talent

That slow turtle-like passing of time before graduation seems like an eternity to many Freshmen, but this eternity quickly fades away when they realize that their class—the Senior Class of '75 will soon come into being. In the next three years, many new thoughts, opinions, strengths, and weaknesses will be formed. The Freshman year is a beginning—a time to seek answers to many questions and a period to fulfill dreams for the future.

Because the size of the Freshman Class is a fraction of other classes at Highlands, the freshmen joined with the Sophomore Class in all of their activities and programs. As a result, all Freshmen looked forward to the time when they could hold their own class meetings, dances, picnics, and socials. Surely the Freshman Class is well on the way to becoming an outstanding Senior Class.

Football '72 Style . . .

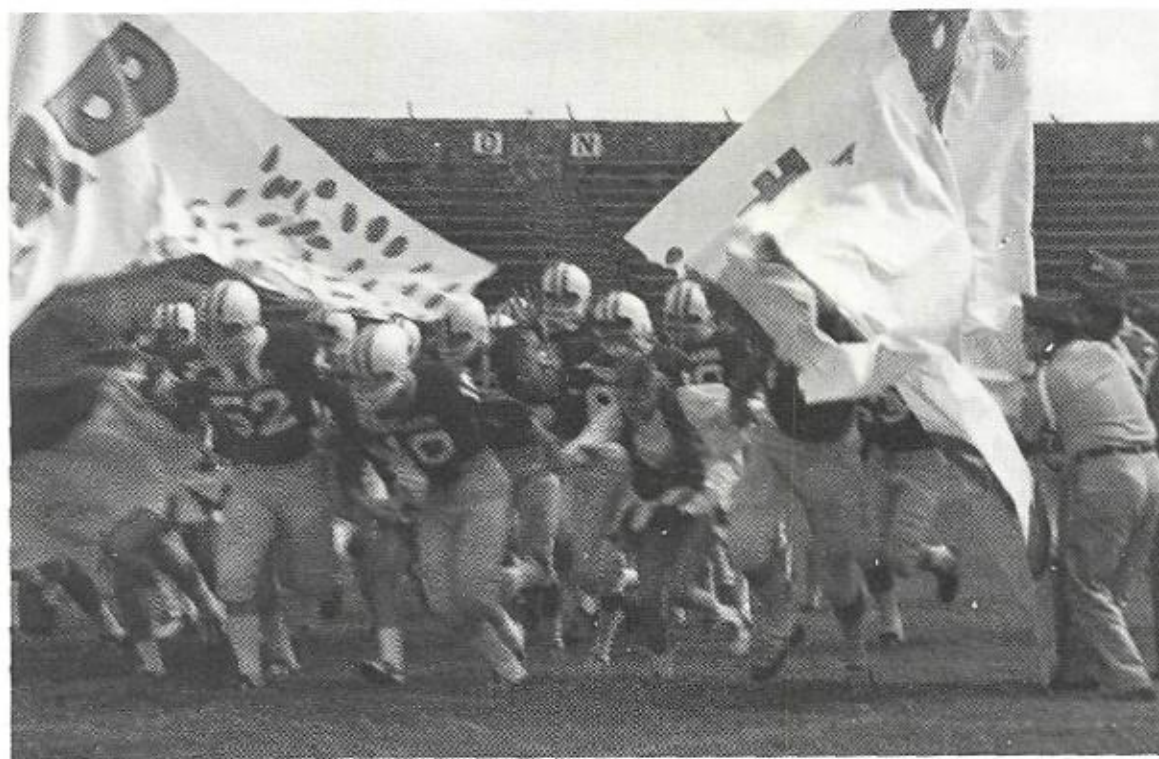

The Highlands Owls football team got off to a good start and went on to post a classy 6-1-1 record in the District 30-AAAA race and a 7-2-1 standing for the season.

Coached by Paul Martin, who piloted his team to an 8-2 campaign the previous season, the district loss to the Sam Houston Cherokees, the district champions.

Despite victories over strong contenders such as district-defending McCollum and Corpus Christi Ray, the heavily-favored Owls failed to score against Edison, settling for a 0-0 deadlock.

Owls Charge From All Directions!

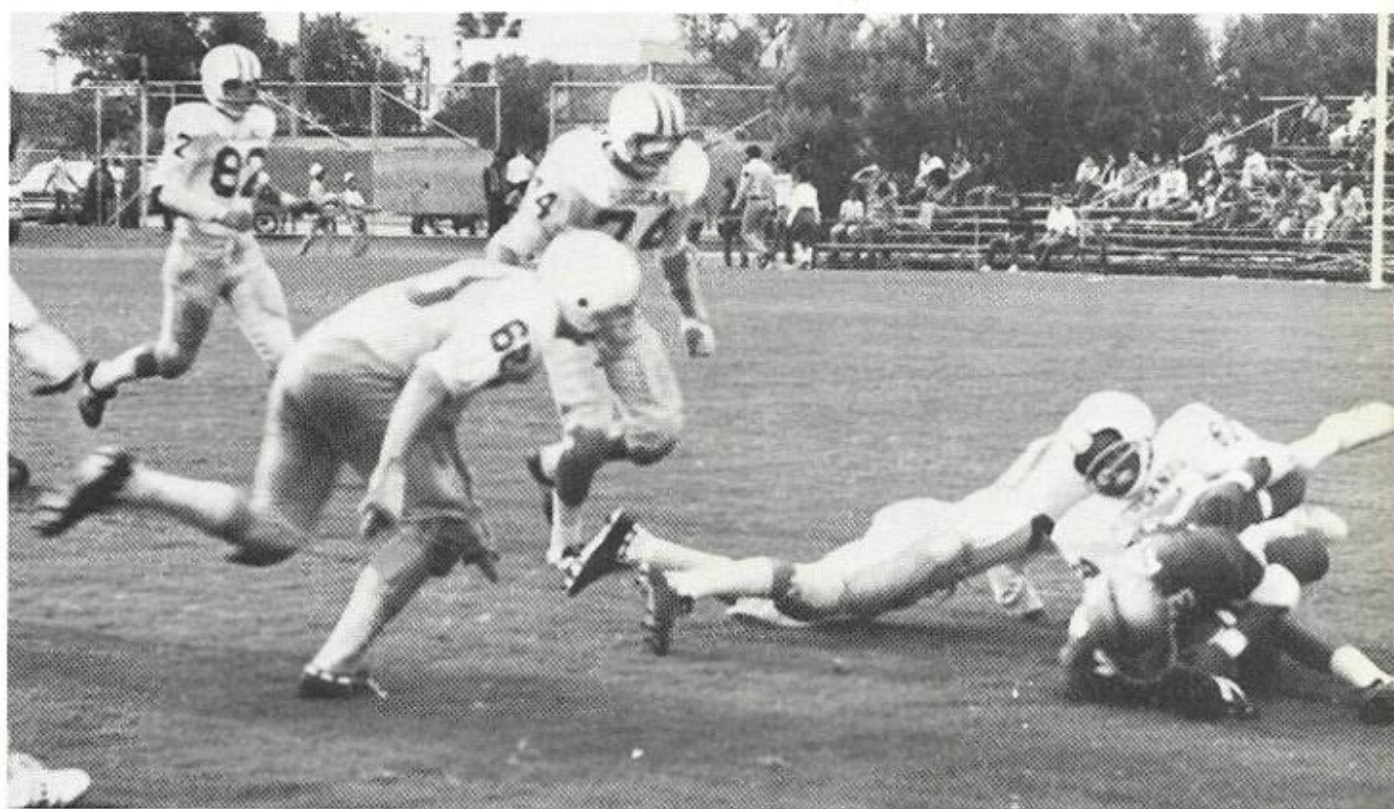

Owls Win 2 Lose 1 In Non-District Play

The Owl eleven took off to a fast start in non-district play by posting a 2-1 record.

The first victory came on a rainy night where the Owls surprised favored Ray 9-7. Scoring for the Owls was hard as David Hill hauled in a 33 yard pass from Wallace Humphrey after Ray scored first. With 38 seconds remaining in the first quarter Highlands took the lead with a 25 yard field goal by Charles Fralix, which was followed by three scoreless quarters.

The Owls then faced rival Jefferson in an offensive show, which Highlands won 22-15. The Owls ground game rolled

up 275 yards to Jeff's 131. Paul Hopkins was the leading rusher for the game with 101 yards.

Journeying to Corpus, the Owls faced revenge minded Corpus Christi Moody in a hard throbbing offensive fireworks show which Moody won 20-18.

Despite scoring 3 touchdowns, one by Paul Hopkins, and one by Wallace Humphrey. The Owls couldn't convert the PAT's, which was the margin of defeat for the Owls.

Owls Beat Bobcats 28-15

The Highlands Owls achieved their third district 30 AAAA win with a victory over the South San Bobcats on October 1st. It was a hard fought game, with the Bobcats holding a 7-0 lead at the end of the first quarter. In the second quarter, the Owls exploded with two fifty-two yard scoring drives, and when the teams left the field for the half, the score was 14-7 in favor of Highlands. The third quarter saw the Owls capitalize on two pass interceptions and rack up fourteen more points, putting the game out of the reach of South San. The scrappy Bobcats however managed to score a touchdown with 10:10 remaining in the final quarter making the final score 28-15.

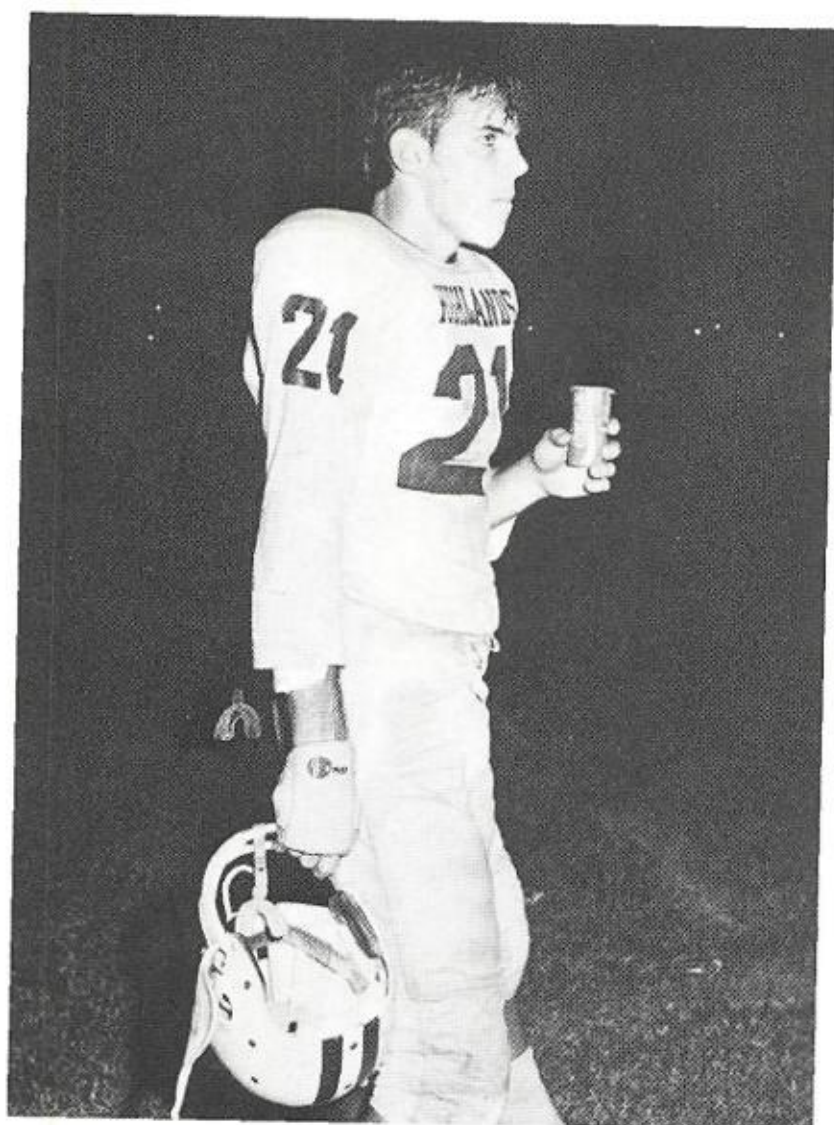

Number 40, Paul Hopkins, seems to be looking around for the action as Highlands beat South San 28-15.

Chic Fralix "barefoots" another extra point for the Owls.

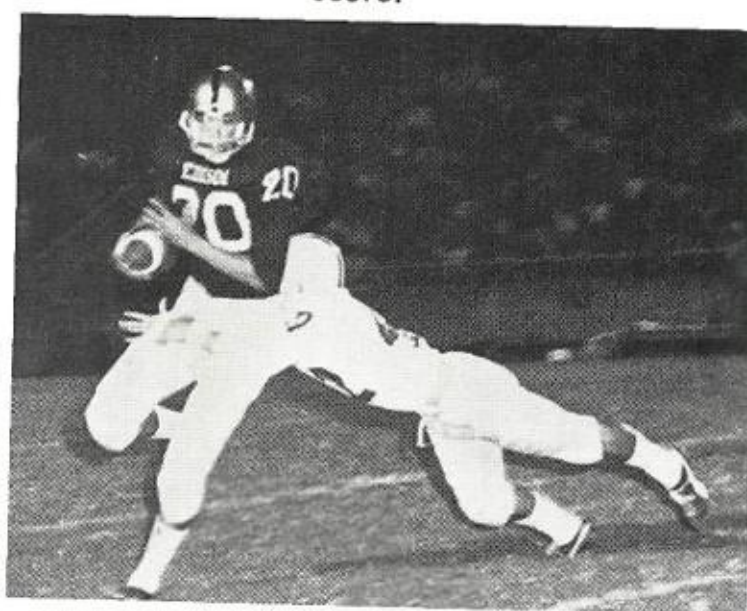

Owls, Bears Tie 0-0

Richard Van Buren takes a break and watches the action.

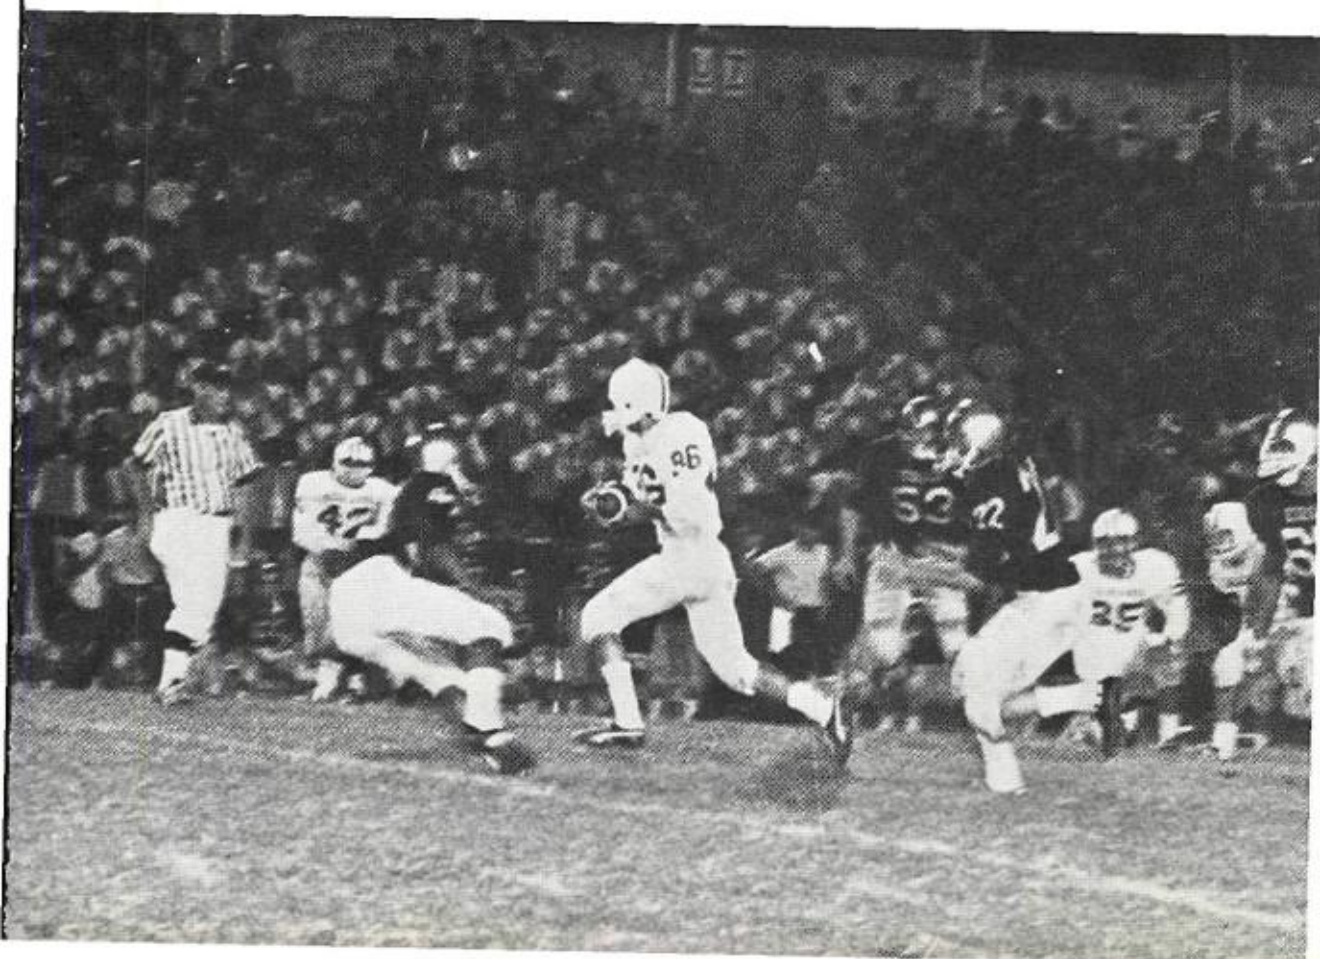

The heavily favored Highlands Owls collapsed as underdog Edison battled them to a 0-0 stand-off in a 30-AAAA district game.

It was an all-defensive grid battle before approximately 4,000 disappointed spectators who looked on as Edison recovered five Highlands fumbles, all in Owl territory. The Owls, however, kept the Golden Bears from capitalizing each time, and when the final gun went off, neither team had managed to score.

Highlands Routs Bulldogs

Junior Quarterback, Wallace Humphrey, added a spark to Highlands offense late in the second period and the Owls rolled to a 24-0 victory over Burbank. This game kept the Owls in the race for the District 30-AAAA championship. The Owls picked up the first three points in the first quarter from a placement made by Chick Fralix. Humphrey took his team 80 yards in eight plays for a third-period touchdown, scoring himself from the two. Highlands completed its scoring in the final period when Roy Sosa partially blocked a Burbank punt and Ronnie Colby picked up the ball on the Burbank 44 and ran it in for a touchdown.

Owls Fall To Cherokees

Highlands' Michael Jones closes in on a Cherokee ball carrier.

Highlands had some good surprises but couldn't avoid succumbing to Sam Houston as the Cherokees stalked a 45-12 victory.

The Owls had a 6-1 lead in the first period but the tribes' Greg Valdez tossed an aerial to Curtis Lighthouse and Vance Jackson for 28 and 26 yards. Jackson kicked the point and the tribe had it 16-6 at the half.

In the second half, Valdez went in from the 19 and Raymond Hawkins ran 44 yards for

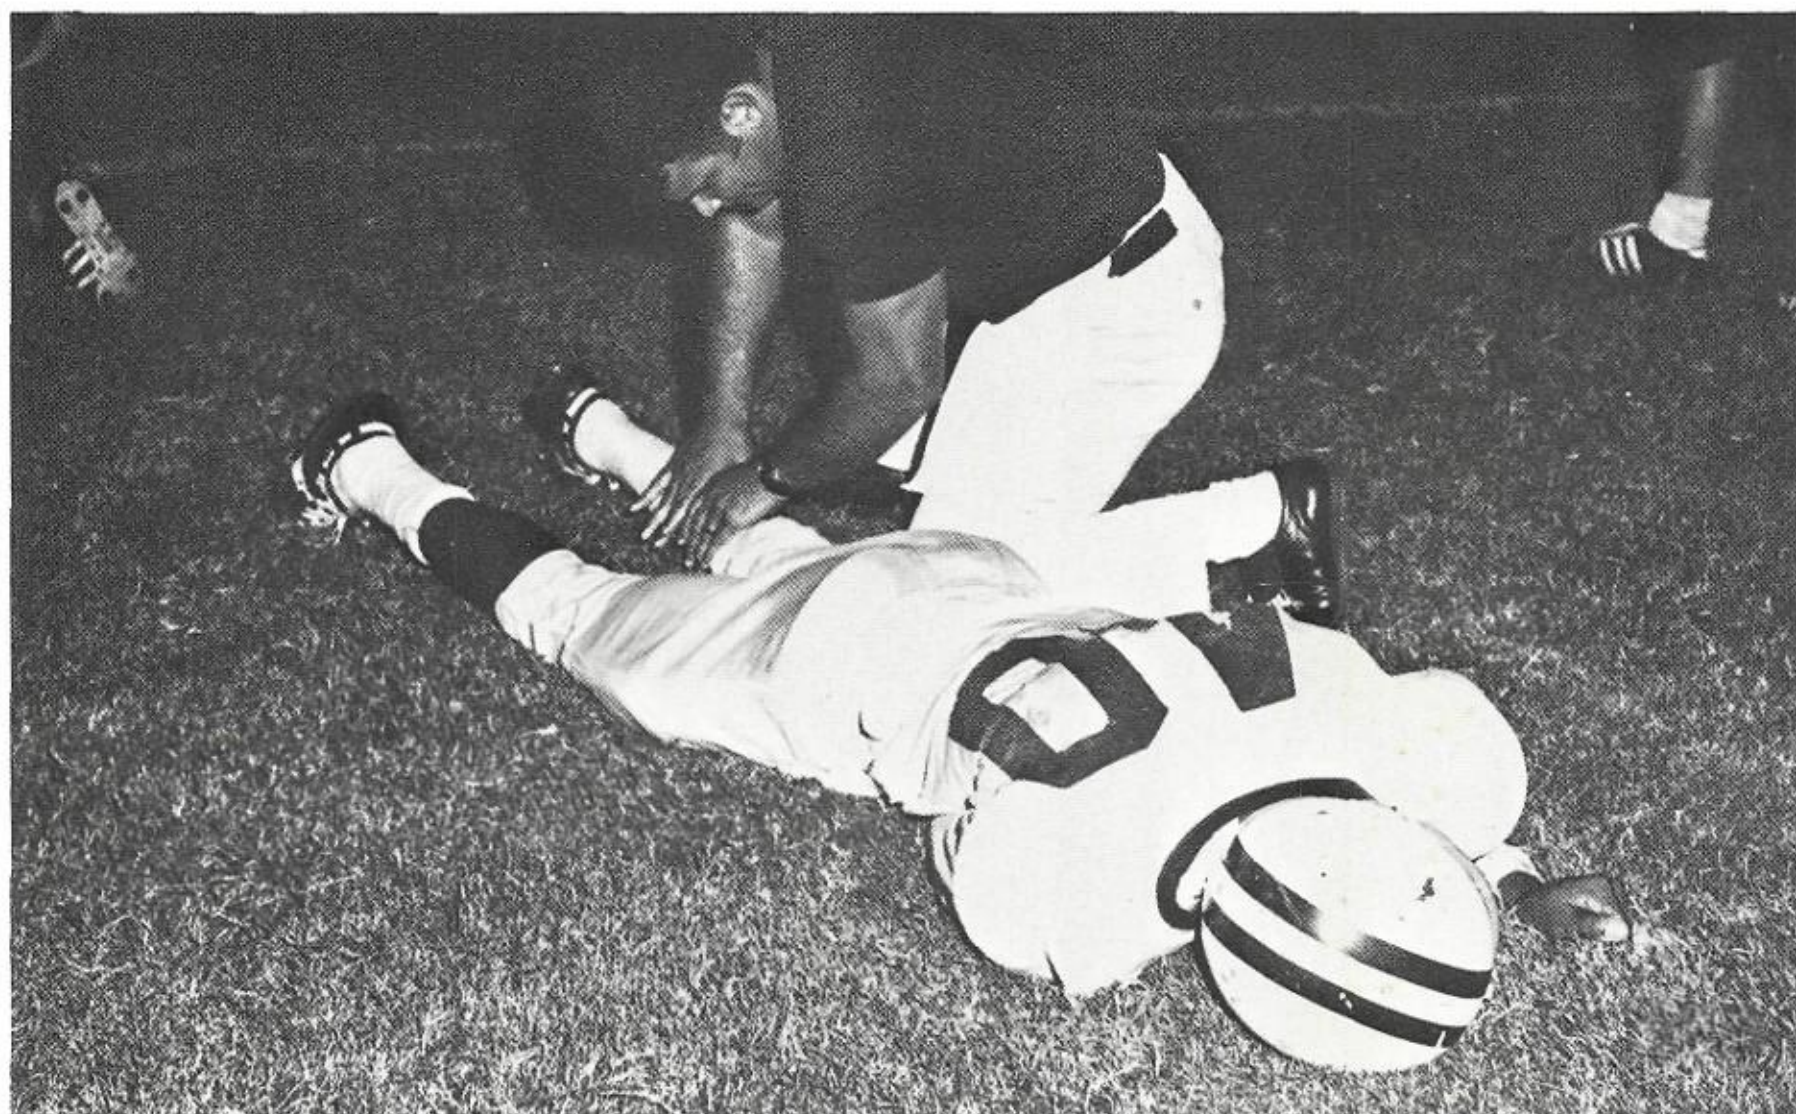

another score. TD conversions were good.

Ronald Mergle pounced on the pigskin in the end-zone for a six-pointer and David Millett scored his second TD on a 70 yard sweep.

Owls Slip By McCollum 22-21

Highlands' Owls upset McCollum 22-21 in a come-from-behind thriller at Harlandale Memorial Stadium.

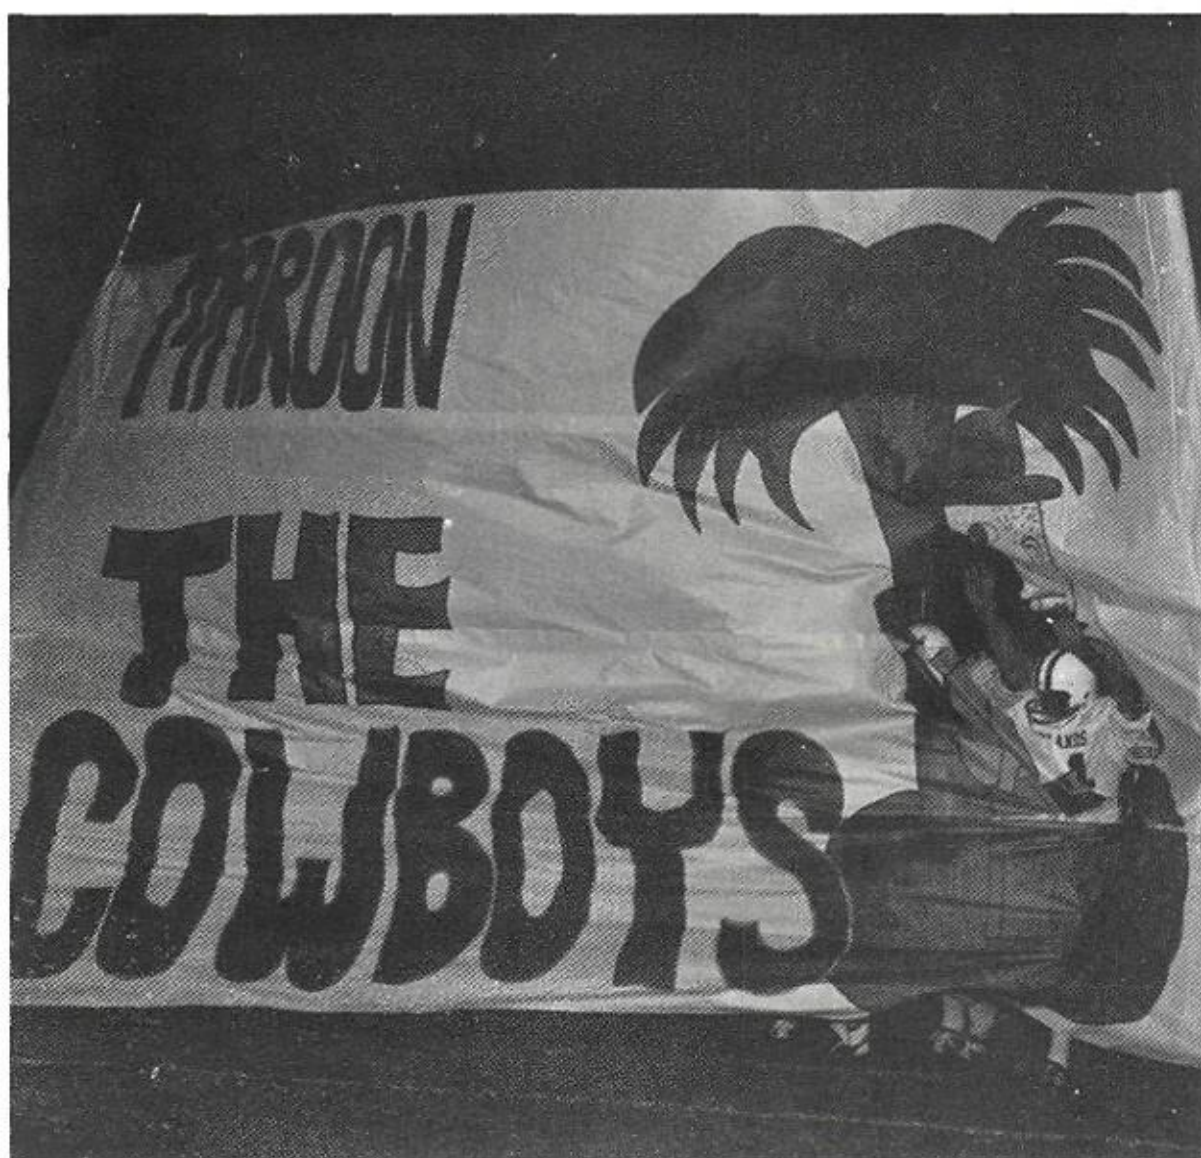

The Owls turned a 13-0 deficit into a 14-13 lead, after Wallace Humphrey tossed a 58 yarder to Bobby Snyder and Charles Fralix toed the extra point. Fullback Ronnie Colby scored the other touchdown just prior to the halftime.

The cowboys' Herb Radicke scored on a one yard keeper and tossed to Frank Villalpando for the two points.

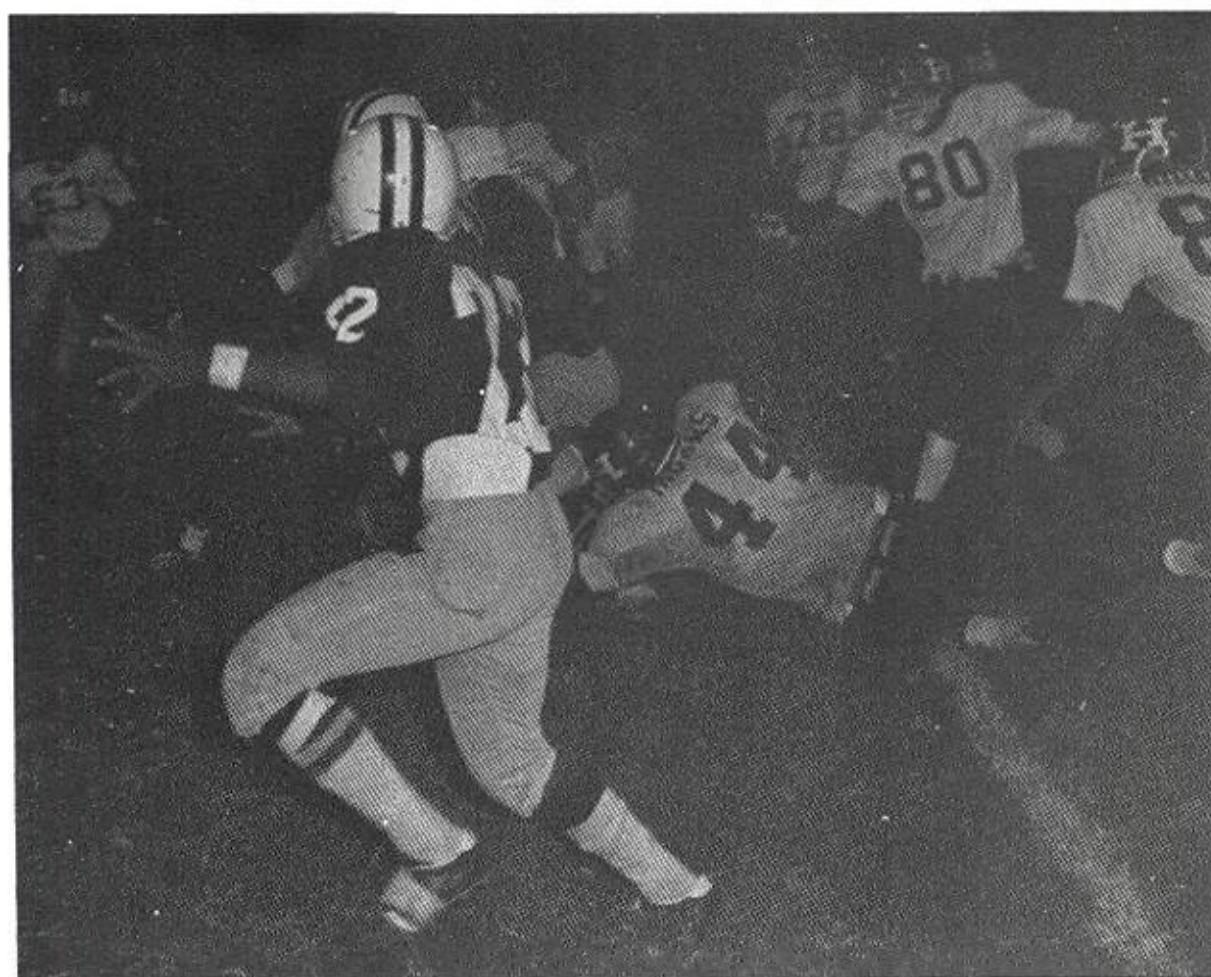

Snyder scored on a 23 yard pass play with 6:30 remaining and James Arriola hauled in the two points that gave the Owls the one-point edge.

Above: Paul Hopkins shows that football means sacrificing physically as well as mentally.

Right: Highlands' Owls get off to an exciting start.

Owls Over Indians, 16-8

Wesley Zotz scored on a 40 yard touchdown pass and made a 34 yard interception run to pace the Owls' 16-8 win over Harlandale.

Zotz was brought down on the 14 after his steal and at that shot Charles Fralix booted a 27 field goal that made the score 10-0.

A few plays later, the Owls received the pigskin on the Indians' 35 and James Sanderson scored on a six yard run.

The winless Indians scored on a two yard reception by Alfred Longoria, who also scored the conversion with three seconds remaining in the game.

Top: Austin Bruno awaits action while Harlandale defenders make a tackle.

Bottom: Paul Hopkins is brought down for short yardage.

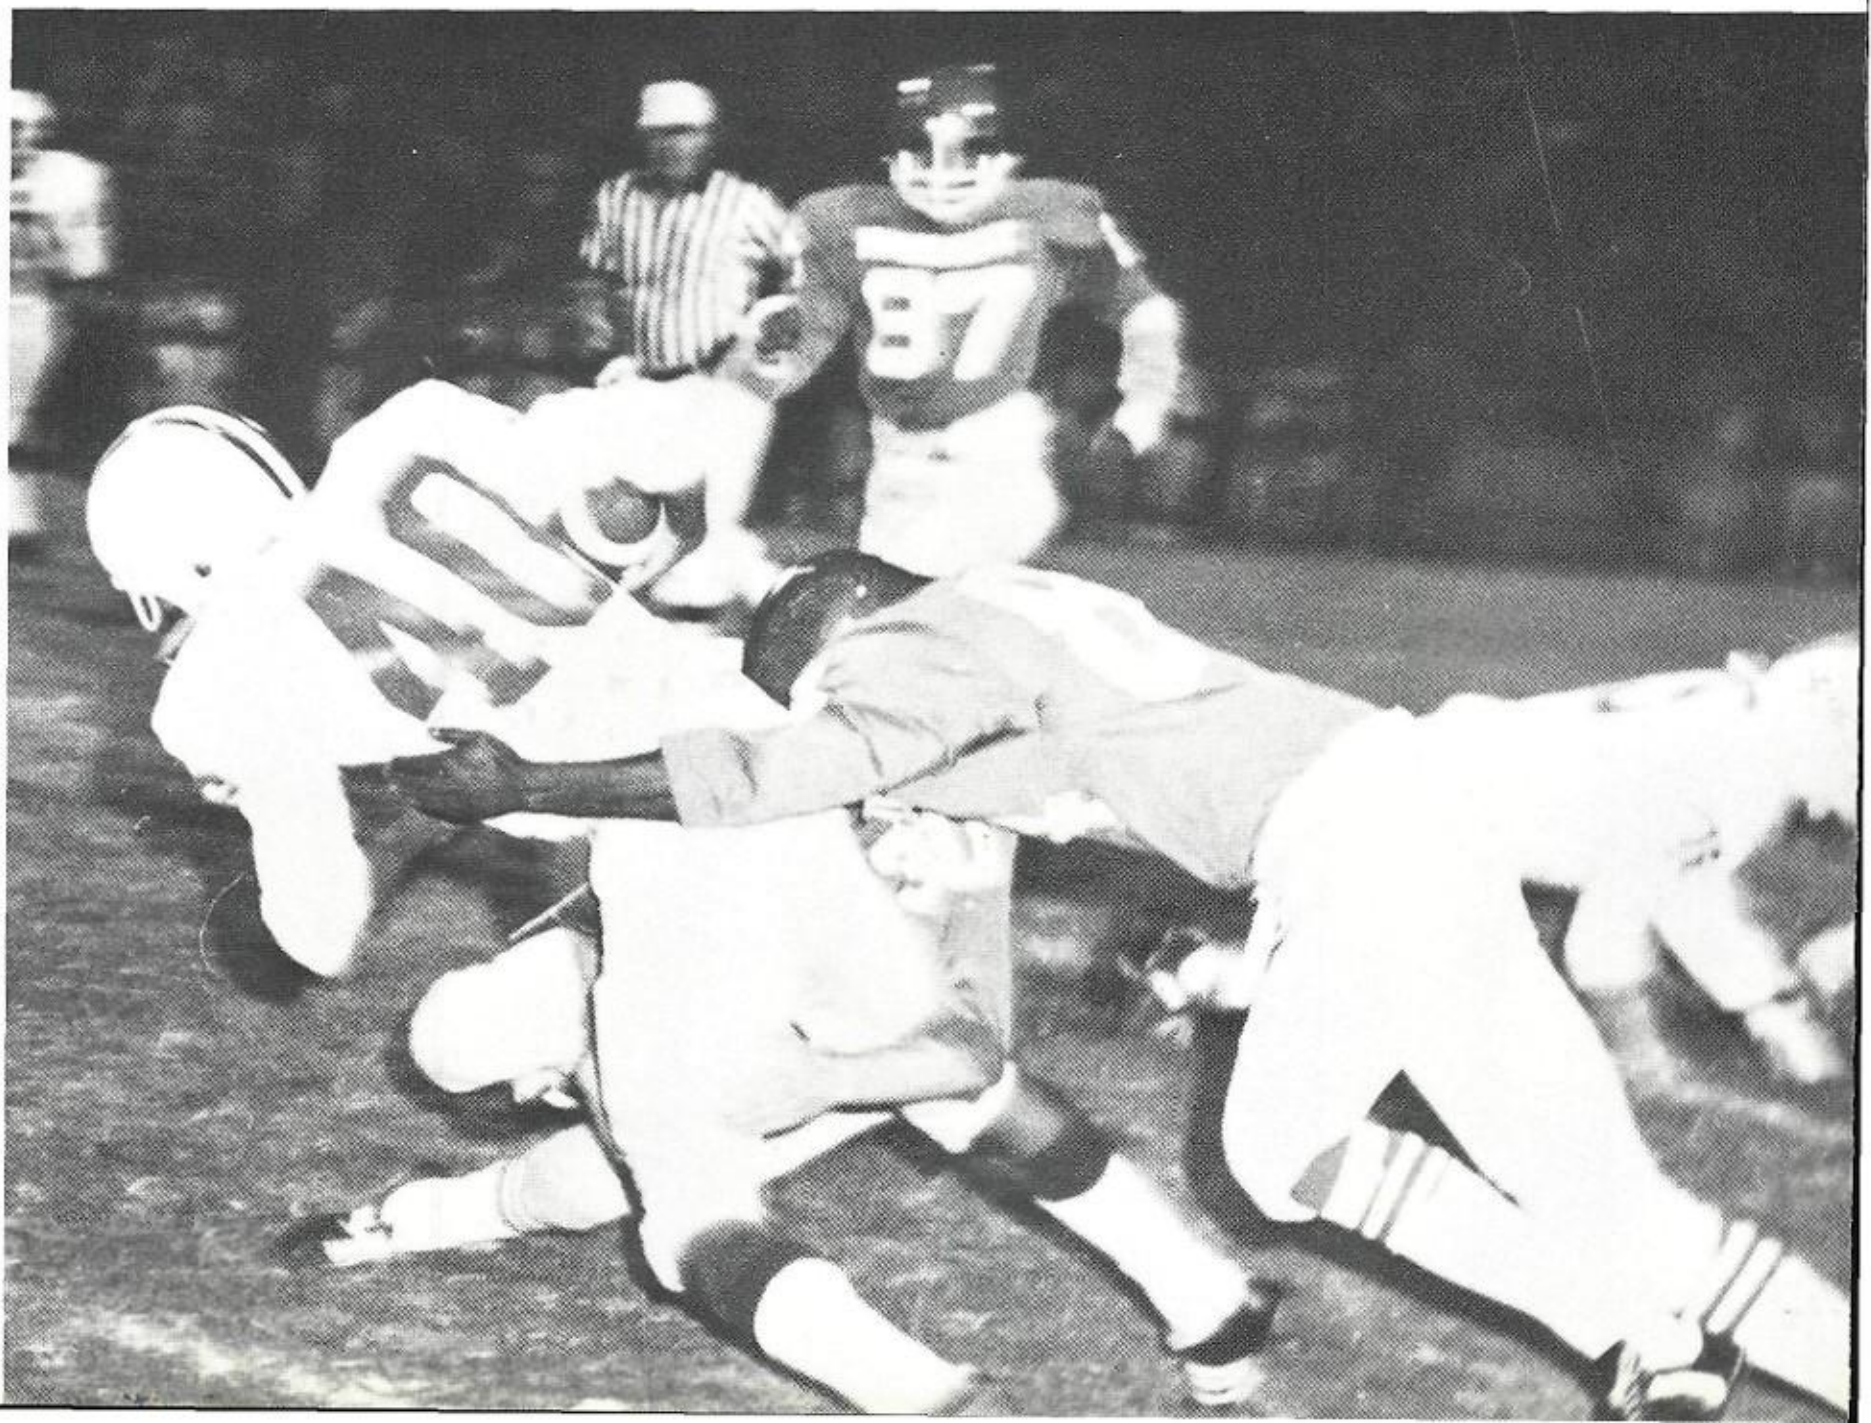

Owls Slip Past Brack

Wesley Zotz stole an Eagle pass with 15 seconds to play to assure Highlands' 10-9 win over Brackenridge. After a 9-7 Brack lead, Charles Fralix booted a 24-yard field goal with 3:28 remaining to put the Owls out front. Brack was first to score, sending Kevin Menefee in from the four. The Owls came back when Wallace Humphrey scored on a 13 yard run and Fralix kicked the point after.

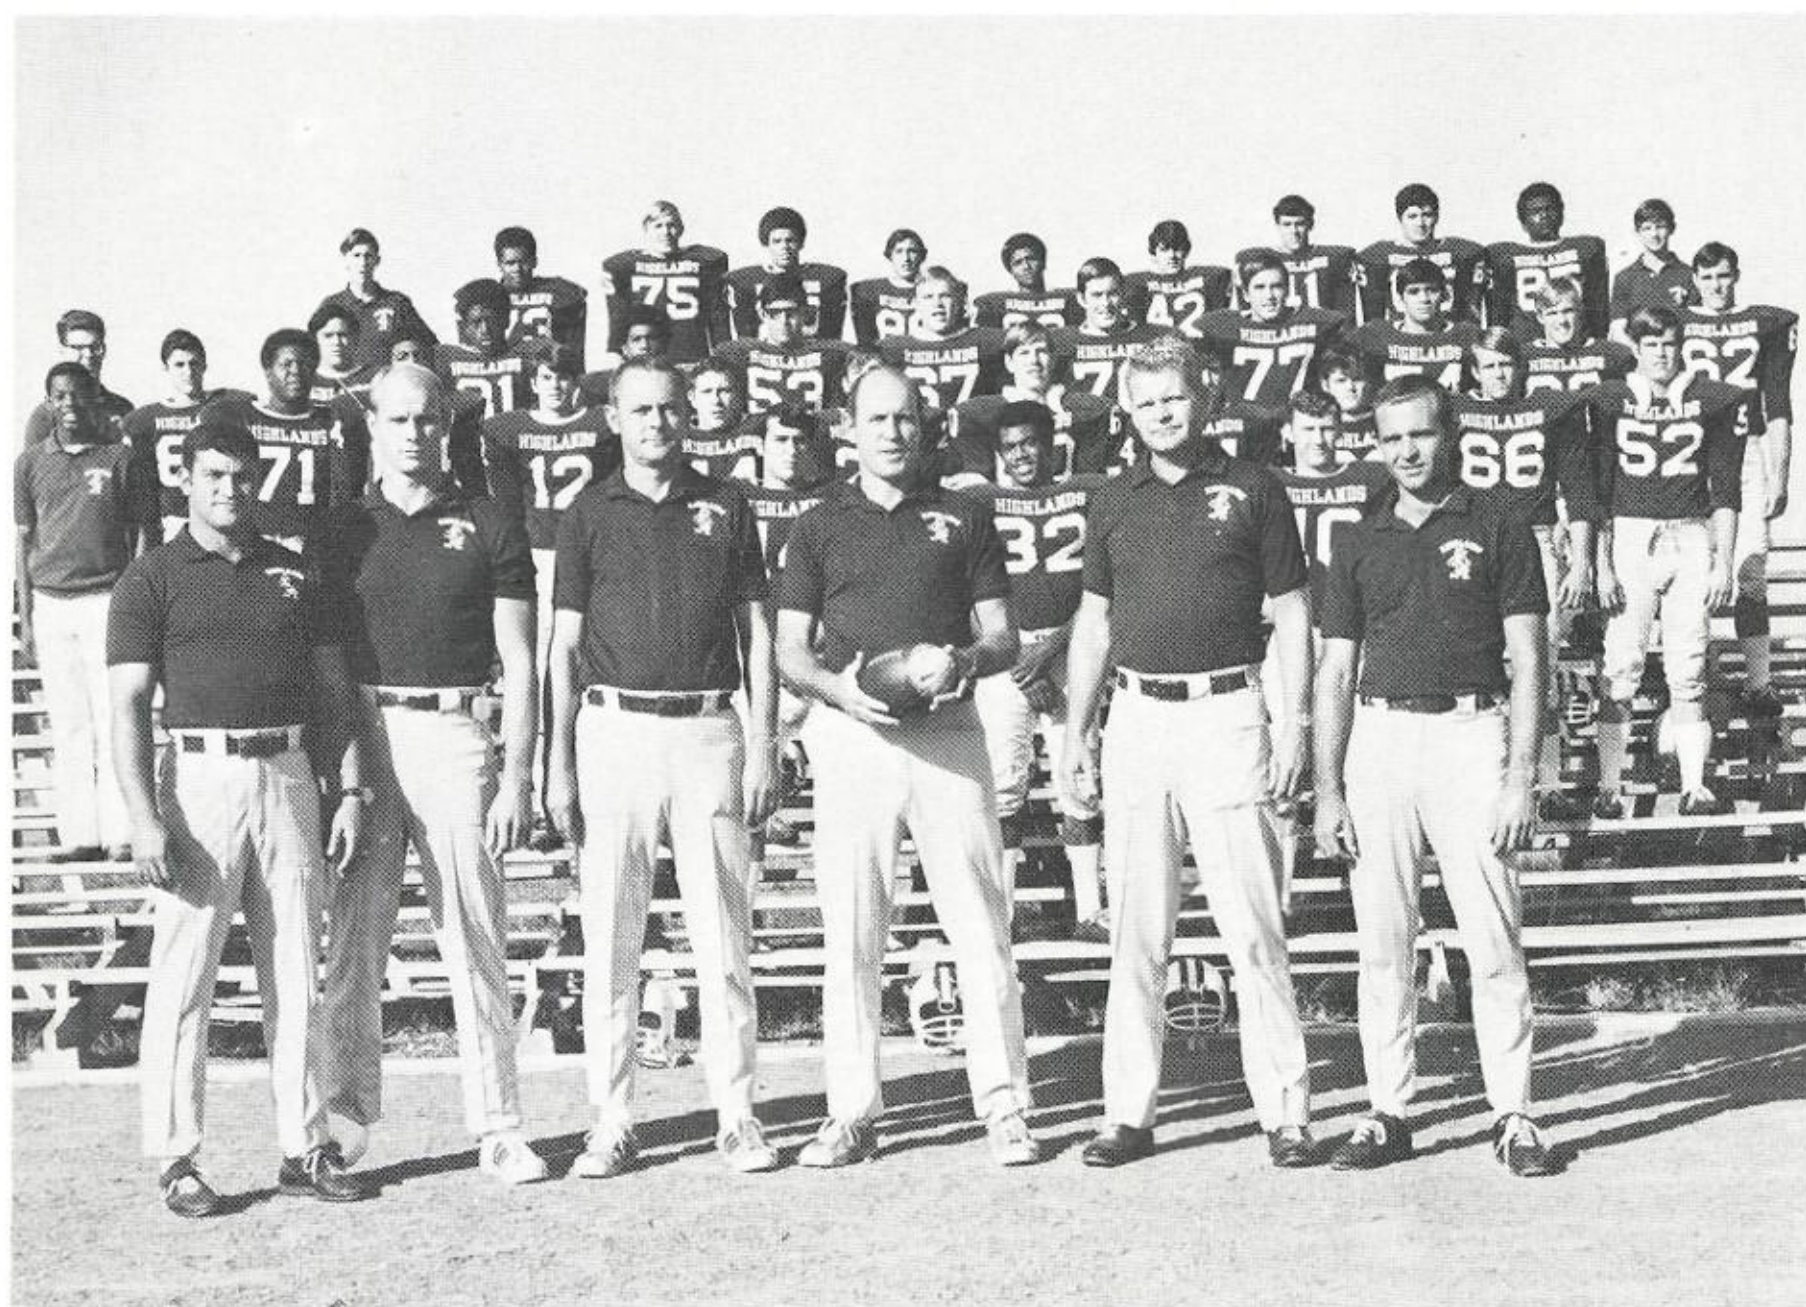

William Nelson booted a 34 yard field goal for Brack and Fralix toed the winning field goal.

Top: Wallace Humphrey is brought down by an Eagle defender.

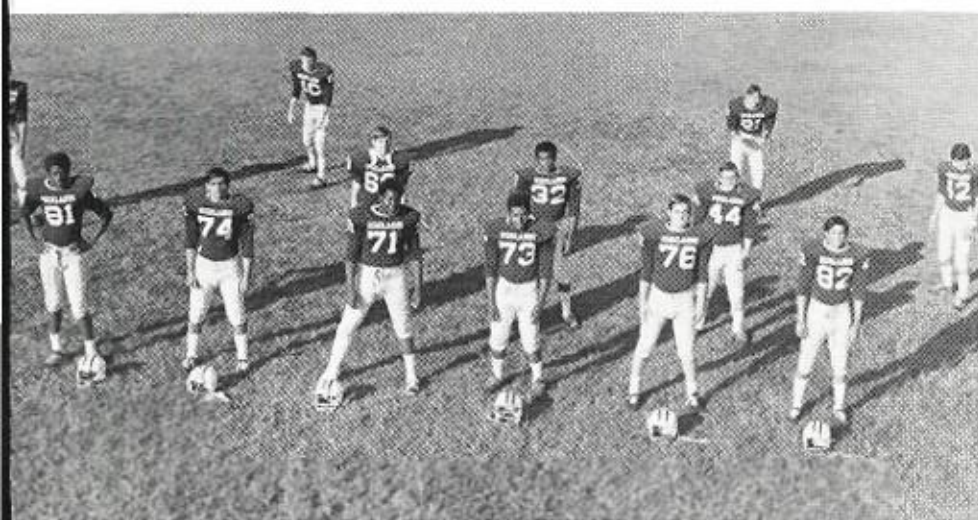

Bottom: Paul Hopkins tries for a second effort against Brack's defense.

Coaching Staff Provides Inspiration To Team

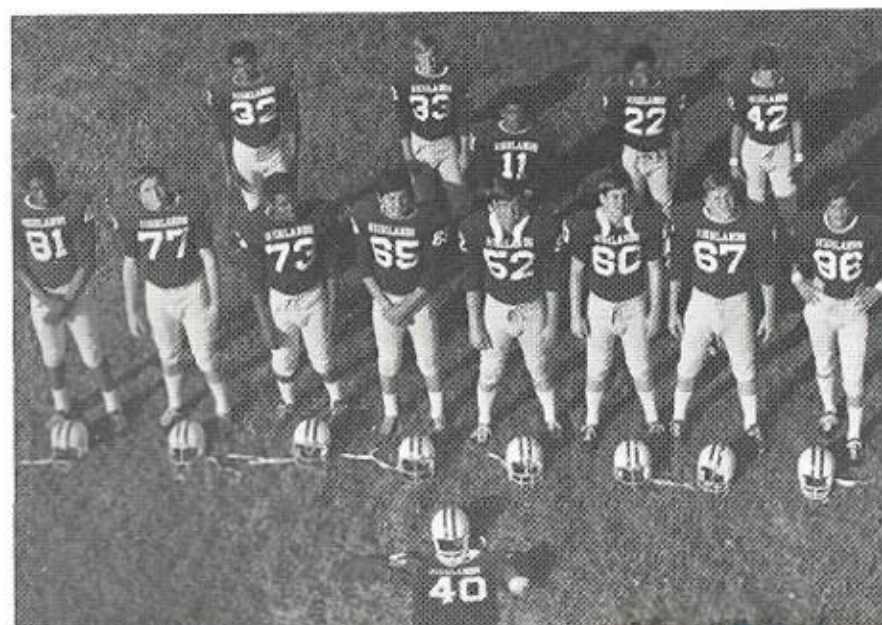

Football coaches standing left to right are: Lyman Davis, Tommy Blair, Tom Hensley, Paul Martin (head coach), Jack Price, and Eddie Phy.

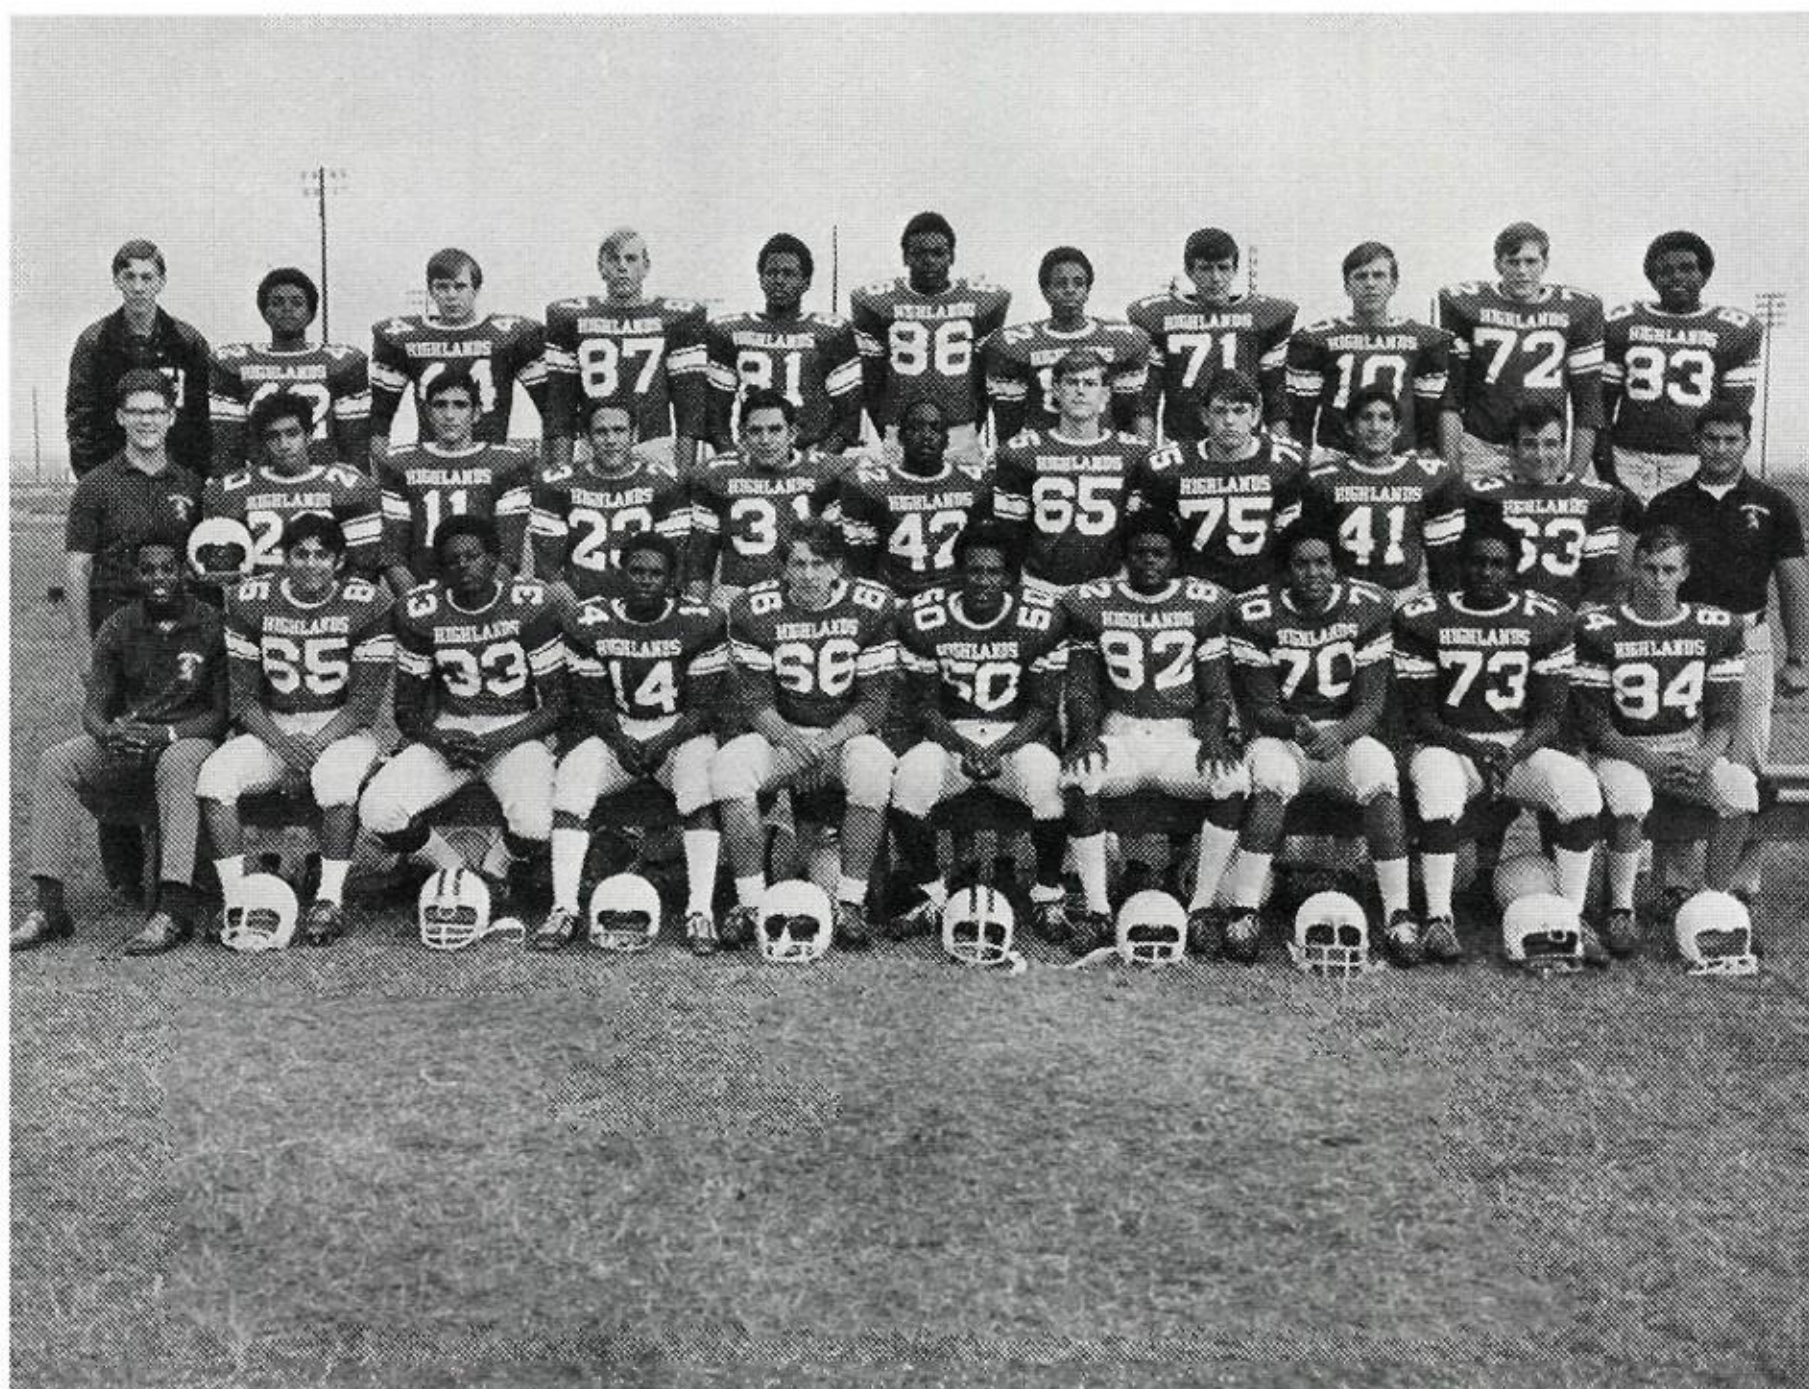

Members of the Owl defense pictured above are (left to right): David Hill, Herman Hernandez, Larry McFarland, Larry French, Cannon Farris, and Roy Sosa. Background: Michael Jones, Wesley Zatz, Glenn McCreless, Stephen Green, Ronnie Colby, Richard Van Buren, and James Arriola.

Members of the Owl offense pictured below are (left to right): David Hill, David Lemons, Larry French, Johnny Perez, Roy Davis, Glenn McCreless, Roy Moses, and Bobby Snyder. Background: Stephen Green, James Sanderson, Wallace Humphrey, Austin Bruno, and James Arriola.

Junior Varsity Has Successful Season

Junior Varsity team members are left to right, first row: manager Ivy Wilson, Damion Escalante, Paul Harris, Howard Parker, Maurice Ball, Tilman Green, Larry Becker, second row: manager Ronald Lewis, James Kneupper, Mike Trevino, James Romero, Chuck Johnson, Carl Gardley, Ray Temple, William Schroder, Jose Gonzales, Ivan Wilson, Coach Lyman Davis, third row: manager Richard Long, Alan Burton, Randy Ellis, Eddie Jahn, Mike Tucker, Julius Bowens, Sterling Alenn, Ronald Skinner, Roy Davis, Gayland Wagner, Henry McNeal.

The Junior-Varsity celebrated a successful season, after a slow beginning. Losses to Jefferson and Seguin, and a 0-0 tie with the Lanier Voks dampened the spirits of the J.V.'s at the beginning of the season but later victories encouraged them to finish the season admirably.

Coach Lyman Davis cites the main problem of the team as the coaches limited time. "We don't have the time we'd like to have to spend with them because we're busy a lot of times running our scouting reports for the varsity team.

Sophomore-Freshman Finish Good Year

Sophomore-Freshmen team members are left to right, first row: Mike Moore, Mike Ybarra, Joe Hernandez, James Thompson, Mike Rincon, George Sanchez, George Ynaga, Mike Jones, second row: Coach Phy, manager Ivy Wilson, Robert Flayd, Bryson Williams, Gerald Tristan, Rodney Robertson, Jimmy Bacon, Robert Ybarra, Robert Dear, Glen Baines, Randy Praker, third row: manager Ronald Lewis, Donald Suarez, Marco Gutierrez, Edward DeLaRosa, James Kidder, Ervin Sells, James Creech, Loy Thompson, Coach Blair, fourth row: manager Richard Long, Lawrence Romo, Miguel Martinez, Steven Seiler, James Robey, Martin Tyra, Ernest Araza, Kenneth Banks, James Pleasants, Robert Sanchez.

Highlands' Sophomore-Freshman football team has had an impressive campaign this year and the well balanced team has a 5-1 record.

The Owls were victorious over Twain, Hawthorne, Irving, Poe, Emerson, and Sam Houston. The lone loss came when the Owls were shutout by Rogers 12-0.

The Sophomore-Freshmen have the best victory string in the Owls' grid department and as Coach Gonzales put it, "some players are playing very well and will be likeable prospects for the varsity squad next year.

Owl Sophomore-Freshman Team To Provide Future Owl Gridiron Victories

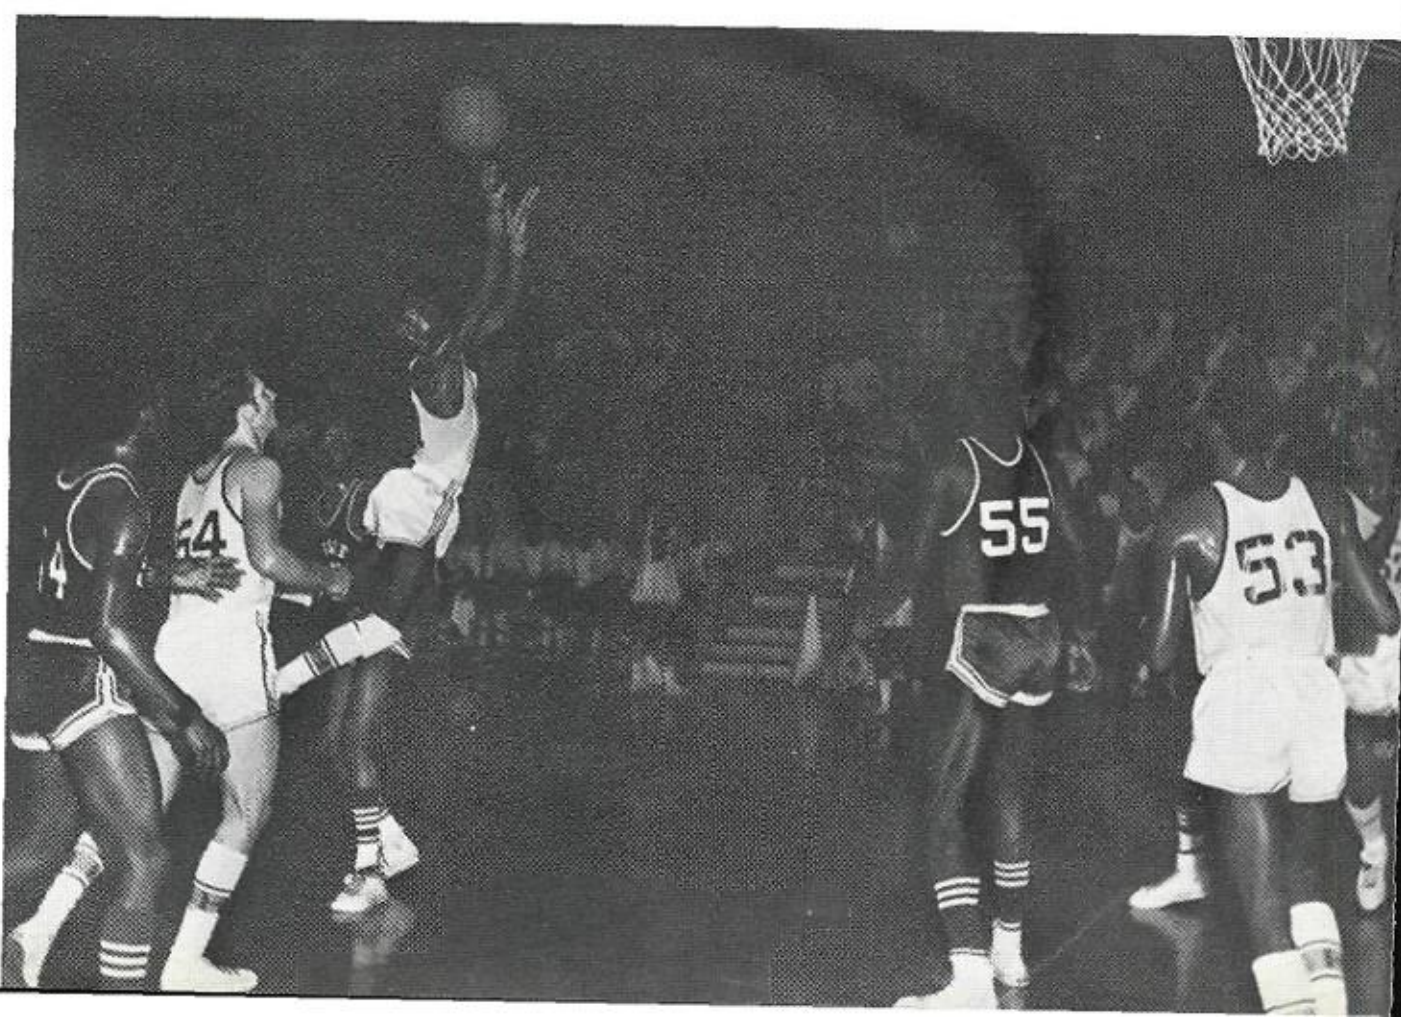

High Hopes During Pre-Season

The Jefferson Mustangs seemed to be Highlands' nemesis as the Owls fell to them twice in pre-season games and lost the playoff game of the San Antonio Invitational Tournament to the fired up "ponies." Even with these losses, the Owls managed to get the second place trophy in the San Antonio Invitational Tournament, and the Consolation Trophy in the Northeast Invitational Tournament. With these two trophies in hand, the Owls were in high hopes of going all the way to the district championship match.

Right: Wayne Long goes up for a rebound during a game with Jefferson.

Below: The Owls attempt two points against the Mustangs during the San Antonio Invitational Tournament.

Owls Post Classy 19-13 Record

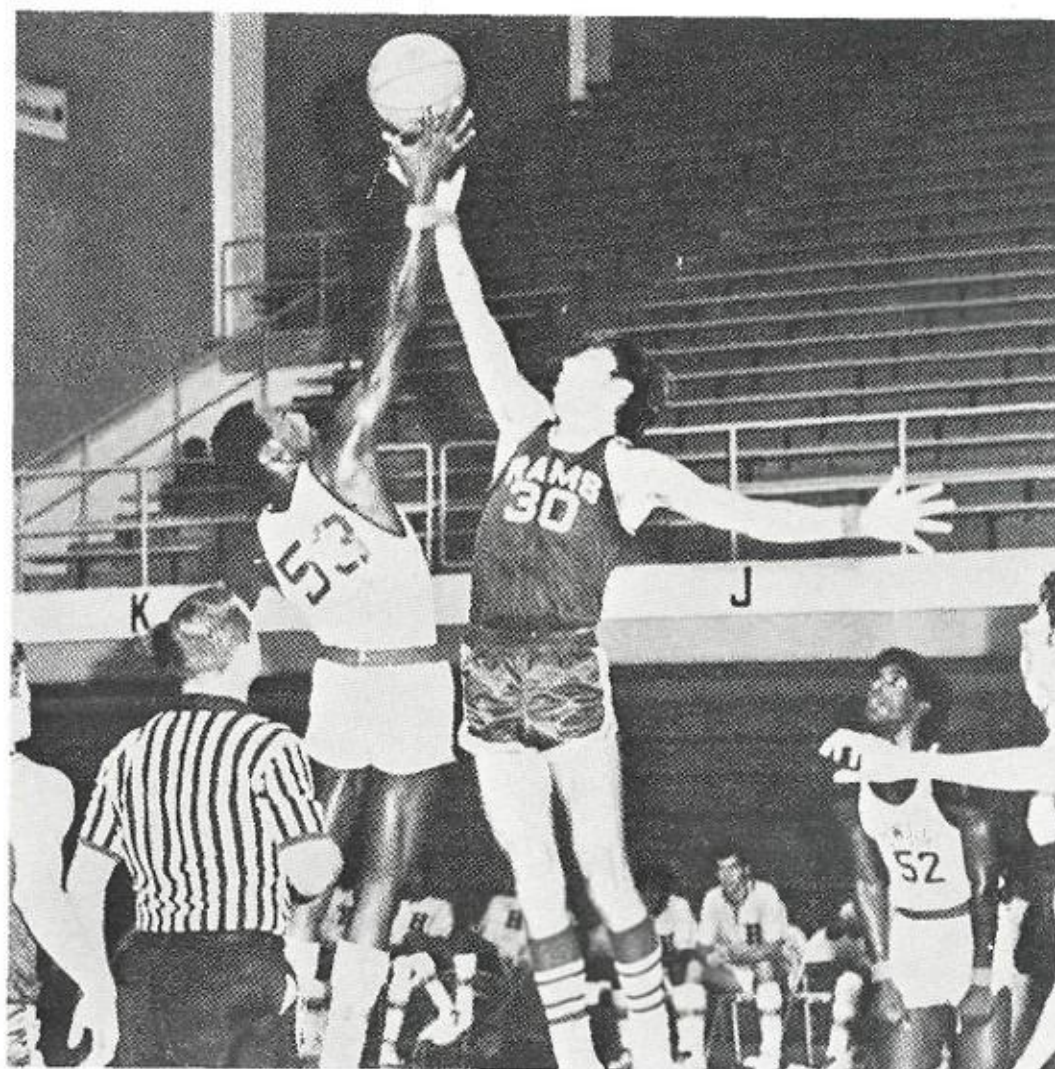

Despite early losses, Highlands' cagers made a late rally of four consecutive victories to stake a 19-13 season record.

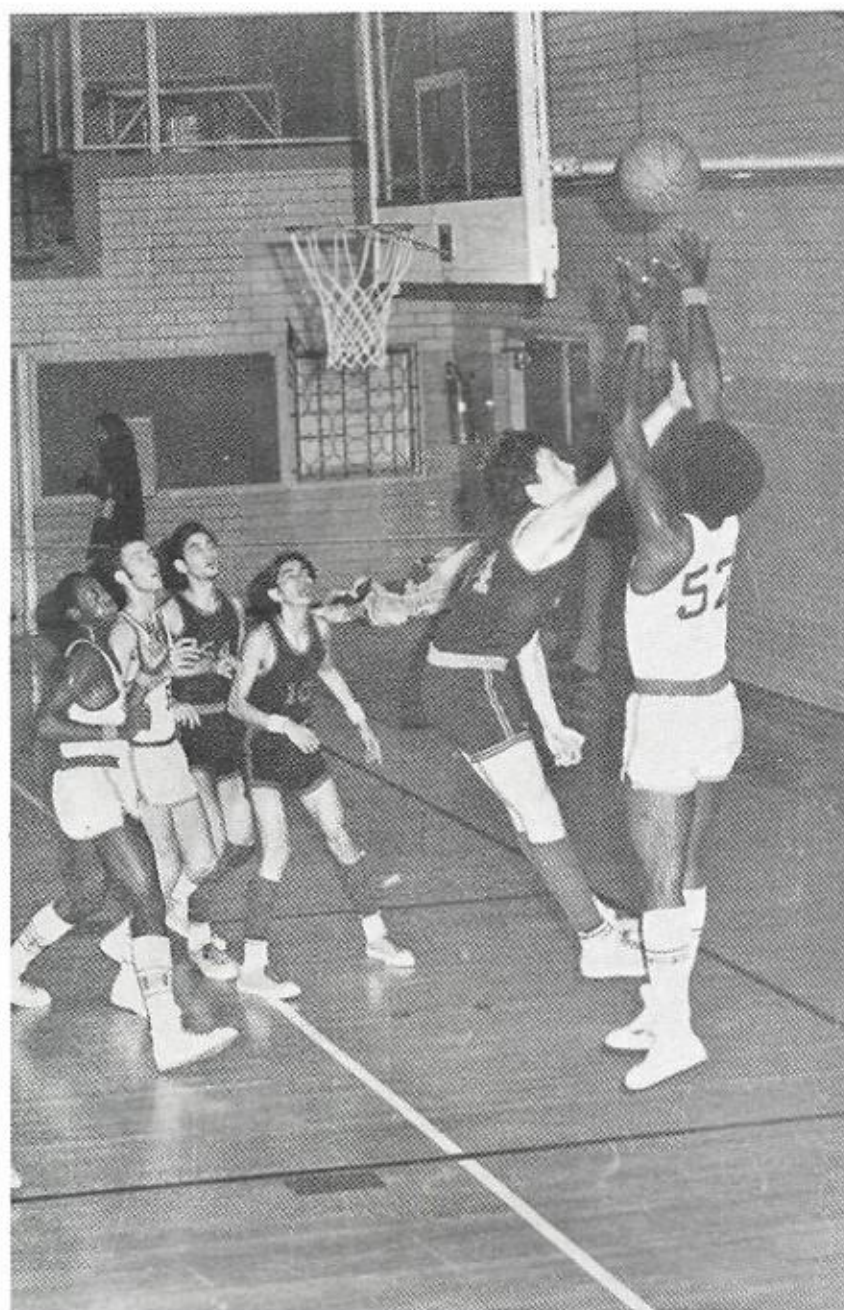

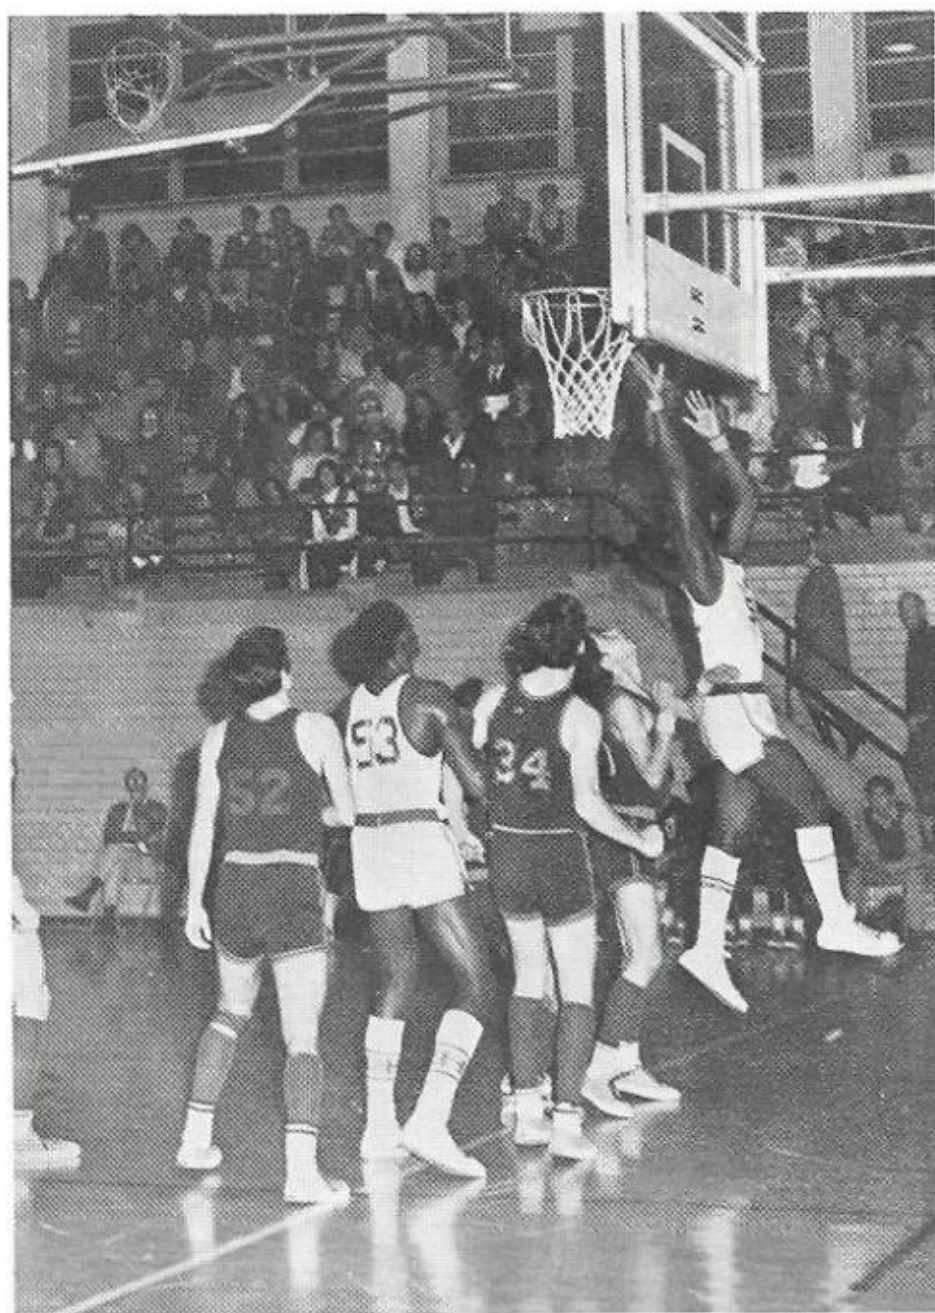

The Owls opened the season with a 55-54 loss to Fox Tech. Numerous other one-point losses followed, but these setbacks didn't keep the Owls from being rated among the city's ten best teams by the Express and News Sports Staff.

Top: Cagers display trophy won in the Northeast Tournament.

Bottom: The Owls' Odis Malone wins the toss-up in the Owl-Ram game.

Owls Topple Indians Twice

Highlands outscored Harlandale 71-63 to open district play, and later trounced the Indians 77-59 in their second meeting.

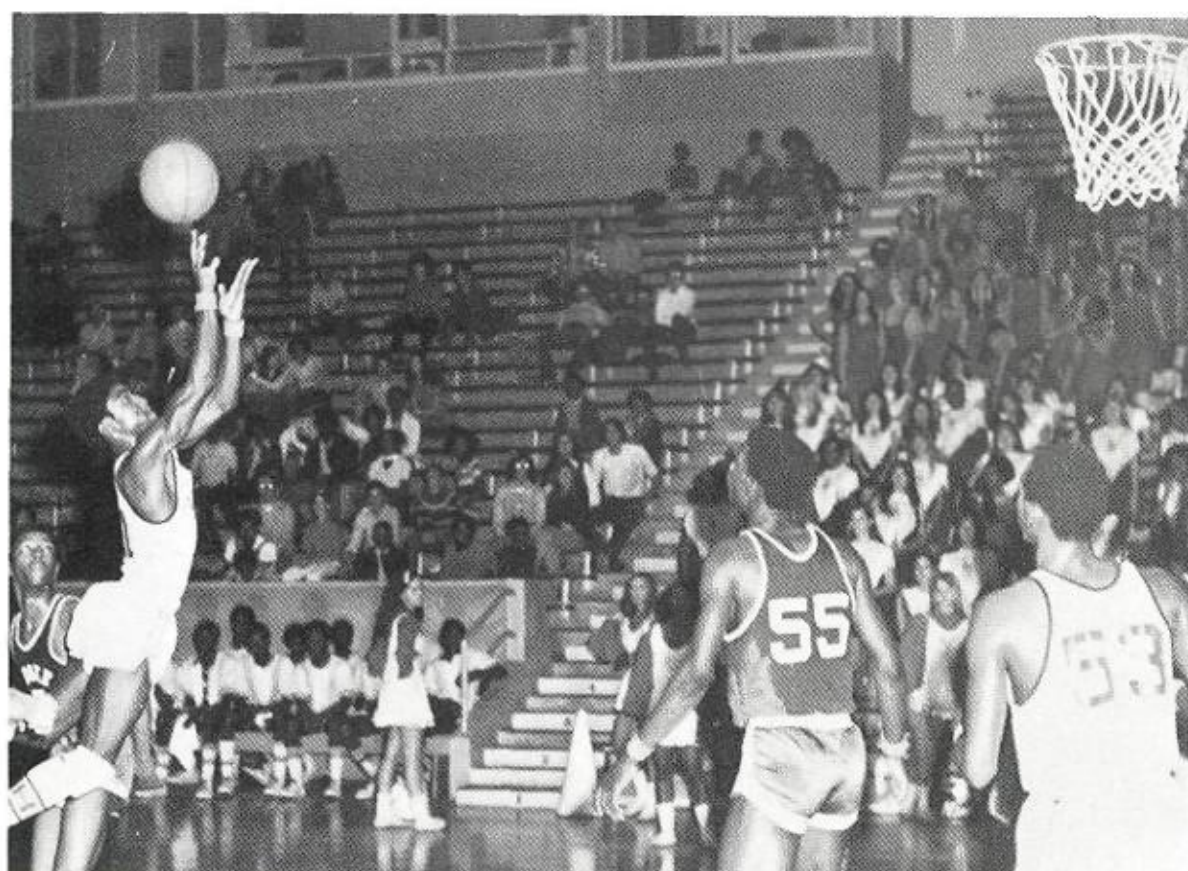

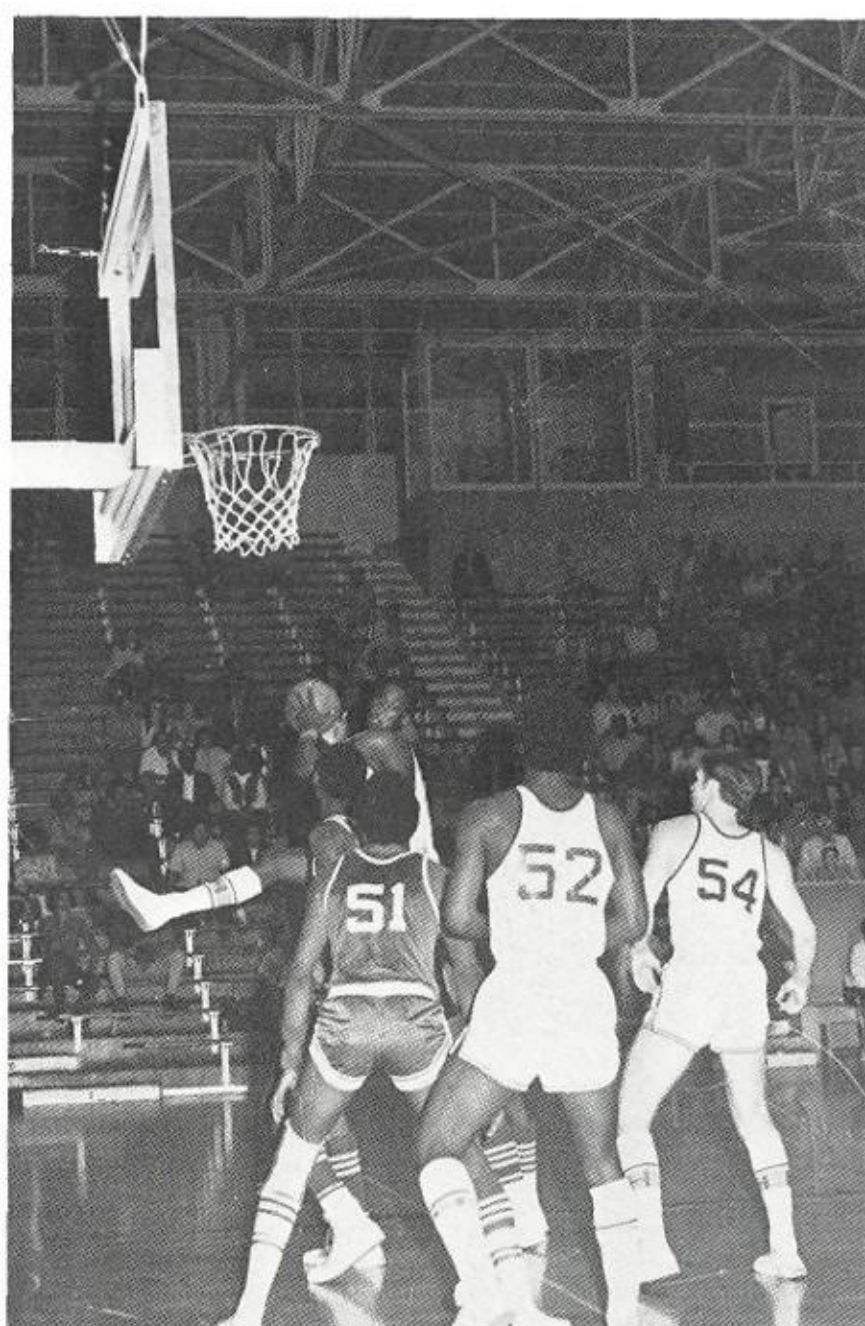

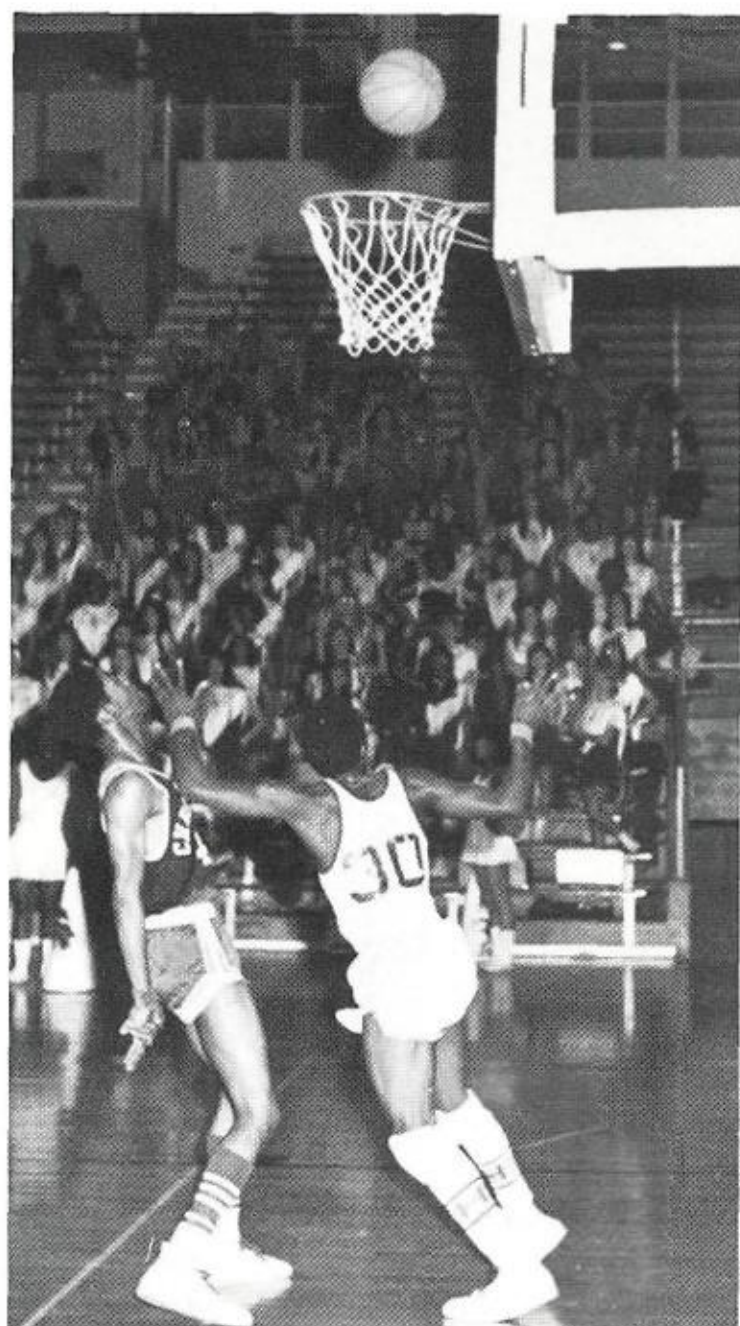

In their second win, the Owls led 37-31 at halftime but the scoring pace quickly changed when five players recorded double figures.

Owls Fall To Cherokees Twice

Highlands cagers suffered two losses to the Sam Houston Cherokees by scores of 77-59 and 67-57.

In the first tilt, the Owls were behind by only three at the half but that pace was changed when the tribe's 6'9" Willie Hodge scored 29 of his 35 points in the second half.

Otil Malone led Owl scorers with 22 points. In the second meeting, the Cherokees played basically the same to outscore the Owls. Hodge led his team with 24 points and William Benning paced the Owl attack with 26.

Top left: Wayne Williams awaits rebound off the rim.

Owls Smash Brack 78-72

Highlands licked Brackenridge 78-72 in one of the most action packed games of this years cage season. The Owls fought their way to a one point lead at the end of the first half, but were sparked in the second half by Otis Malone and gradually pulled away from the faltering Eagles. When the final gun sounded, Highlands had the victory, and Otis Malone had 33 points to his credit, his season's high.

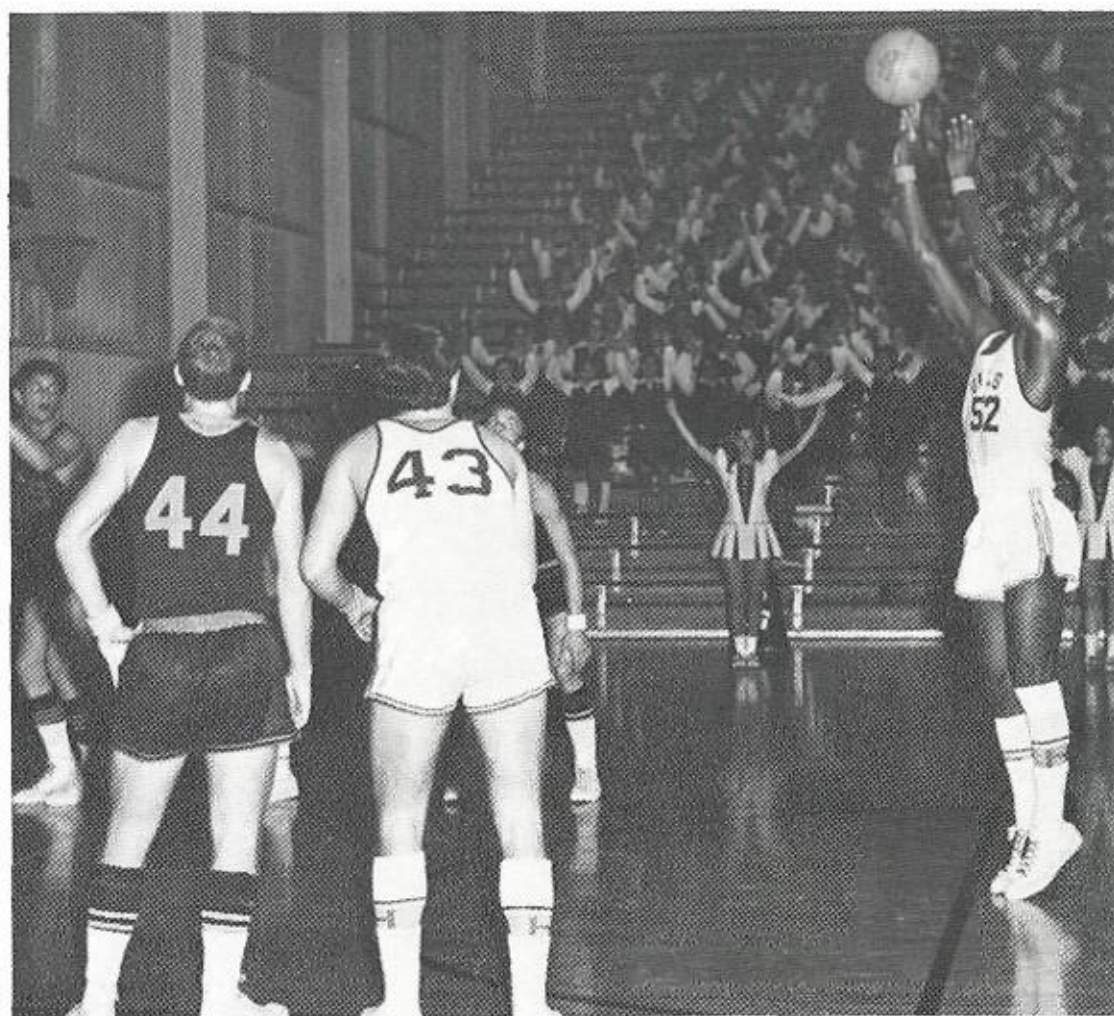

Right: The floor is crowded with Owls and Eagles, as both teams fight for the ball.

Owls "Kick" Cowboys 86-63

With only three games left in regular season play, Highlands trounced McCollum at Alamo Gym. William Benning led the Owl's scoring with 21 points, but the rest of the team wasn't far behind, registering five players in double figures. The Owls were in complete control throughout the game and when the final gun sounded it was Highlands 86, McCollum 63.

Right: Wayne Long eyes the basket as he goes up for a jump shot.

Owls End Season With Win Over Burbank

Highlands ended its basketball season cruising to an easy victory over the Burbank Bulldogs, who had not had a district win all year.

The Bulldogs never were a serious threat to the Owls, and at the end of the first half, Highlands had a comfortable 22-11 lead. Otis Malone and William Benning led the Owl's scoring with 16 and 15 points respectively.

The Highlands High School Varsity Basketball Team, under the leadership of head coach John Kemmerzehl, finished their season with an impressive 19-13 record. The varsity team, though knocked out of the district race, managed to name William Benning and Otis Malone to the All-District basketball team, and Highlands was rated among the top ten best teams in the city by the Express-News Sports Staff.

Highlands' William Benning appears to be throwing the basketball at the audience during action in the Sam Houston game.

Soph-Frosh Team Provide Future Talent

Bottom row, left to right: Tony Holmer, James Kinny, Steve Sains, Marvin Stevens, James Soto, Lonz Lee, Howard Webster, Alan Burton, Mike Carpenter. Top row, left to right: Leslie Benning, Danny Escalante, Charles Williams, Richard Scallion, Mike Saliner, Earl White, Charles Batson, Roger Flores, Tim Pitts.

The Sophomore-Freshman basketball team, under the leadership of Coach Phy, began the 71-72 season with high hopes and a 26 member team. The size of the team ranged from a tall of 6'5" down to the shortest man who stood 5'5". This years Sophomore-Freshman team will provide the backbone for next years Junior Varsity and there is always one or two outstanding players who will make Varsity.

Jana Long, Diane Miller, and Nancy Turner boost the spirits of the Soph-Frosh team.

Track And Field

Thinclads Runners-Up In District Meet

Highlands' track team collected 80 points to finish second to Sam Houston in the District 30-AAAA meet at Alamo Stadium.

The Owls' Paul Hopkins ran the 100 yards in 9.7 to tie the record and later ran the 220 yards in 22.2, breaking the record set by his brother Thomas Hopkins who previously had held the city's fastest times in both dashes.

Golfers Win First District Title

Highlands' Golf Team scored a school record of 292 to easily win their first District 30-AAAA Championship.

Earlier, the Owls' placed second to Roosevelt in the S.A.N.N. match play and later took a big step toward the district crown after winning the S.A.I.S.D. Tournament, their first tournament win in the school's history.

Owl Nine District 30AAAAA Co-Champs

The Owl sluggers opened a championship season with an 8-1 win over Lanier.

McCollum could not win because of the pitching of the Owls Jimmy Caraway. His performance led Highlands to a 10-1 victory. Labeled as the most explosive scoring team in the city, the Owls ran up a 7-5 victory over South San and a 7-2 victory over Brackenridge brought about by the masterful pitching of Carl Thies.

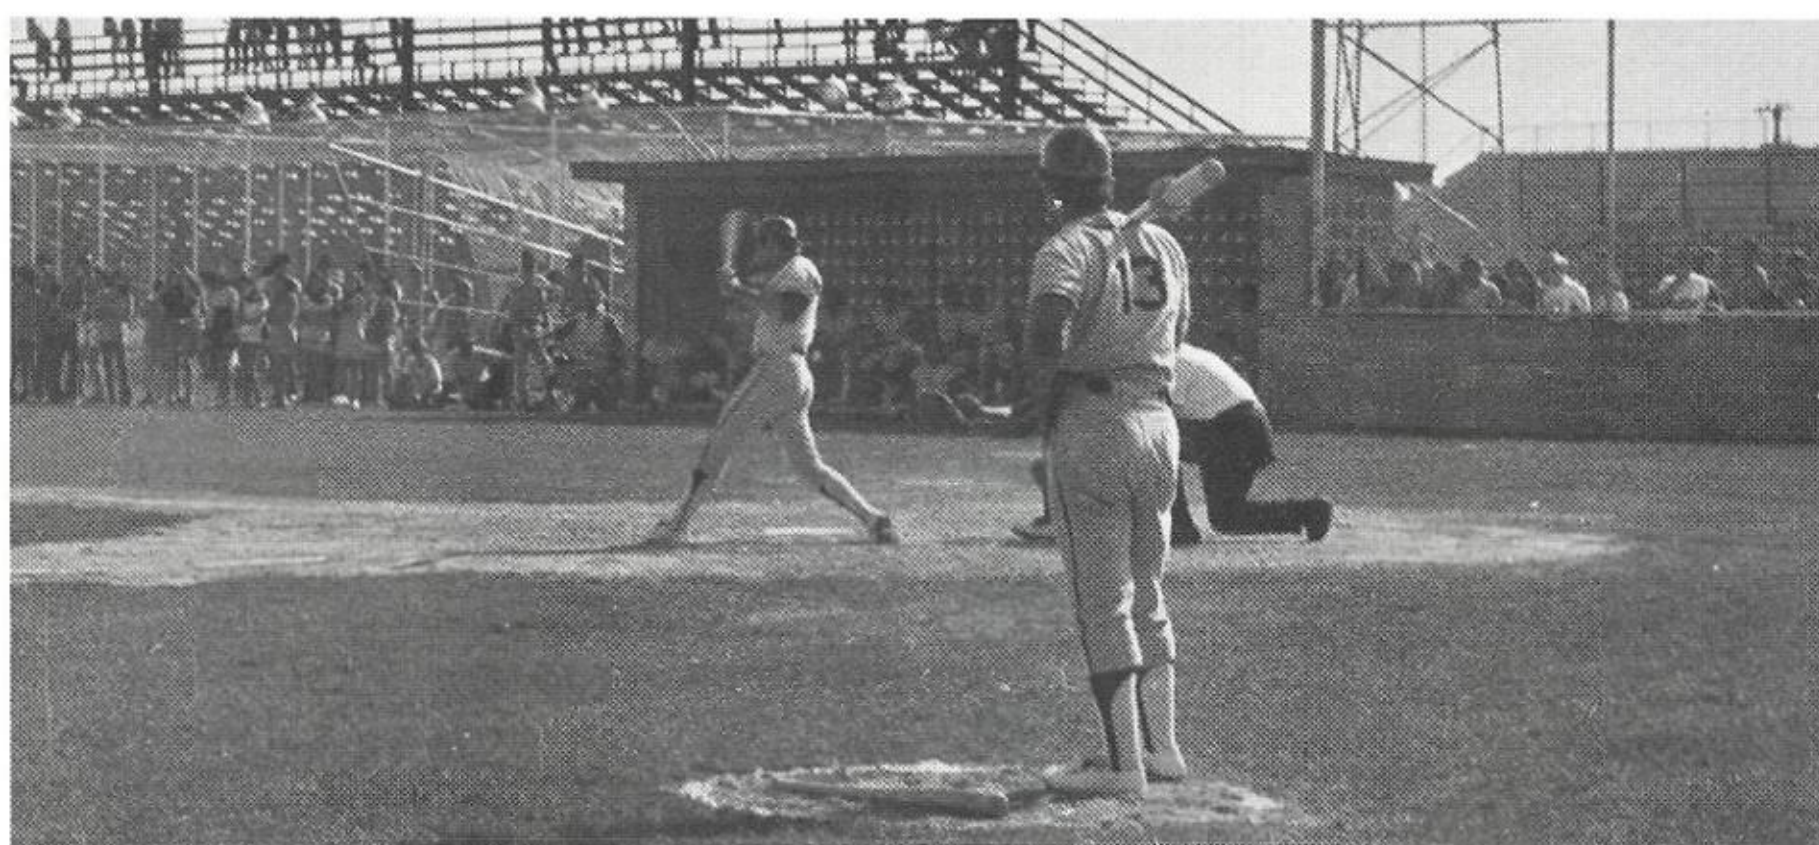

In the final game of district play Highlands was defeated by South San 6-0. This loss set up the playoff games as each team had an identical 11-3 record.

A passed ball proved to be costly to the Owls, as they were shut out of the first South San-Highlands play off 1-0.

In the next game of the best out of three series the Bobcats won by a 2-1 edge over Highlands on a bunt.

We share the world at twilight.
It is the autumn of the day
the shadow time.

The sun is larger than before
. . . . but kinder, less intense
. . . . a mellow disc of orange
light falling somewhere
far away and summoning up
layers of pink and golden
clouds to reflect its farewell
. . . . to start the miracle of
another day.

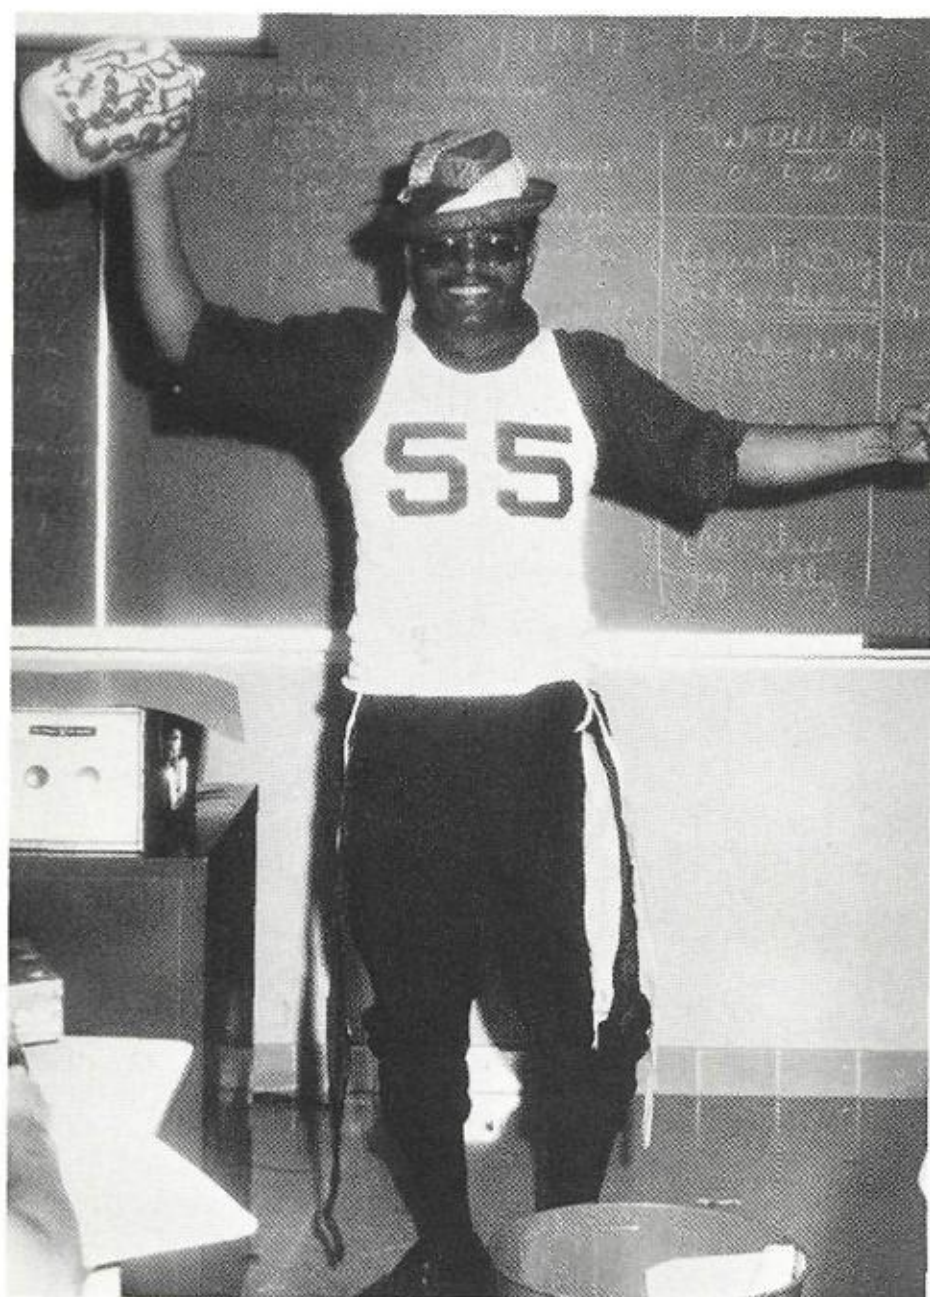

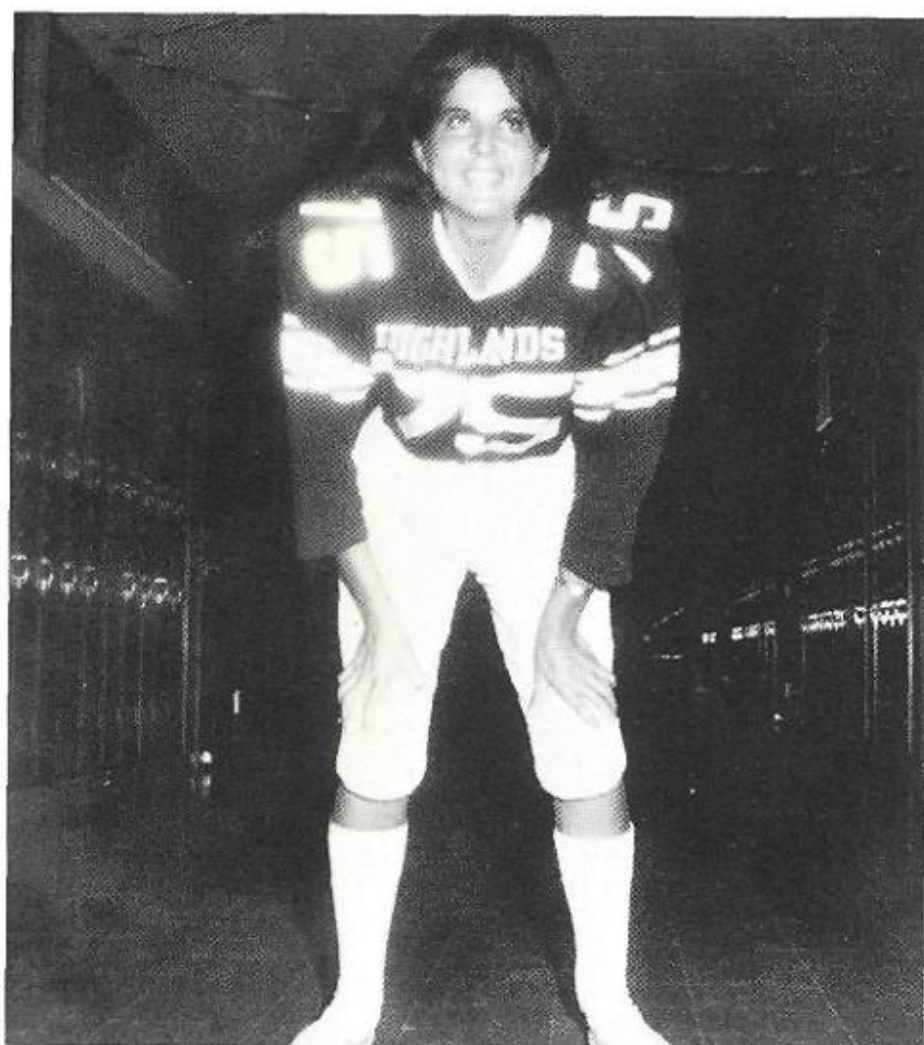

FACULTY and ADMINISTRATION

Dress-Up Day—"One Of Those Measures"

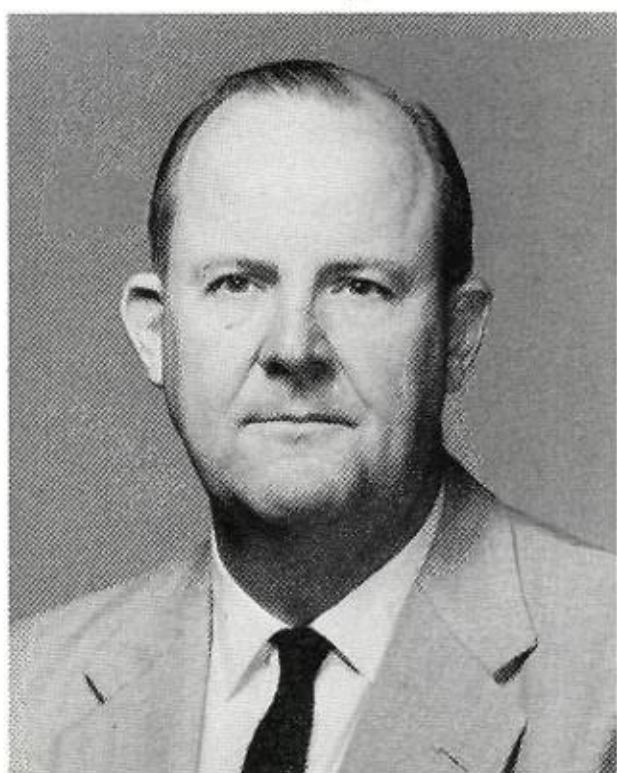

Whether playing the part of a comedian or a "cranky old bag of wind", as some believe, a teacher's main concern is the student. The willingness to resort to any measure to motivate a student's mind is one of the important qualities of a true educator. The teacher is constantly striving to instill knowledge and thought within the minds of those he instructs. The task is difficult, but the attempt is well-worth the challenge. Someone once described a teacher as "a person who faces a bunch of desperadoes with her back to the wall and no gun in her hand." Although these feelings may sometime overcome a teacher, he can be quite proud when at least one of his students approaches him and says "thanks for helping me understand myself."

The Parent-Teacher Association of Highlands High School serves to create a united effort between the educators and the general public of our community by promoting the highest advantages in physical, mental, social, and spiritual education for all young people. With the dedication and effort of the P.T.A., a closer relation can be brought between home and school to intensify the education of young people.

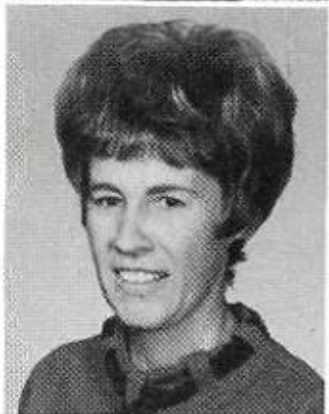

On the third Thursday of each month, the P.T.A. holds a regular business session in room 103 at 10:00 a.m. to discuss and plan any activities for the school year. Greenback Night, during Open House, is its only fund-raising activity.

P.T.A. OFFICERS—Mrs. Julia Chatwell, corresponding secretary; Mrs. Pauline Wilkes, vice-president; Mrs. Phyllis Barnes, president; Mrs. Ann Smith, and Mrs. Helen Balmos, recording secretary. Literally thousands of administrative and clerical duties are handled in the offices here at Highlands. The responsibilities of this efficient and hard-working office personnel include reporting grade averages, class ranks, assigning lockers and textbooks, checking the attendance, and keeping track of the school budget.

True learning must occur in a pleasant atmosphere in order for a student to acquire any type of knowledge. The maintenance crew help provide such an atmosphere. They hold an enormous responsibility which requires seeing that the entire campus is run properly.

The maintenance crew consists of thirteen workers. All the workers work on 9 hour overlapping shifts; 6:00 a.m. to 4:30 p.m. The custodians receive two weeks summer vacation and then begin preparing the entire campus for the next school year. The janitorial staff is truly a capable and dedicated group.

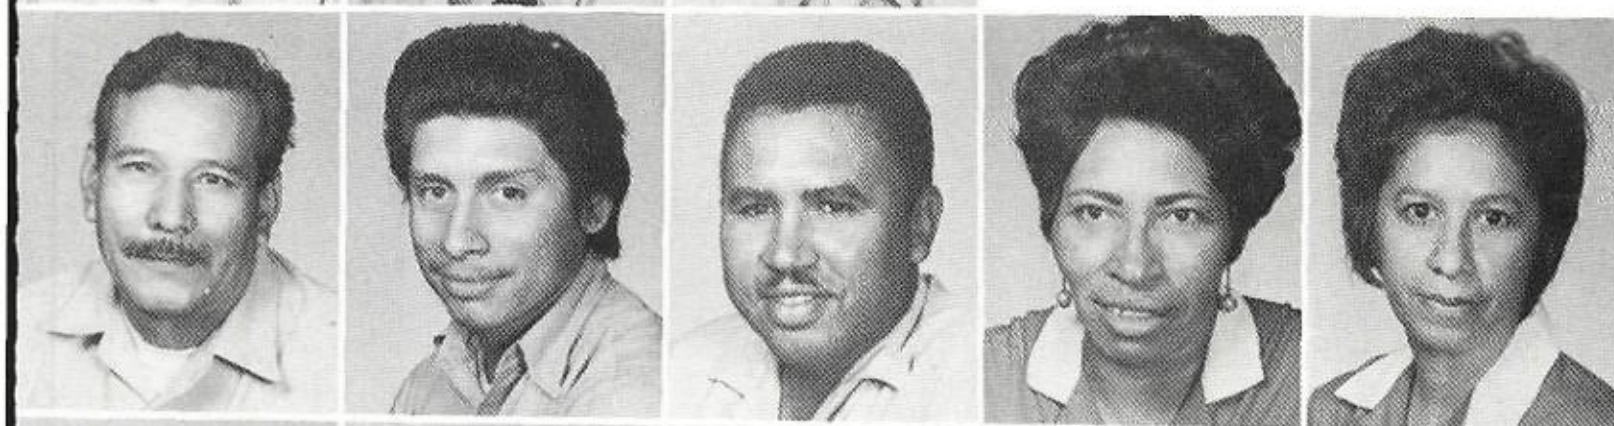

The loud clattering of dishes and the immense sound of crashing pots and pans that echo from the southwest section of the campus at noontime transmits a distinct signal to every student and teacher that lunchtime is very near. The cafeteria is probably one of the busiest places in the school building. Twenty-two women work there five days a week for nine months preparing meals for approximately 2300 students a day.

There are three lunch periods; the first of which begins at 11:36 a.m. Each lunch lasts thirty minutes. Some of the women who work in the cafeteria start their day as early as 6:30 a.m. preparing approximately 75 pounds of flour for hot rolls and 150 pounds of fresh meat for the meals daily. Wednesdays and Fridays are two of the busiest days; these are Mexican food day and fish day. Snack bar items such as hamburgers, sandwiches, candy and potato chips can also be purchased in the lunch room. The cafeteria staff is quite an efficient team of workers.

The Learning Tree

Education is an integral part of the learning tree of knowledge. It is the School Board that endeavors to provide unlimited educational opportunities for all students.

The main purpose of the Board of Education is to oversee the operation of the entire school district. There are many responsibilities involved in running a school system like that of San Antonio. Such responsibilities include the hiring of teachers, the purchasing of equipment and the setting of salaries.

The School Board is composed of eight members. These members voluntarily serve as the policy-making body of the district. The policies set forth by this competent staff have established the high educational standards in the San Antonio Independent School District.

CLUBS and ORGANIZATIONS

A Cappella: "Number One"

"One wasn't the loneliest number for the Highlands A Cappella Choir in 1971-72. It was the greatest number around in the San Antonio Independent School District. In fact, the excellent rating of number "1", awarded to the Highlands A Cappella Choir was the only "1" received in the entire S.A.I.S.D. for Concert performance at Our Lady of the Lake College where the U.I.L. Contest was held.

Members prepared for many other performances throughout the year. Many hours of preparation were necessary for each performance. Many rehearsals at seven o'clock were quite common.

This year the members learned not only to just sing their music, but be a part of it. Throughout the year, Mrs. West told her students that "Music is a part of all our lives . . . it brings people together."

The goal of every Athena member is to help others. The activities they are involved in are obvious proof that they are willing to share their happiness with others.

They started off the year with an initiation party. A hayride at the Blue Triangle Ranch and slumber parties were some special occasions. At Thanksgiving, the girls collected canned food for a family, and also celebrated the Christmas Season with a party.

The Athenas have been involved in helping out the Childrens Shelter, and quite interested in it.

The year was ended with a farewell to the graduating senior members.

Technology In Medicine

The Medical Careers Club is designed to aid students in furthering their education and learning about the different fields regarding medicine. Moving away from the study of the nursing profession, the Medical Careers Club is diversing into more technical fields of medicine. The members are getting valuable information on what academic qualifications are needed when going into the medical field of their choice. They do this by having physical therapists, student nurses, and career coordinators come and speak on various aspects of the medical profession.

Some of the activities this year have been an excursion to the new Southeast Baptist Hospital. They helped the Student Council collect money for the March of Dimes and also participated in the Miles for Children Walk. In the spring they had a picnic at the Northeast Preserve.

Brigadoon— Creativity

The Brigadoon staffers work throughout the year recording, day by day, the events in and around the Highlands campus. Construction of the Brigadoon requires meeting deadlines, gathering pictures, arranging ideas and cooperating with the student body and faculty as well as the surrounding community. The Brigadoon staff is composed of hard working students who put forth many hours to complete your yearbook.

National Honor Society:

Scholarship, Character, Leadership, and Service are the qualities that a person must have for candidacy to the National Honor Society. One hundred and twenty of Highlands' top students, conforming to these standards, were voted on by faculty members and administration, and were inducted into the Society during ceremonies held on April 13. These students, comprising the top fifteen per cent of the graduating class, have worked for the entire four years of their high school life to achieve this honor.

Battle Of Bands

Band leaves the stands to prepare for their performance.

The Band members march on the field to start their Battle of Band performance.

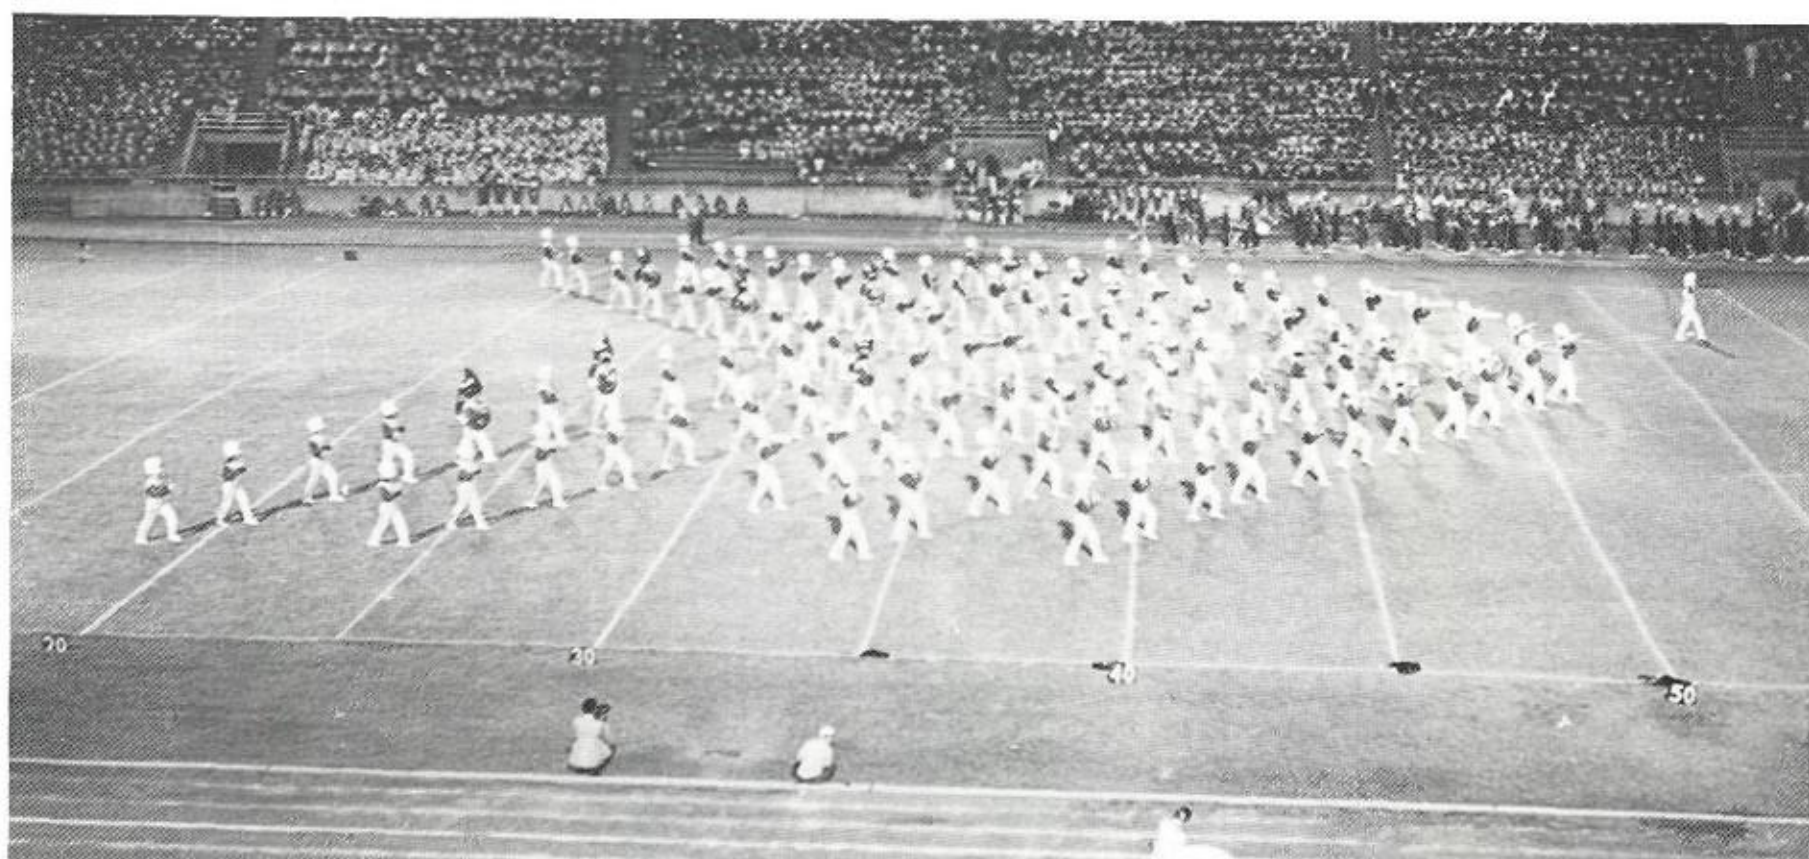

As the annual Fiesta de San Jacinto for 1972 approached, the Highlands High School Band began practicing day in and day out in order to do the best job ever of Representing the school in the annual Fiesta Activities.

The week long list of events in which the band participated included the Annual Battle of Flowers Parade and also the Battle of the Bands Band Festival.

This year, the Highlands Band

was chosen as one of the six honor bands which participated in the Band Festival. As an honor band, they performed a show which was similar to a football half-time show, which saluted the cultures of Texas.

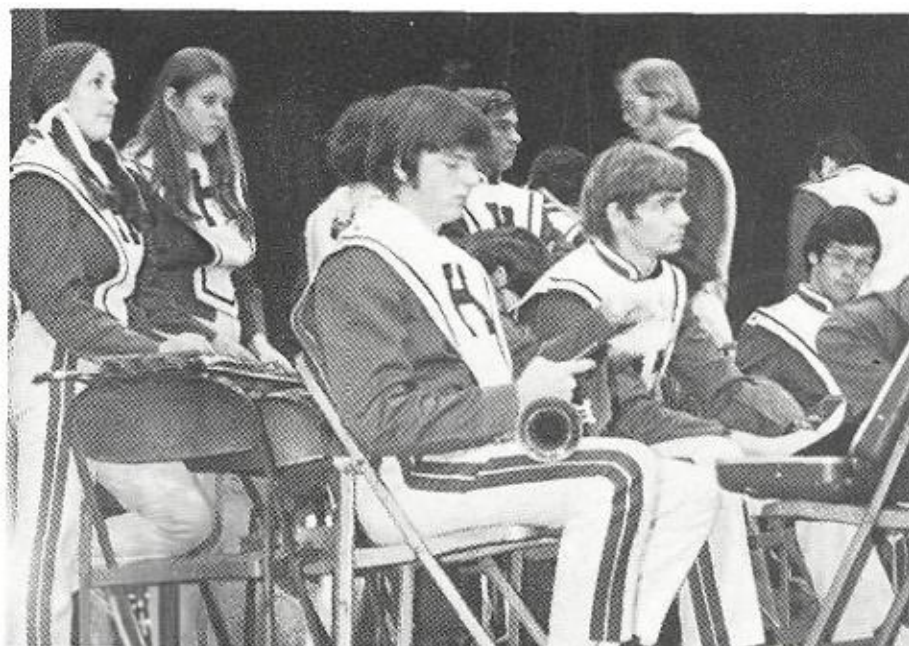

Diagonals drills is the intricate part of their performance.

Highlands Thespians: Dramatic Excellence

Always a small and elite group the fall semester found the Highlands Thespian Troupe 2249 composed of eight members. The spring semester, and Thespian pledge week added seven new members.

Highlands Troupe of the International Thespian society, with the Highlands Players co-sponsored the two major drama productions of the year: **BECAUSE THEIR HEARTS WERE PURE**, and **MAN: HIS MATRIX**, a nontage of man. The UIL contest play **THE ENSANGUINATION OF MACBETH** was presented to the school once under the sole sponsorship of the Thespians.

This year's small, yet hard-working troupe can boast of the sponsorship of a Thespian workshop, of the Region 6 International Thespian Scholarship Recipient, Pennie Brown, and of various school projects such as the faculty dunking machine.

Germanic Heritage Studied By Students

The Highlands High School German Club, under the sponsorship of Mrs. Joan McMillan and Mrs. Virginia Alberti, spent the 1971-1972 school year studying and promoting German activities around the school, city, and the state. German Club members attended the Wurstfest, an annual fun-time sponsored by German-Americans living in New Braunfels. They also participated in the Texas Association of German Students Convention which was held in Austin. On a city-wide level, members had a skating party, and went Christmas caroling with the Los Espanoles Spanish Club. Around the school, the German Club held regular meetings, and sold cupcakes to hungry teachers and students after school. All in all, the year was very profitable, and since the majority of members are juniors, the club looks forward to more good times next year.

Officers of the German Club from left to right are: Patricia Ervin, treasurer; Nancy Kropp, secretary; Kathy Wernli, president; and James Lines, vice-president.

BRIGADE: Proudful And Dedicated

Spirit is a widespread emotion at Highlands High School, and together with the cheerleaders the Brigade helps promote this pride. "Pepping" the boys up at athletic events is the major activity of the Brigade. Decorating the player's lockers and cheering them on at the games is a deciding factor on the outcome of the games. Because of the pride and loyalty that the Brigade promotes in the student body, the attendance at various sports events has increased in 1972.

As a tradition the Brigade holds their annual Christmas Concert for the students and their parents. Through the year candy sales and various fund raising activities provide money for their many worthwhile projects.

Pride and enthusiasm is seen on the faces of all Brigade members.

Latin Club Researches Classical Times

The Highlands High School Latin Club, under the sponsorship of Mr. Joseph Scroggins, spent the 1971-1972 school year studying those things connected with the Golden and Silver Ages of Rome, and learning about events that took place before Christ's birth. The club took several field trips including one to the Witte Museum to study classical artifacts, along with participating in the city-wide Latin Olympic Games where three Highland's students won awards. The classics were kept alive for Latin students this past summer when they received post cards from Mr. Scroggins who spent three weeks touring Europe gathering information on ancient times.

The Phos Estos symbol, which appears on the Latin Club flag, represents four things to the members: the large owl and the "H" stand for Highlands; the fasces lying across an open book represent the Latin language as education; the star stands for Texas; and the J.C.L. emblem symbolizes the Junior Classical League of which Phos Estos is a part.

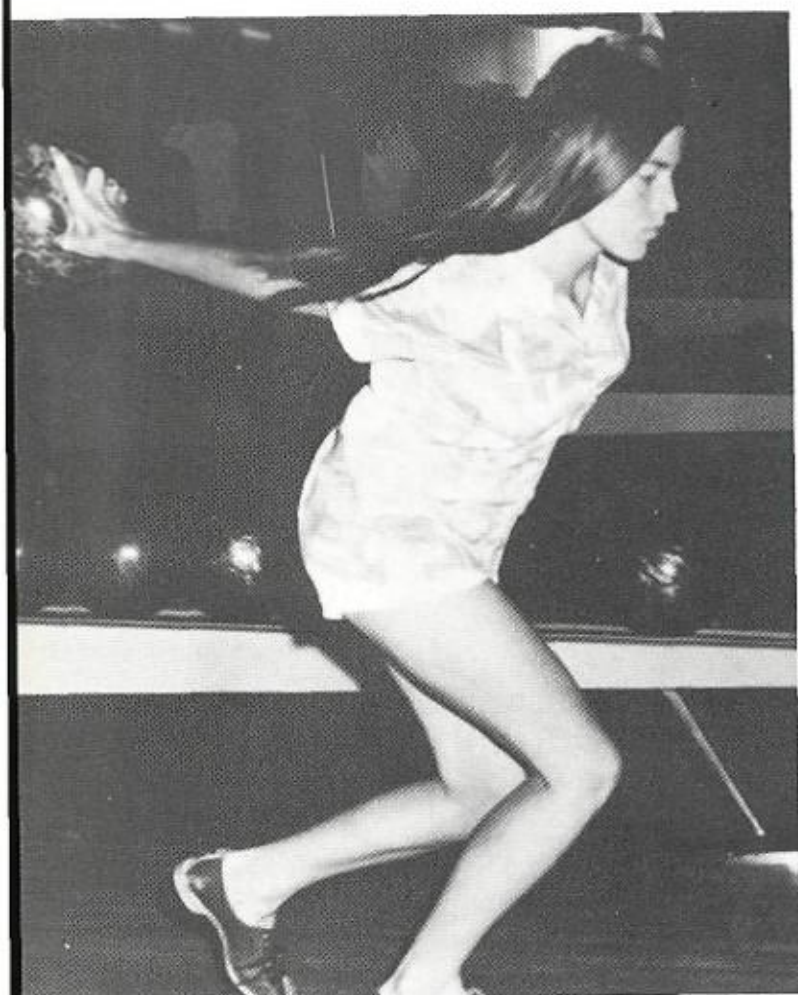

Members of Phos Estos from upper left to lower right are: John Murphy, Ray Bruels, Debbie Schiller, John Schul, Rose Leos, Elise Eggleston, Jui Woo, Joyce Lee, Louise Eng, Debbie McDonald, Joan Gruninger, and Barbara Gruninger.

Officers of the Latin Club from left to right are: Terry Ortman-Aedile Secundus, Cynthia Chidgey-Scriba, James Garcia-Aedile Primus, Barbara Zaiontz-Quaestor Latinum II, Leslie Patterson-Quaestor Latinum I, and Richard Bensinger-Consul.

Bowlers Off To Flying Start

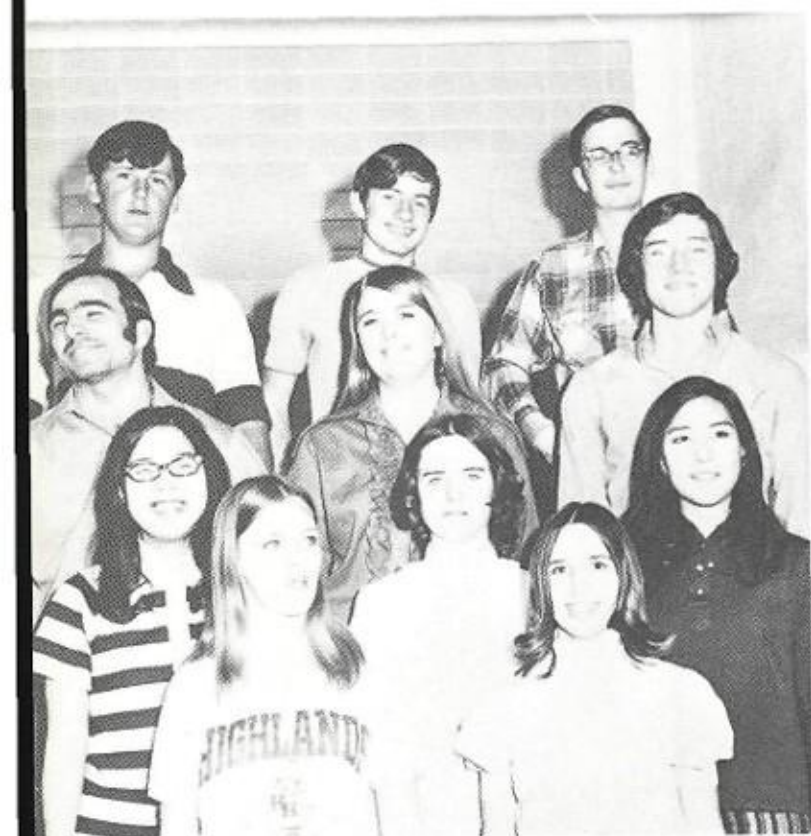

Deep concentration enabled Carol Childers to bowl a 600 series. She was named the All Star Junior Bowler for the month of February.

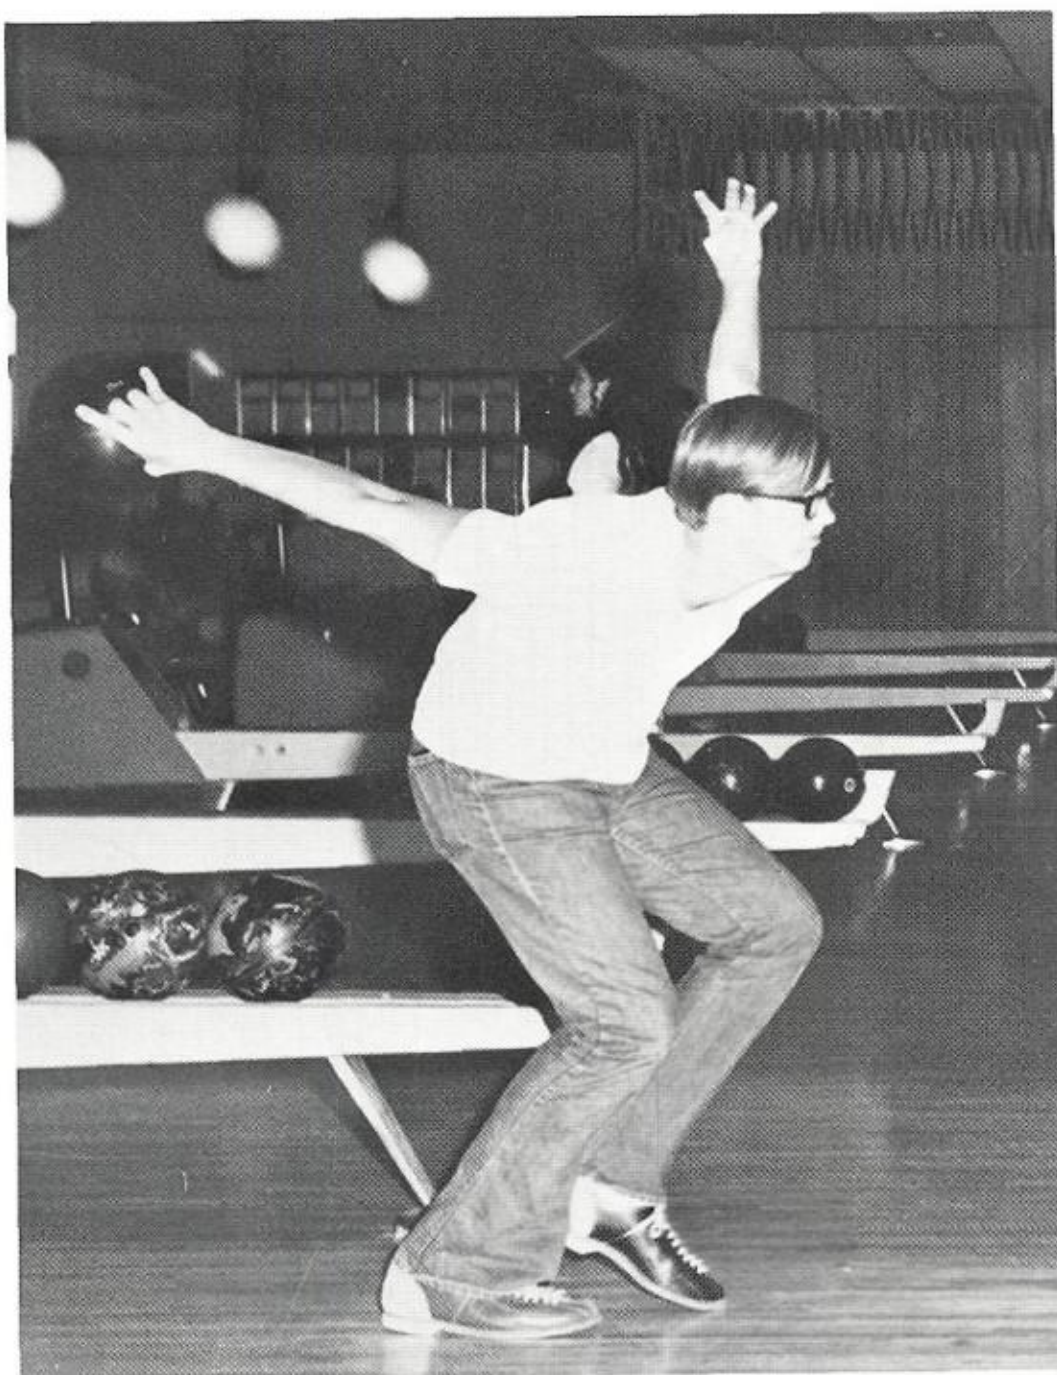

The newly organized Bowling Club of Highlands High School got off to a flying start this year. The club was first introduced to Highlands by Mr. Larry Biggers. All-time bowling lovers as well as those just curious as to what the game was all about were attracted to All Star Lanes every Wednesday after school. In adopting the values of good sportsmanship and citizenship, the Bowling Club was able to create an enthusiastic spirit of competition and physical fitness

among youth.

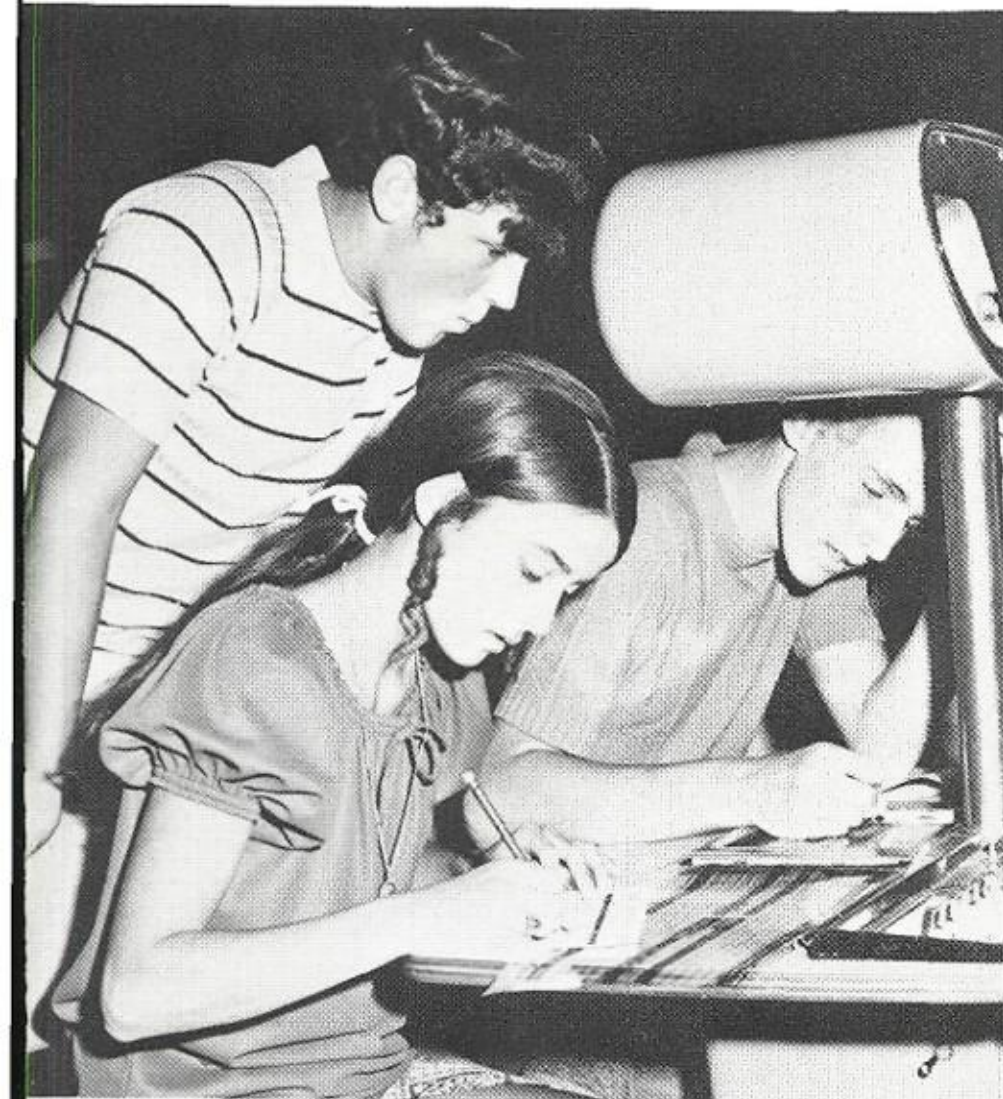

Two competitive bowling matches had been played against Holmes. Highlands won both matches. Highlighting the season, two matches were held against the S.A.I.S.D. League. This league was composed of teachers throughout the district. The teachers won one match whereas Highlands won the second. Trophies and other prizes were awarded to deserving bowlers at the end of the year.

The Highlands Bowling Club members are: Front row: Vicki Salyer, sgt.-at-arms; Regina Binger. Second row: Joyce Lee, Karen Rice, Louise Eng. Third row: Larry Hill, Donna Whitworth, Gary Alexander. Back row: Ricky Jackson, Billy Chamberlain, and Bill Winn.

"Sunshine And Friendship"

The ideals of feminiity, poise, beauty, and grace in young women are exemplified by the members of the Chiroanes Social Club. It is the warm glowing friendship that the Chiroanes share with one another and the sunshine that the Chiroanes bring into other's lives which personifies the brightness within the club. The intensity of their brightness truly represents the club's colors orange and yellow. Striving to achieve dignity and elegance through happiness and warmth are the goals of every Chiroanes member.

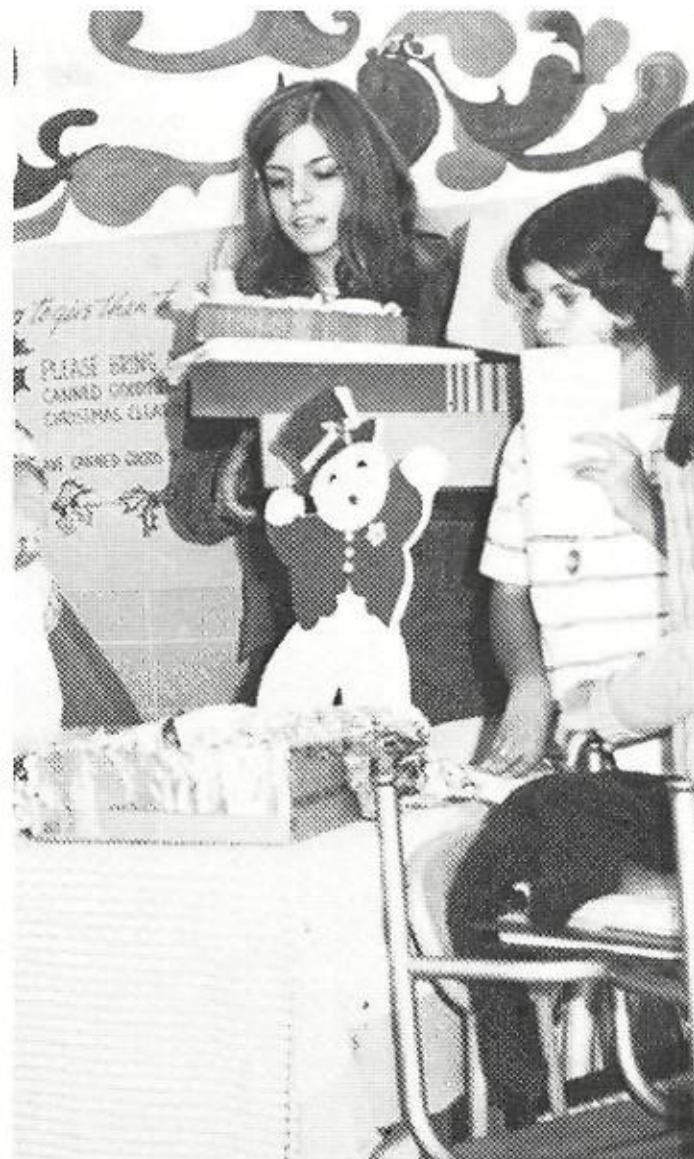

The Chiroanes visited the Fort Sam Houston Burn Ward twice

during the year. Small, hand-made cork plaques decorated with wildlife scenes were given to the patients. On Valentine's Day, a party was given for the children at the T. B. Hospital.

Some of the club's most profitable money-making projects were selling maroon and white stuffed owls, decoupage key chains, and baking cupcakes. Part of the fun during the year included a hayride on April Fool's Day and having a progressive supper. "Sunshine and Friendship", the theme of the annual mother-daughter banquet, ended a wonderful year for the Chiroanes.

DECA: "Experience"

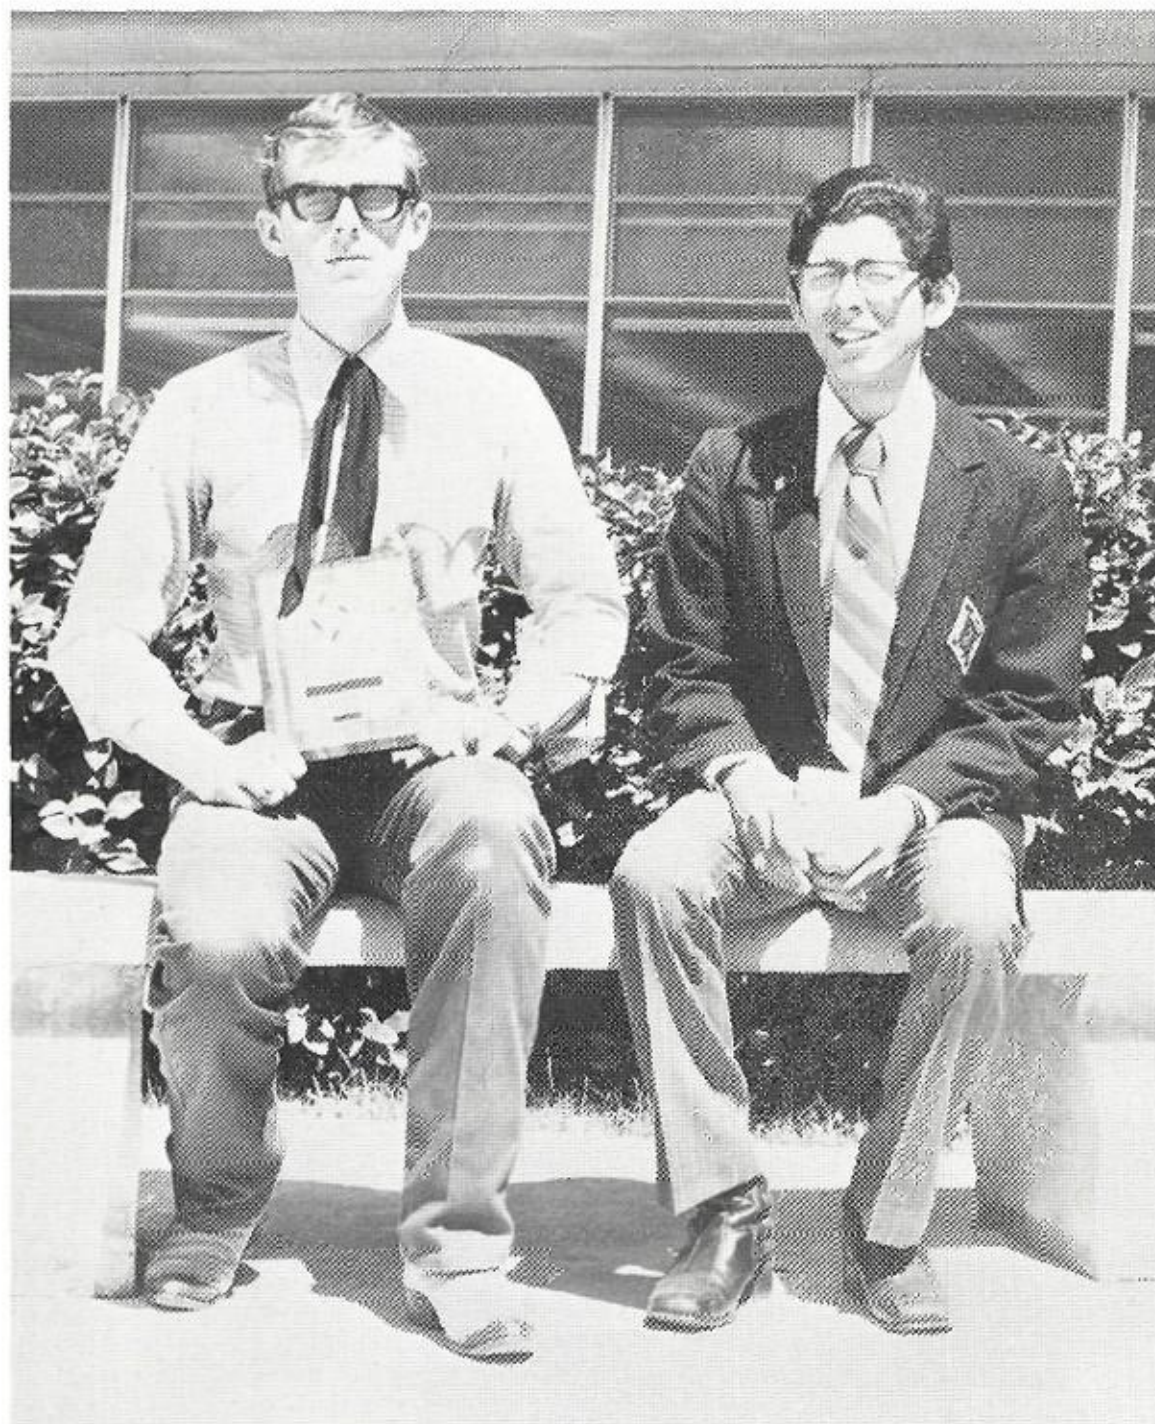

DECA are the initials which stand for Distributive Education Clubs of America. Students which are members of this club hold down a part-time job while attending high school. They go to school for three periods in the morning then work the rest of the day. On the students respective jobs, they learn business techniques, on-the-job training, and how to cope with people in different situations.

As annual money making projects, DECA members sold calendars, Owl pillows and salesmanship kits.

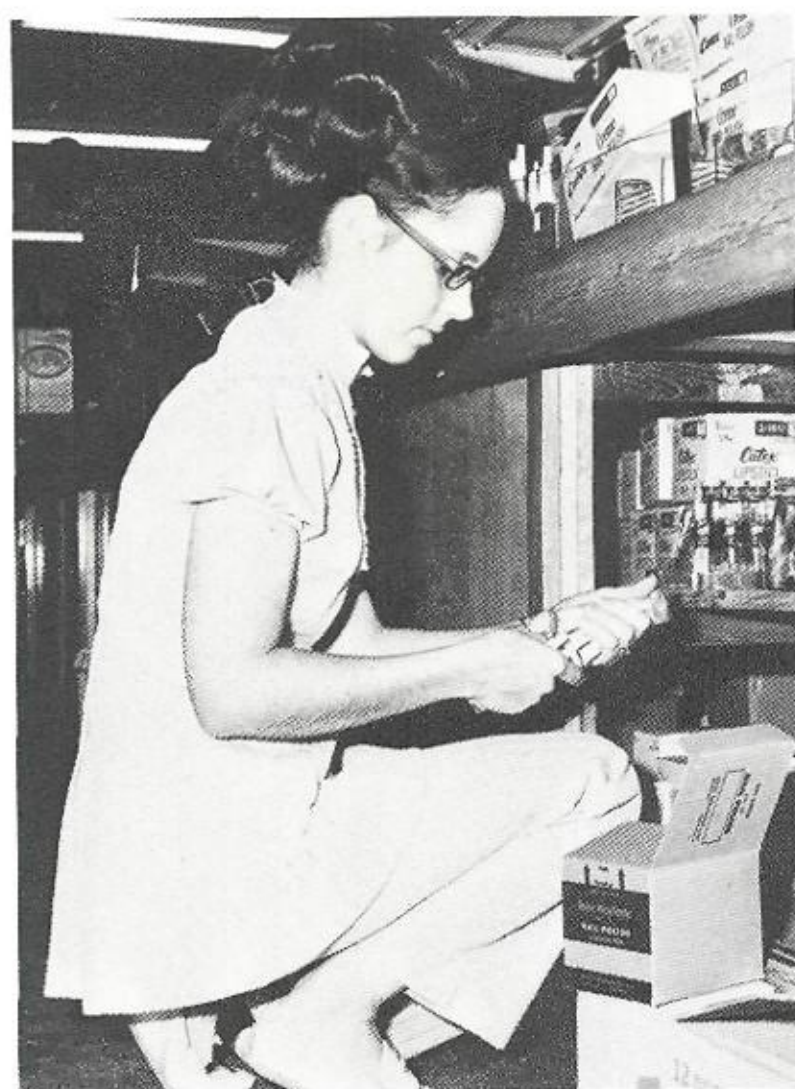

The 1971-1972 officers this year for DECA are: Front Row: Linda Wilson, reporter; Joe Zapata, President; Jean Mashburn, secretary; Back Row: John Henderson; Vice President, Clyde Crawford; Chaplain, Jimmy Marrs; Treasurer, Frank Camacho; Sgt. of Arms. H.P.'s In Action

Highland Players, the drama club, is an organization aimed at increasing the student body's interest in drama and the fine arts. The first major production, co-sponsored by H.P.'s and Thespians, **BECAUSE THEIR HEARTS WERE PURE**, was a break from the normal high school production.

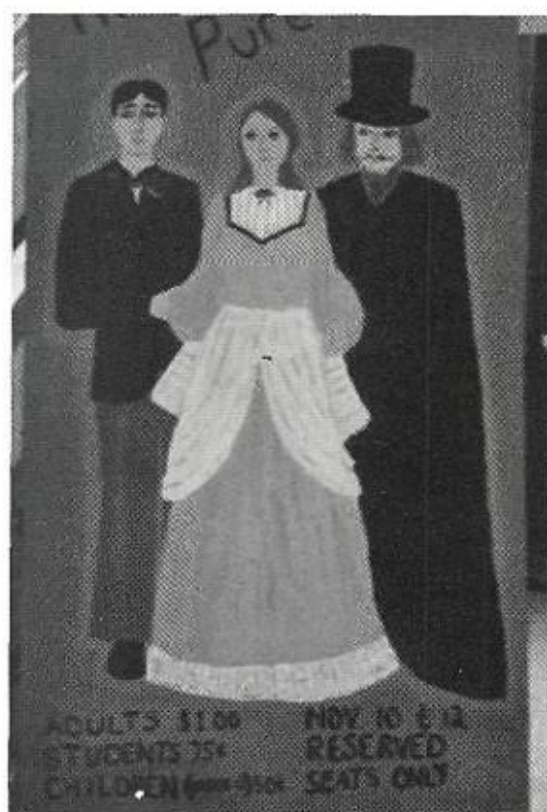

The most 'dramatic' break from theatrical standards was **MAN: HIS MATRIX; A MONTAGE OF MAN**. This play followed no story line, but rather sprang from the imaginations of the players and Mr. Charles Jeffries, the director. The players on this instance were the Highlands Experimental Repertoire Company, and all are Highland Players.

Yet another unique presentation was **THE ENSANGUINATION OF MACBETH**, the UIL District 30 AAAA first place play. This version on Macbeth, adapted from Shakespeare by Mr. Jeffries shows Lady Macbeth as an extension of the witches, and divides the character of Macbeth into the three main facets of man: the political, emotional, and physical being.

Below left: Alan Moore portrays the evil banker Simeon Hardacre in the melodrama **BECAUSE THEIR HEARTS WERE PURE**. Right: This effective method of advertising made "Hearts" and all other drama productions more than successful.

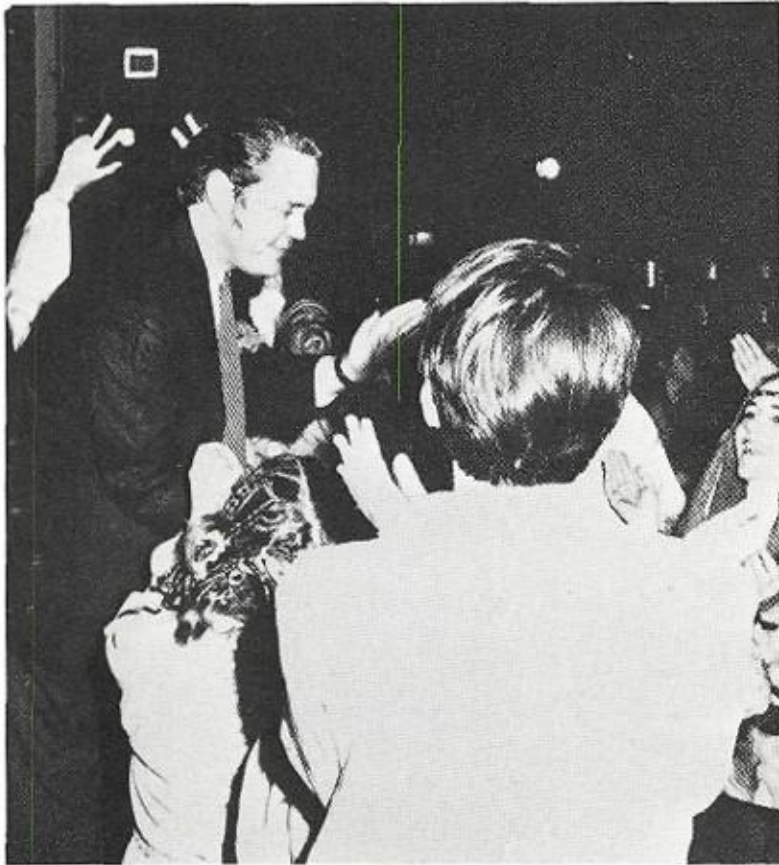

Highland Players pictured are: first row: Tim Trip, president; Bonnie Holman, Jesse Clay, sgt.-at-arms; second row: Bobby Owensby, Julie Daye, Theresa Gurerra, Patti Smith, reporter; Bylet O'Brien, third row: Leroy Castelina, Annette Hoffman, Danny Rust, Condé Higdon, Paul Hannusch, Erika Martin, fourth row: Mary Hardee, Pennie Brown, chaplain; Alan Moore, Doug Blanton, Ronald Grey, fifth row: Ernie Rodriguez, and Mr. Charles Jeffries, sponsor. Not pictured are Roxanne Rust, vice president; Patsy Lochbaum, secretary-treasurer; Wayne Martin, historian; Gary Alexander, Duane Cochran, Terri Good, Chris Harvey, Debbie Hinton, Joe Jerdee, Martha Moncivais, Marcus Montemayor, Elda Montez, Daniel Pons, Larry Roberst, Johy Seibold, Howard Smith, David Strange, Monica Turner, and Mary Walls.

Above: In the play, "Man: His Matrix", the Highland players act out the evolution of man from primitive time to present time.

After the play, the cast applauds Mr. Jeffries, their sponsor and director.

David Strange, Jim Shell, Bonnie O'Bryant and Annette Hoffman sing to "Hickory Dickory Dock" in the scene entitled, "Childhood Literature"

Library Club In Action

The Library Club has greatly benefited the school library.

The club has participated in many activities this year such as a halloween party, and the district convention in November.

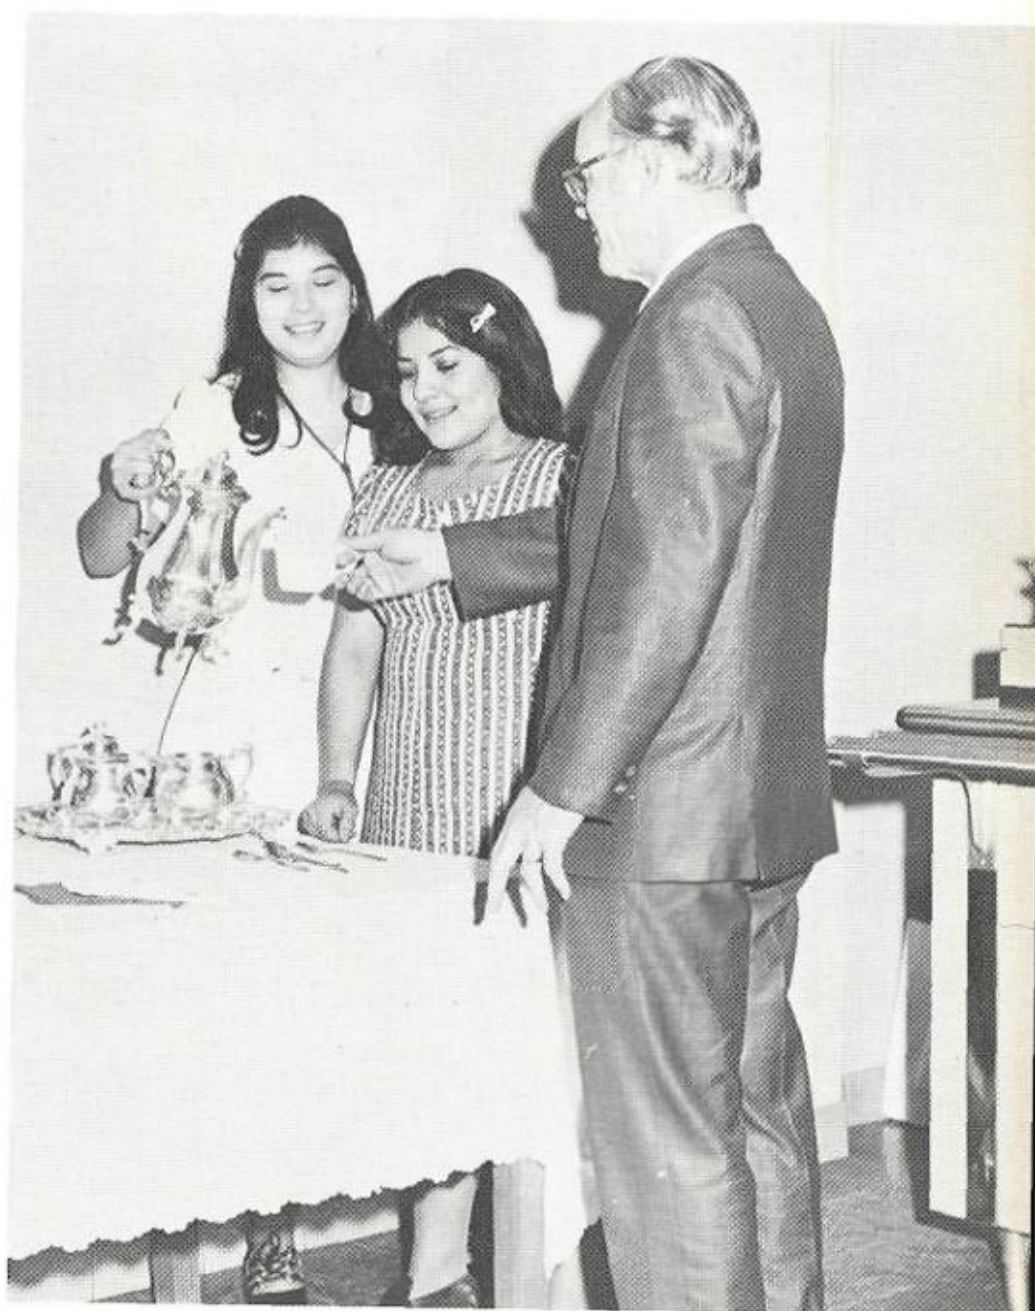

The members are very helpful to Highlands students, in that they check out books and perform other duties during their study period. The library has expanded this year to make our library at Highlands one of the largest in the city. Mrs. Gonzalez, the club sponsor is quite proud of the students as they endeavor to provide a quiet place to study in the library. Mrs. Gonzalez is especially proud of Sue Patteson for being elected District Parliamentarian. Surely, Highlands Library Club is a great asset to the student body.

Left to right: Norma Garcia, vice president; Bette Hartman, president; Martha Moncivias, parliamentarian; Mrs. Rachel Gonzales, sponsor; Wayne Martin, historian; Belinda Sue Patteson, secretary-treasurer; Jui Woo, chaplain.

Mexican-American Culture In Action

There are many students here at Highlands that are interested in Spanish culture and customs. The best way for them to learn about these customs and cultures is to join the Spanish club of Highlands, Los Espanoles.

The clubs activities throughout the year included caroling at Christmas with the German Club. The club also attends the State Convention of Spanish Clubs and the District Convention. The year was brought to an end with a banquet held in May.

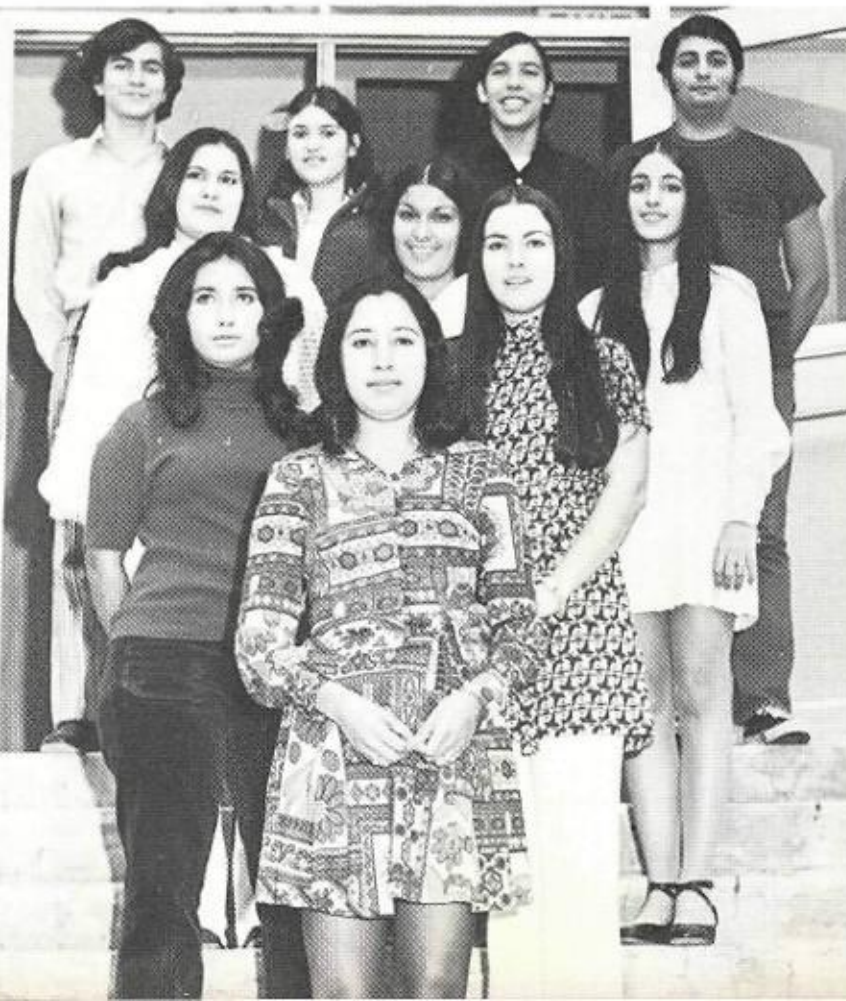

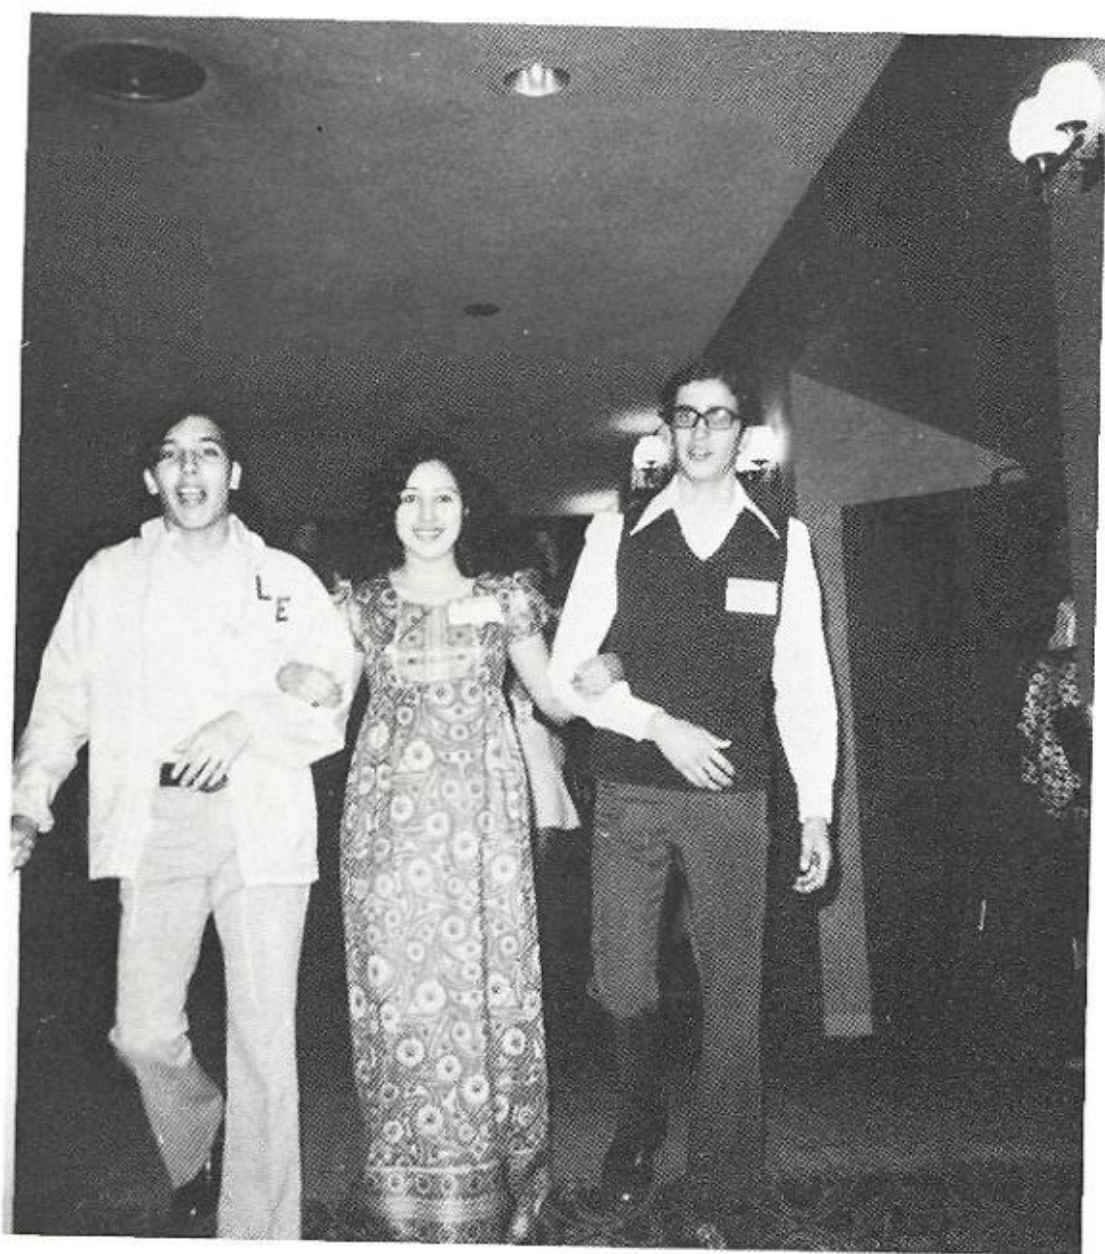

Sophomore and Junior members are: First row; Cindy Thacker, Theresa Davila, Gloria Beruman, Yolanda Garcia, Rueben Gonzales. O.E.A. + Work = Success

O.E.A., Office Educational Association, is comprised of students who are interested in learning office work and operating office machinery. Students attend school half a day and work the other half at their specific jobs.

Important events for O.E.A. in 1971-72 were: the annual mum sale for Color Day in October, the Employer-Employee Banquet in February, the Area II Youth Conference and O.E.A. Youth Conference in March, and their annual picnic honoring the senior club members.

Phi Betas: Unity In Friendship

A Christmas Service Project and a spring fashion show were some of the many activities Phi Beta members enjoyed this year. At Christmas, the Phi Betas visited Four Seasons Nursing Home, bringing as gifts, packages of fruit and homemade cookies. The girls brought a sense of warmth and friendship to the nursing home residents by chatting with them and singing Christmas carols.

The small membership, a total of 21, in this social club permitted the girls to build confidences and unity through their friendship.

Phi Beta members pictured above are: seated: Jackie Pearson, Chantel Day, Casandra Ford, standing: Joyce Horne, and Lori Dules.

The Tartan—Journalism In Action

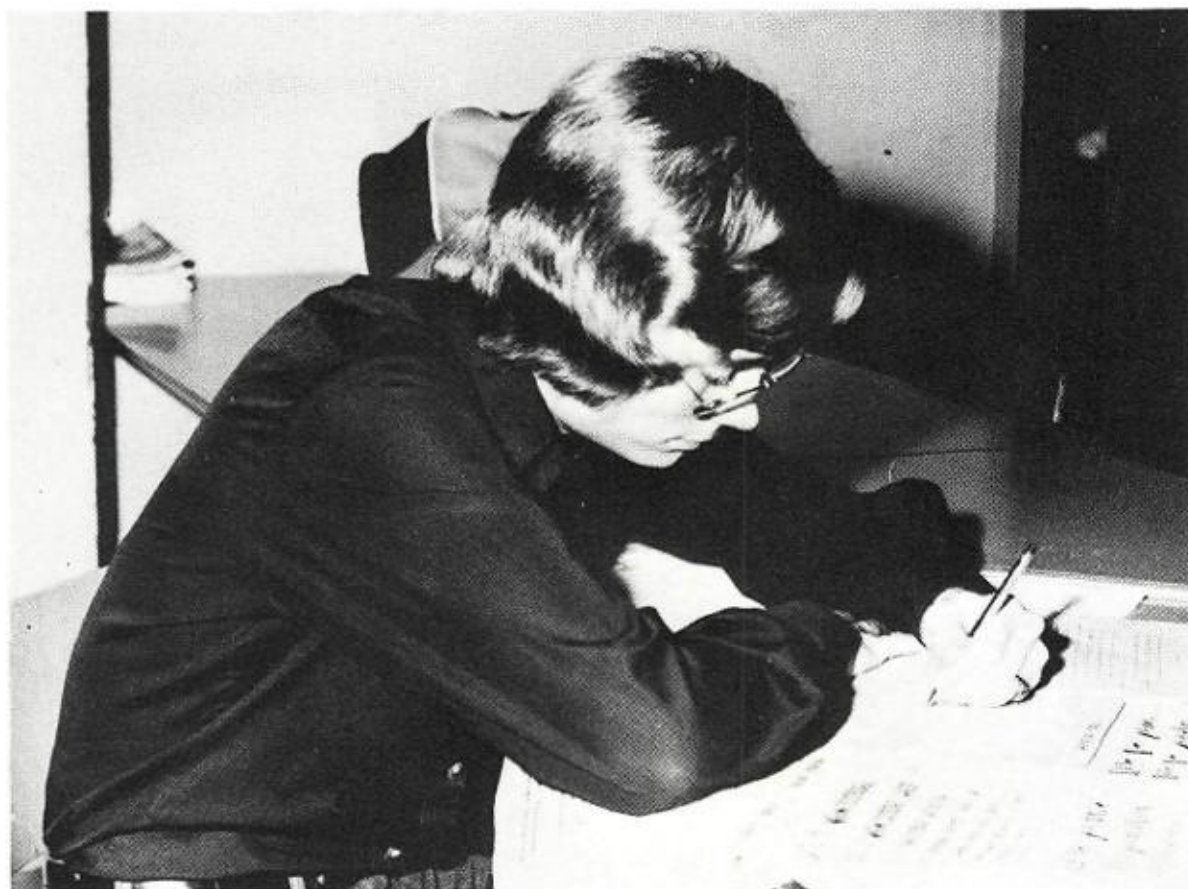

Fifteen times last year, Highlands' students were informed, entertained and had their thoughts provoked by the student newspaper, the Tartan.

Second period Tartan staff looks over the Tartan after being published.

The Tartan is a member of the Interscholastic League Press Association, Texas High School Press Association and the Columbia Scholastic Press Association, which have proven that the Tartan is one of the best high school newspapers in the United States.

In December, T.H.S.P.A. awarded the Tartan its "All State Rating". In March, it received an "Award of Distinguished Merit", from the I.L.P.C. and awarded a second place rating from the C.S.P.A.

These honors were gained by the leadership of the senior staffers whose hard work, dedication, and patience has made the Tartan a publication that Highlands can be proud of.

A Day In The Sun

Autographs

A sunburst diagram with a central circle labeled "Autographs". From this central circle, multiple lines radiate outwards, creating a sunburst effect. The lines extend towards the top and sides of the page, dividing the space into several large, empty triangular and quadrilateral sections. The entire diagram is enclosed within a thick black rectangular border.

A Day In The Sun

Autographs

A sunburst diagram with a central circle labeled "Autographs". From the center, 16 rays extend outwards, dividing the page into 16 wedge-shaped sections. The rays are arranged in a circular pattern, with some rays extending further than others, creating a sunburst effect. The central circle is white with a black outline, and the text "Autographs" is written in bold black font inside it.

A Day In The Sun

Autographs

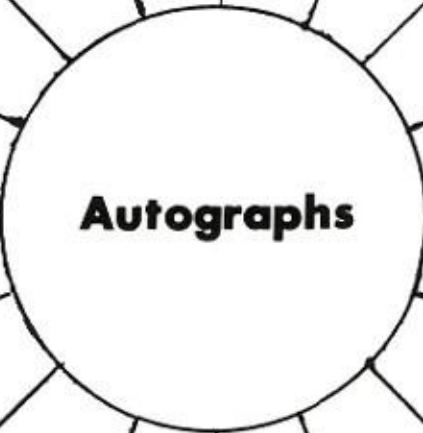

A sun-like diagram with a central circle labeled "Autographs". From this central circle, approximately 15 lines radiate outwards in various directions, extending towards the edges of the page. The lines are of varying lengths and angles, creating a starburst or sunburst effect. The central circle is white with a black outline. The text "Autographs" is written in a bold, black, sans-serif font inside the circle. The overall layout is simple and clean, with a white background and black lines and text.

Athletic Awards Assembly

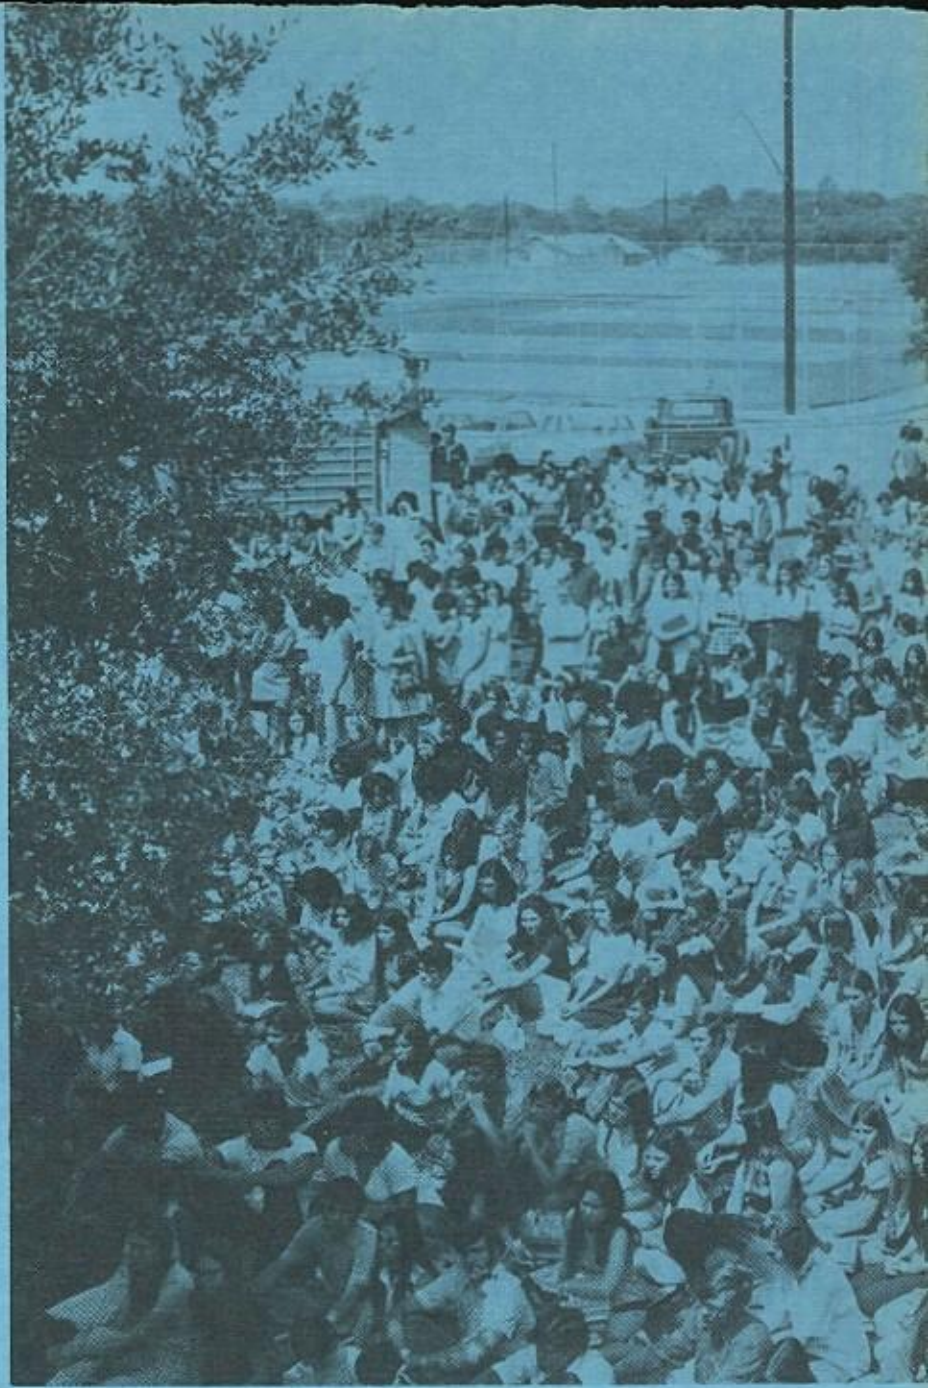

For the first time in the history of Highlands the Annual Athletic Awards Assembly took place outside on the lawn in front of the auditorium. The AAAA is designed to honor the top members of every team in the athletic program at Highlands.

In 1972, the athletic department came away with two first places in district competition: Tennis and Golf. The Baseball Team were co-champions in the district with South San High School. The Varsity Football Team finished second to Sam Houston High and the Varsity Football Team placed fourth in district competition. All in all, the entire Athletic Department, with its fine coaching staff, did a tremendous job in 1972.

"Look Forward With Faith"

The first Baccalaureate Service to be held at Highlands High School was on Sunday, May 21, at eight P.M. on the lawn in front of the auditorium. The Rev. Lavelle Lowe led the congregation in the invocation with Mrs. Sharon West conducting the Senior Orchestra and A Cappella Choir in several religious selections. In speaking to the seniors, their parents and friends, the Rev. Donald Anderson, pastor of Manor Baptist Church, used the title, "Look Forward With Faith", for his sermon. Rev. Anderson spoke to a capacity crowd with several members of the congregation having to stand because the school was not equipped for such a large audience. Surely, the first Baccalaureate Service at Highlands High was a tremendous success.

An Off-Broadway Delight!

The 1972 Senior Farewell Assembly was an Off-Broadway delight in the eyes of eight-hundred students on May twenty-six. Scenes ranging from Sophomore Orientation to a "whacky" news report were included in the production. With a farewell assembly being the framework for the real farewell assembly, the play incorporated "flashback" scenes of instances remembered by the students waiting to go into the make-believe farewell assembly.

The students wrote, acted and produced the entire play themselves. Acting as advisors throughout the development of the play were Mrs. Jackson, senior class sponsor, and Mrs. Virginia Schelper. Surely, the 1972 Senior Farewell Assembly was a smashing success.

Above: John Gafford: "Am I on? Are the lights on? And now for tonight's forecast . . . dark! Continued mostly dark throughout the night with widely scattered light in the morning." Below: The entire cast sings "Hail to Our Highlands."

Success Through Assistance

The Highlands Publications would like to salute the Highland Belles, the Brigade, the R.O.T.C. Drill Team and all other ushers and usherettes for doing a magnificent job of distributing programs and assisting the audience in finding their seats quickly. Without the above mentioned help, the 1972 Highlands High School Graduation Exercises would not have been such a tremendous success.

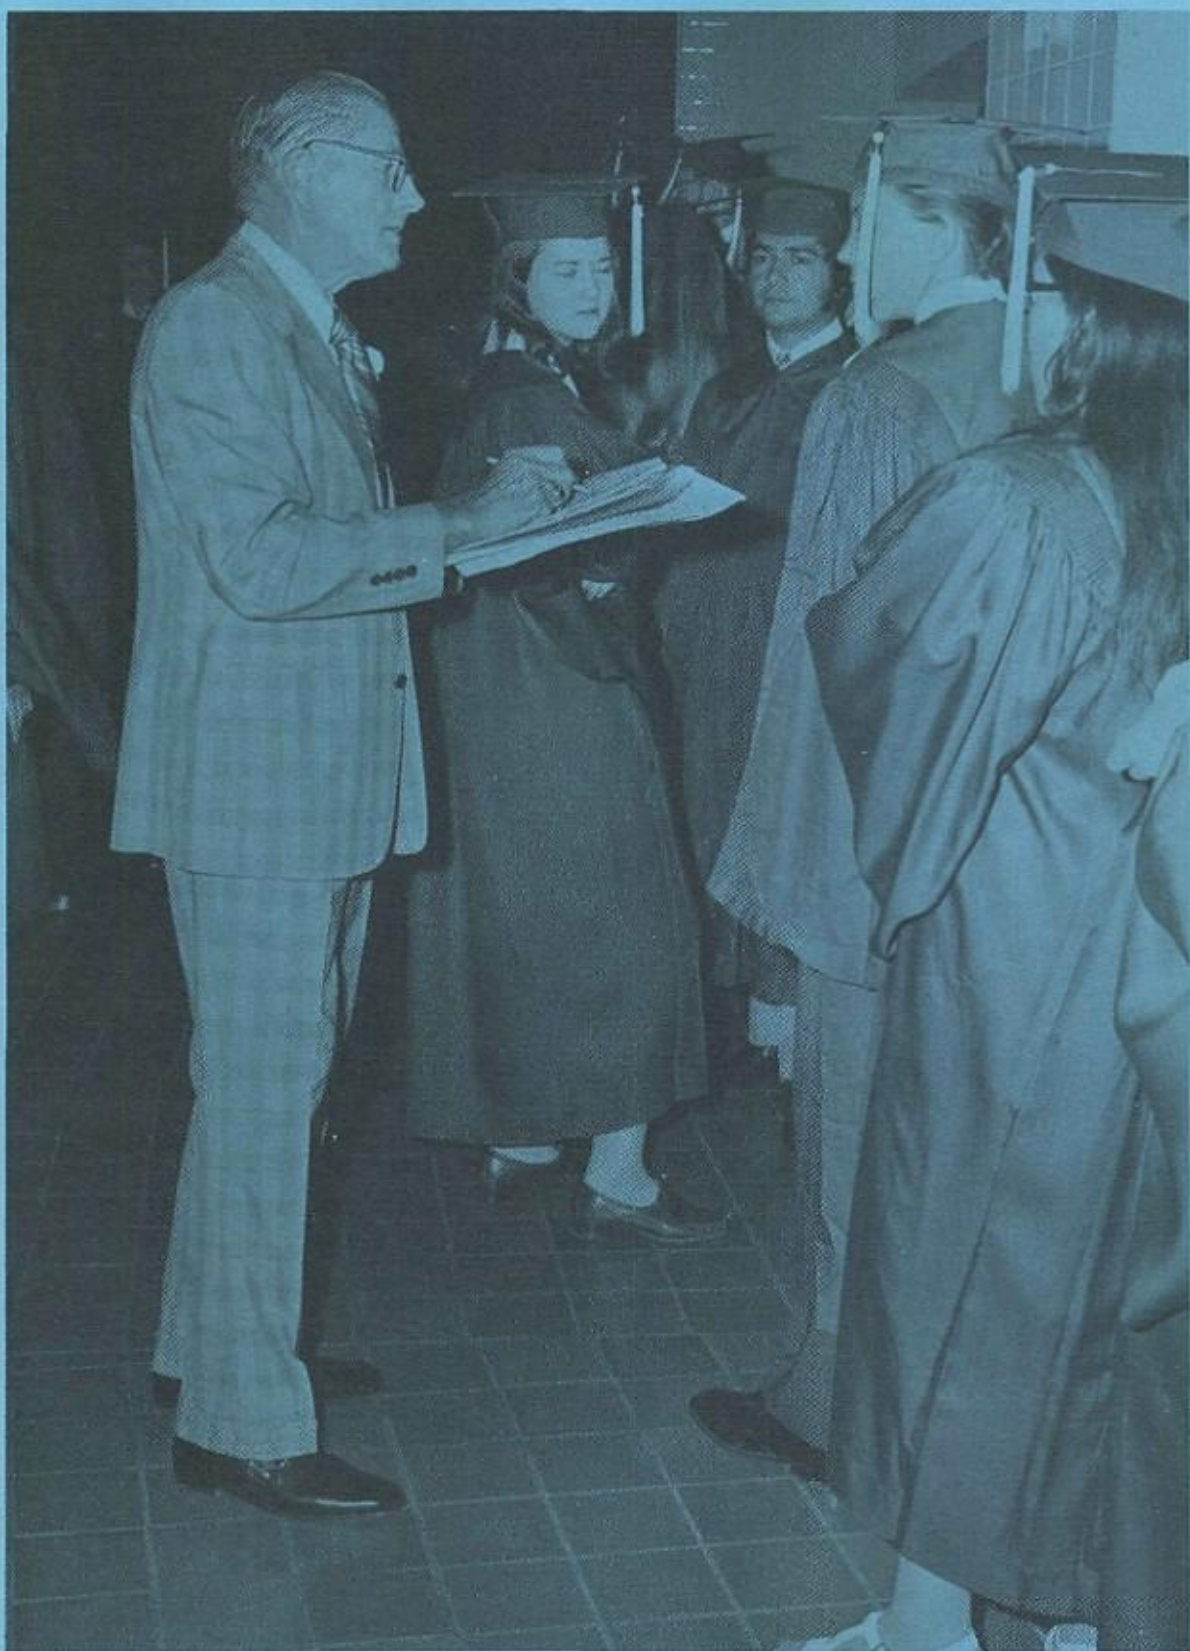

Right: The R.O.T.C. Drill Team and the R.O.T.C. Highland Belles help with the distribution of programs to the parents and friends of the graduates. Below left: Pam Powell and Diane Miller listen attentively to the graduation exercises. Below right: A group of usherettes share a few quick laughs before the start of the graduation exercises.

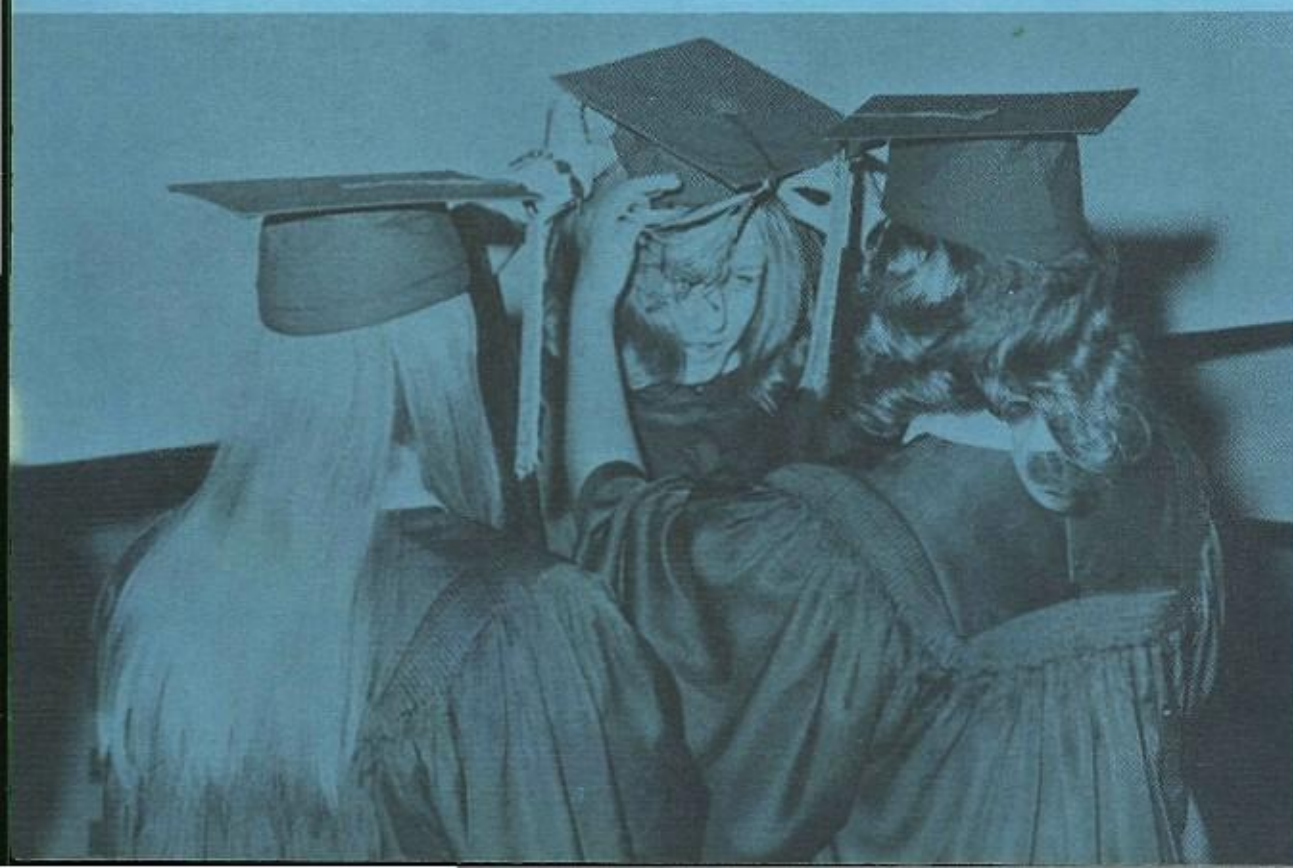

Gettin' Ready . . .

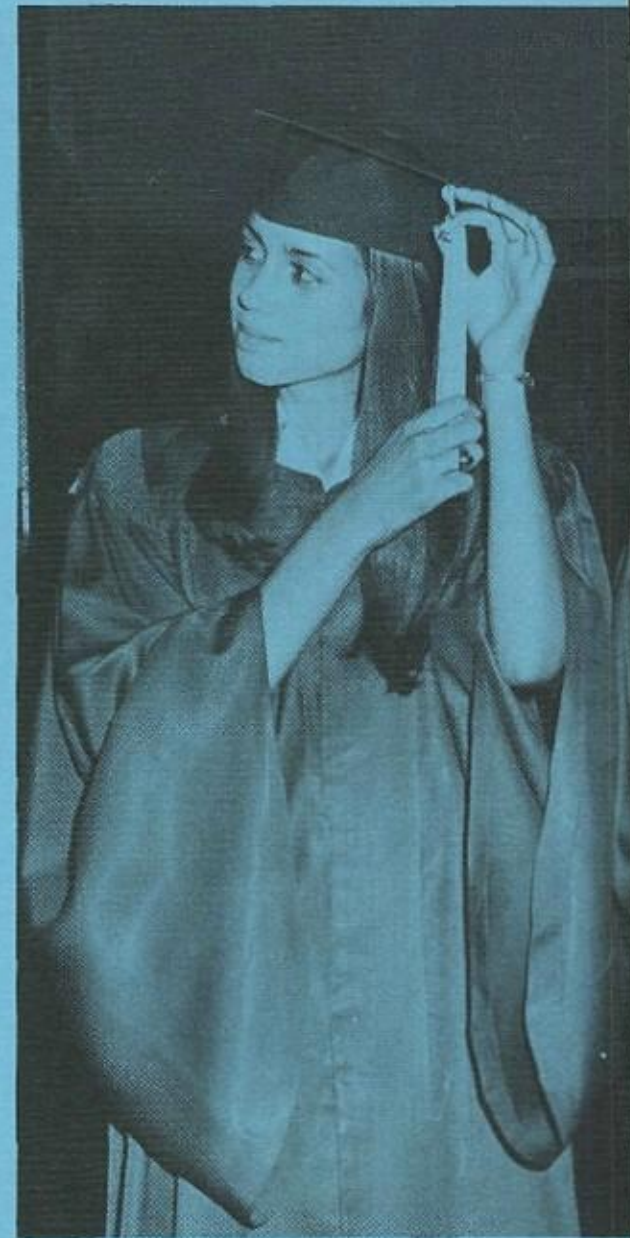

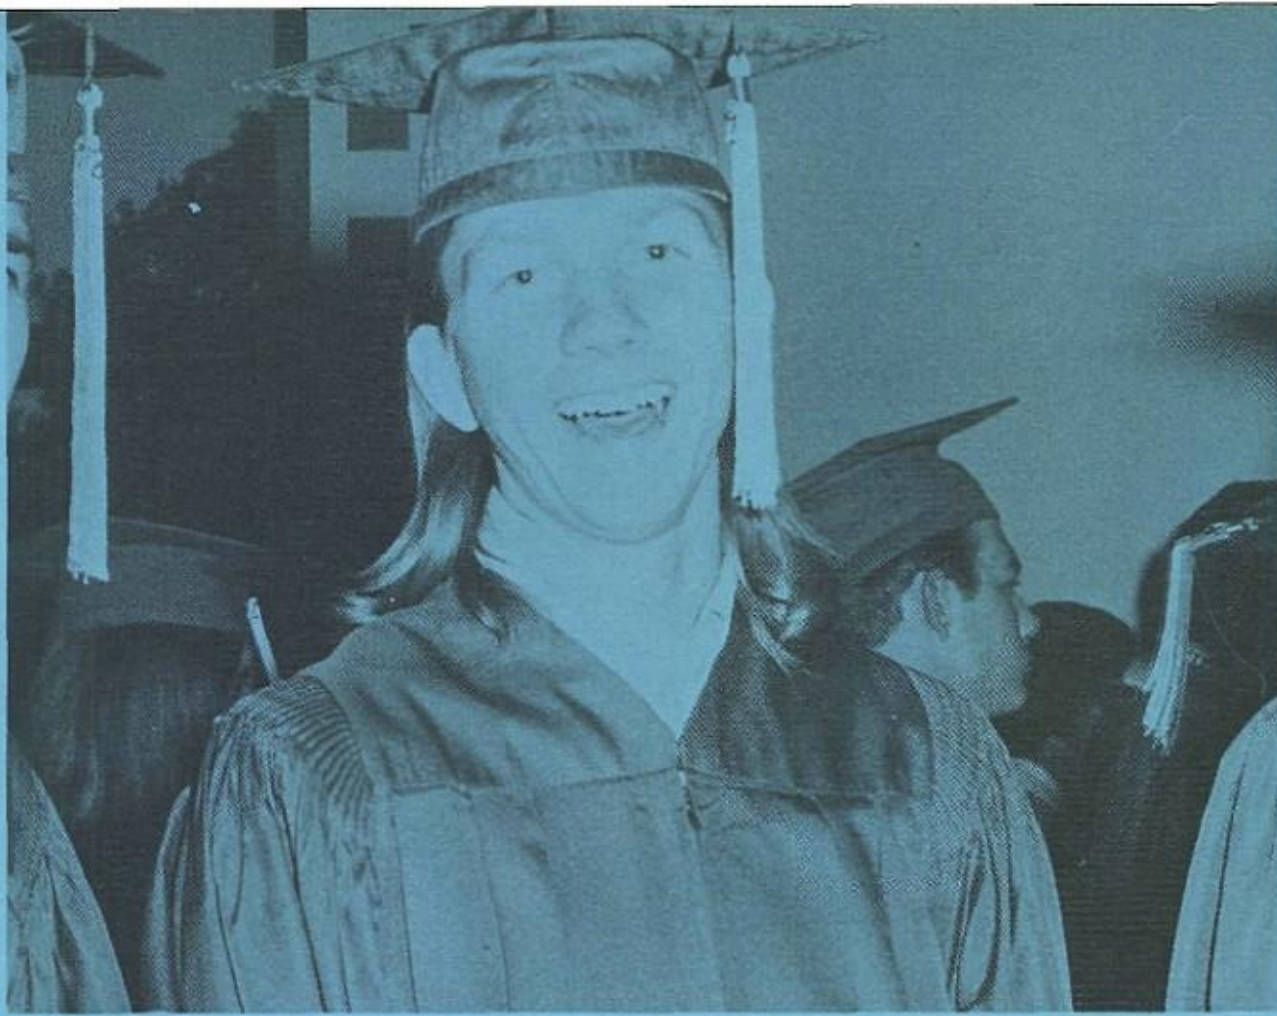

When eight-hundred students have to file across one stage in one night, there has to be a time of rehearsal and gettin' ready. Names have to be put in the proper order, gowns put on correctly, caps situated, and tassels hung on the proper side of the cap. Such was the scene the Graduating Class of 1972 walked across the stage of the Hemisfair Arena on May 29th.

There were times of sorrow and times of cheer before "Pomp and Circumstance" was played by the Band. Yet, through it all, there was a sense of accomplishment in the minds of the graduating seniors that memorable night.

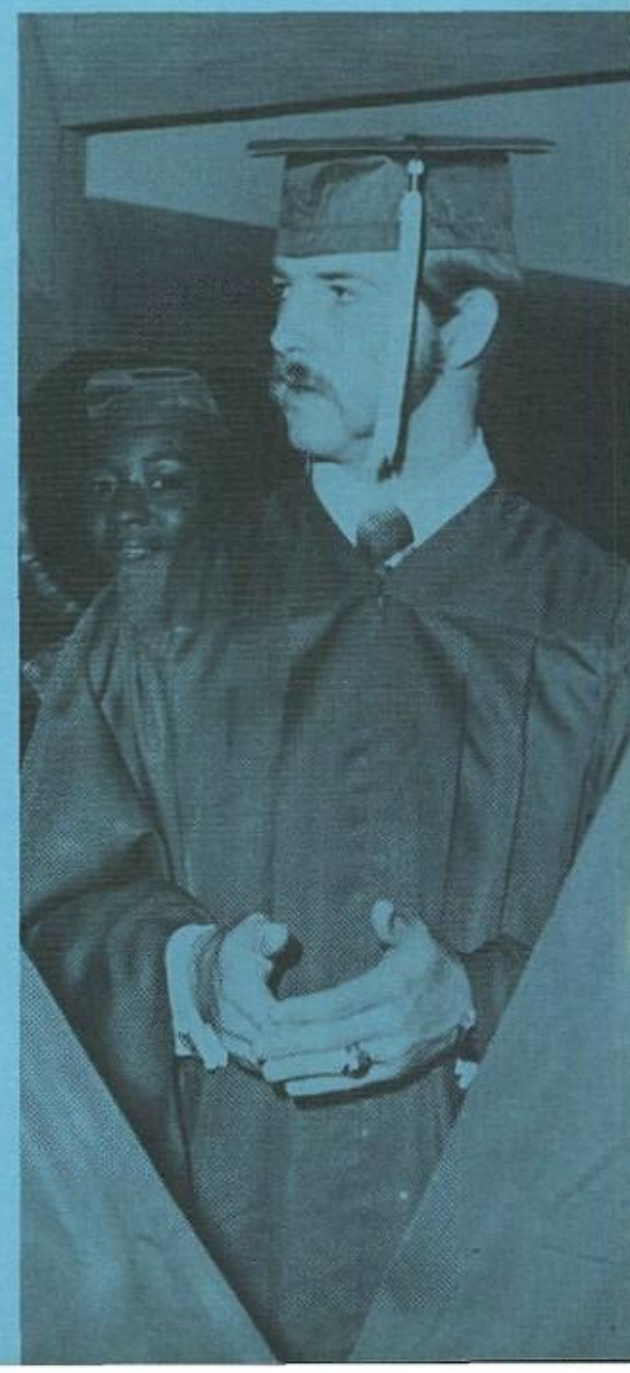

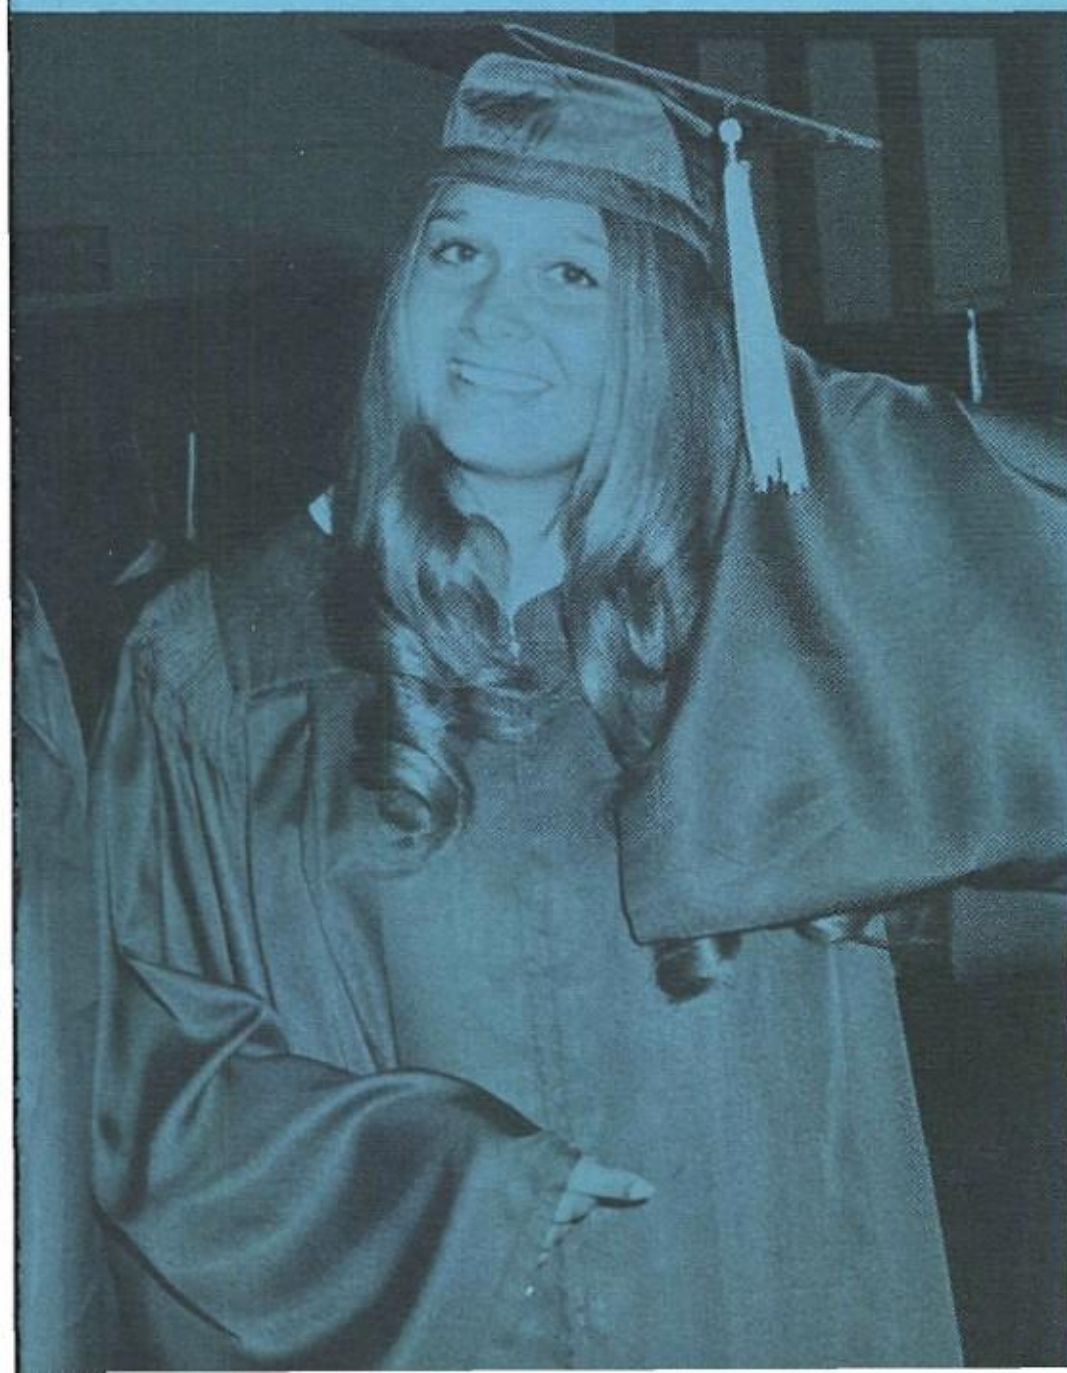

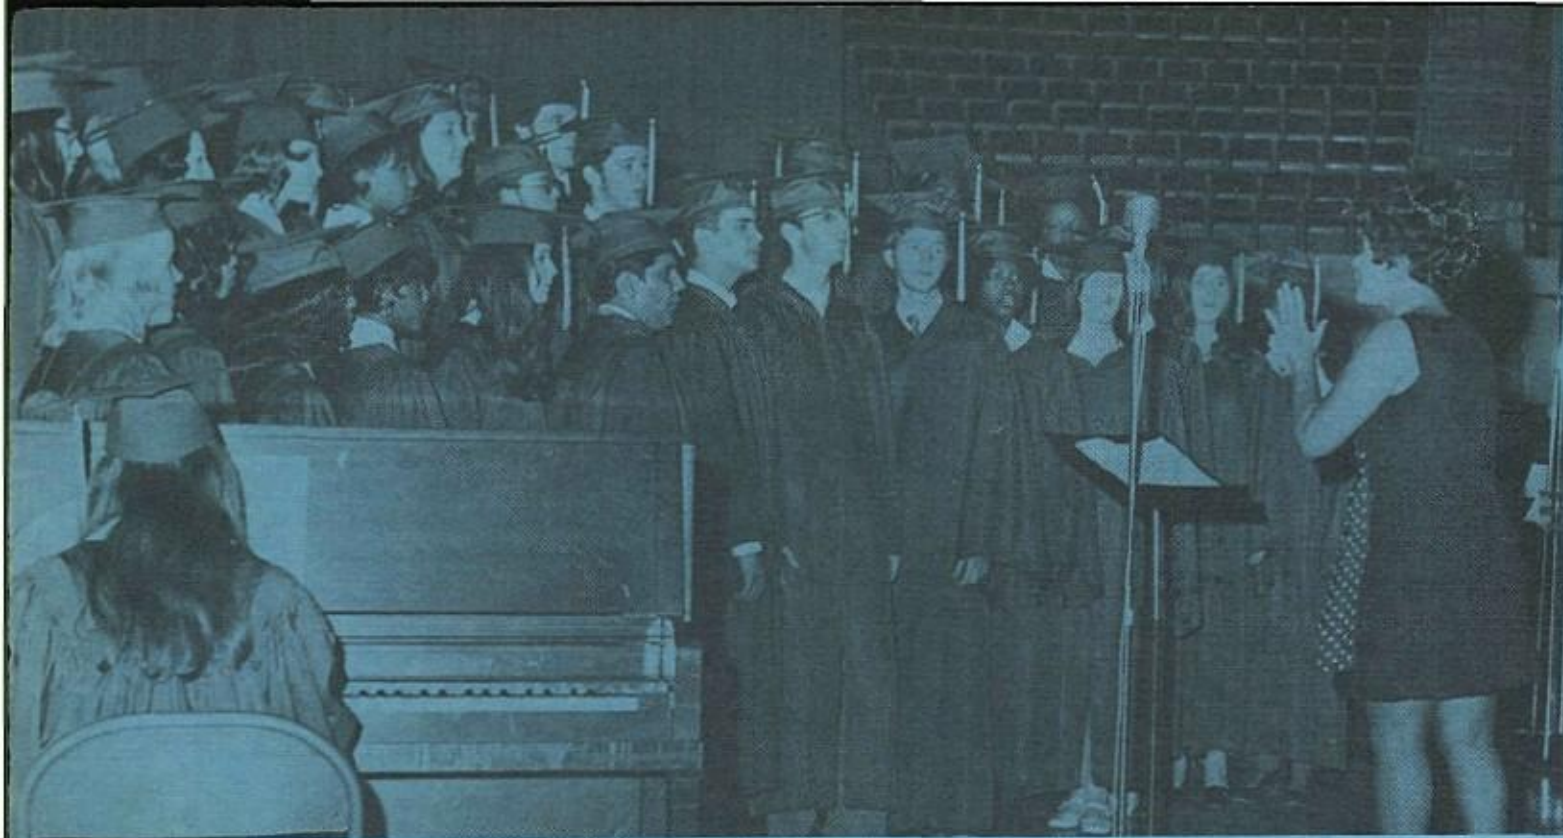

Above: Mr. Alvin Roesler, senior class sponsor, checks roll as the candidates for graduation get ready to file into the auditorium. Left: Several Seniors had a hard time remembering which side their tassel belonged on.

Above: Many seniors, like Ned Ewing, were really excited as they realized that the time for walking across the stage was fast approaching. Right: Debbie Batterton checks to make sure that the '72 on her tassel is in the proper place. Below: Marian Drabeck: another excited senior. Below Right: David Strange engages in a conversation with friends before walking into the area.

" GRADUATION: MAY 29, 1972 "

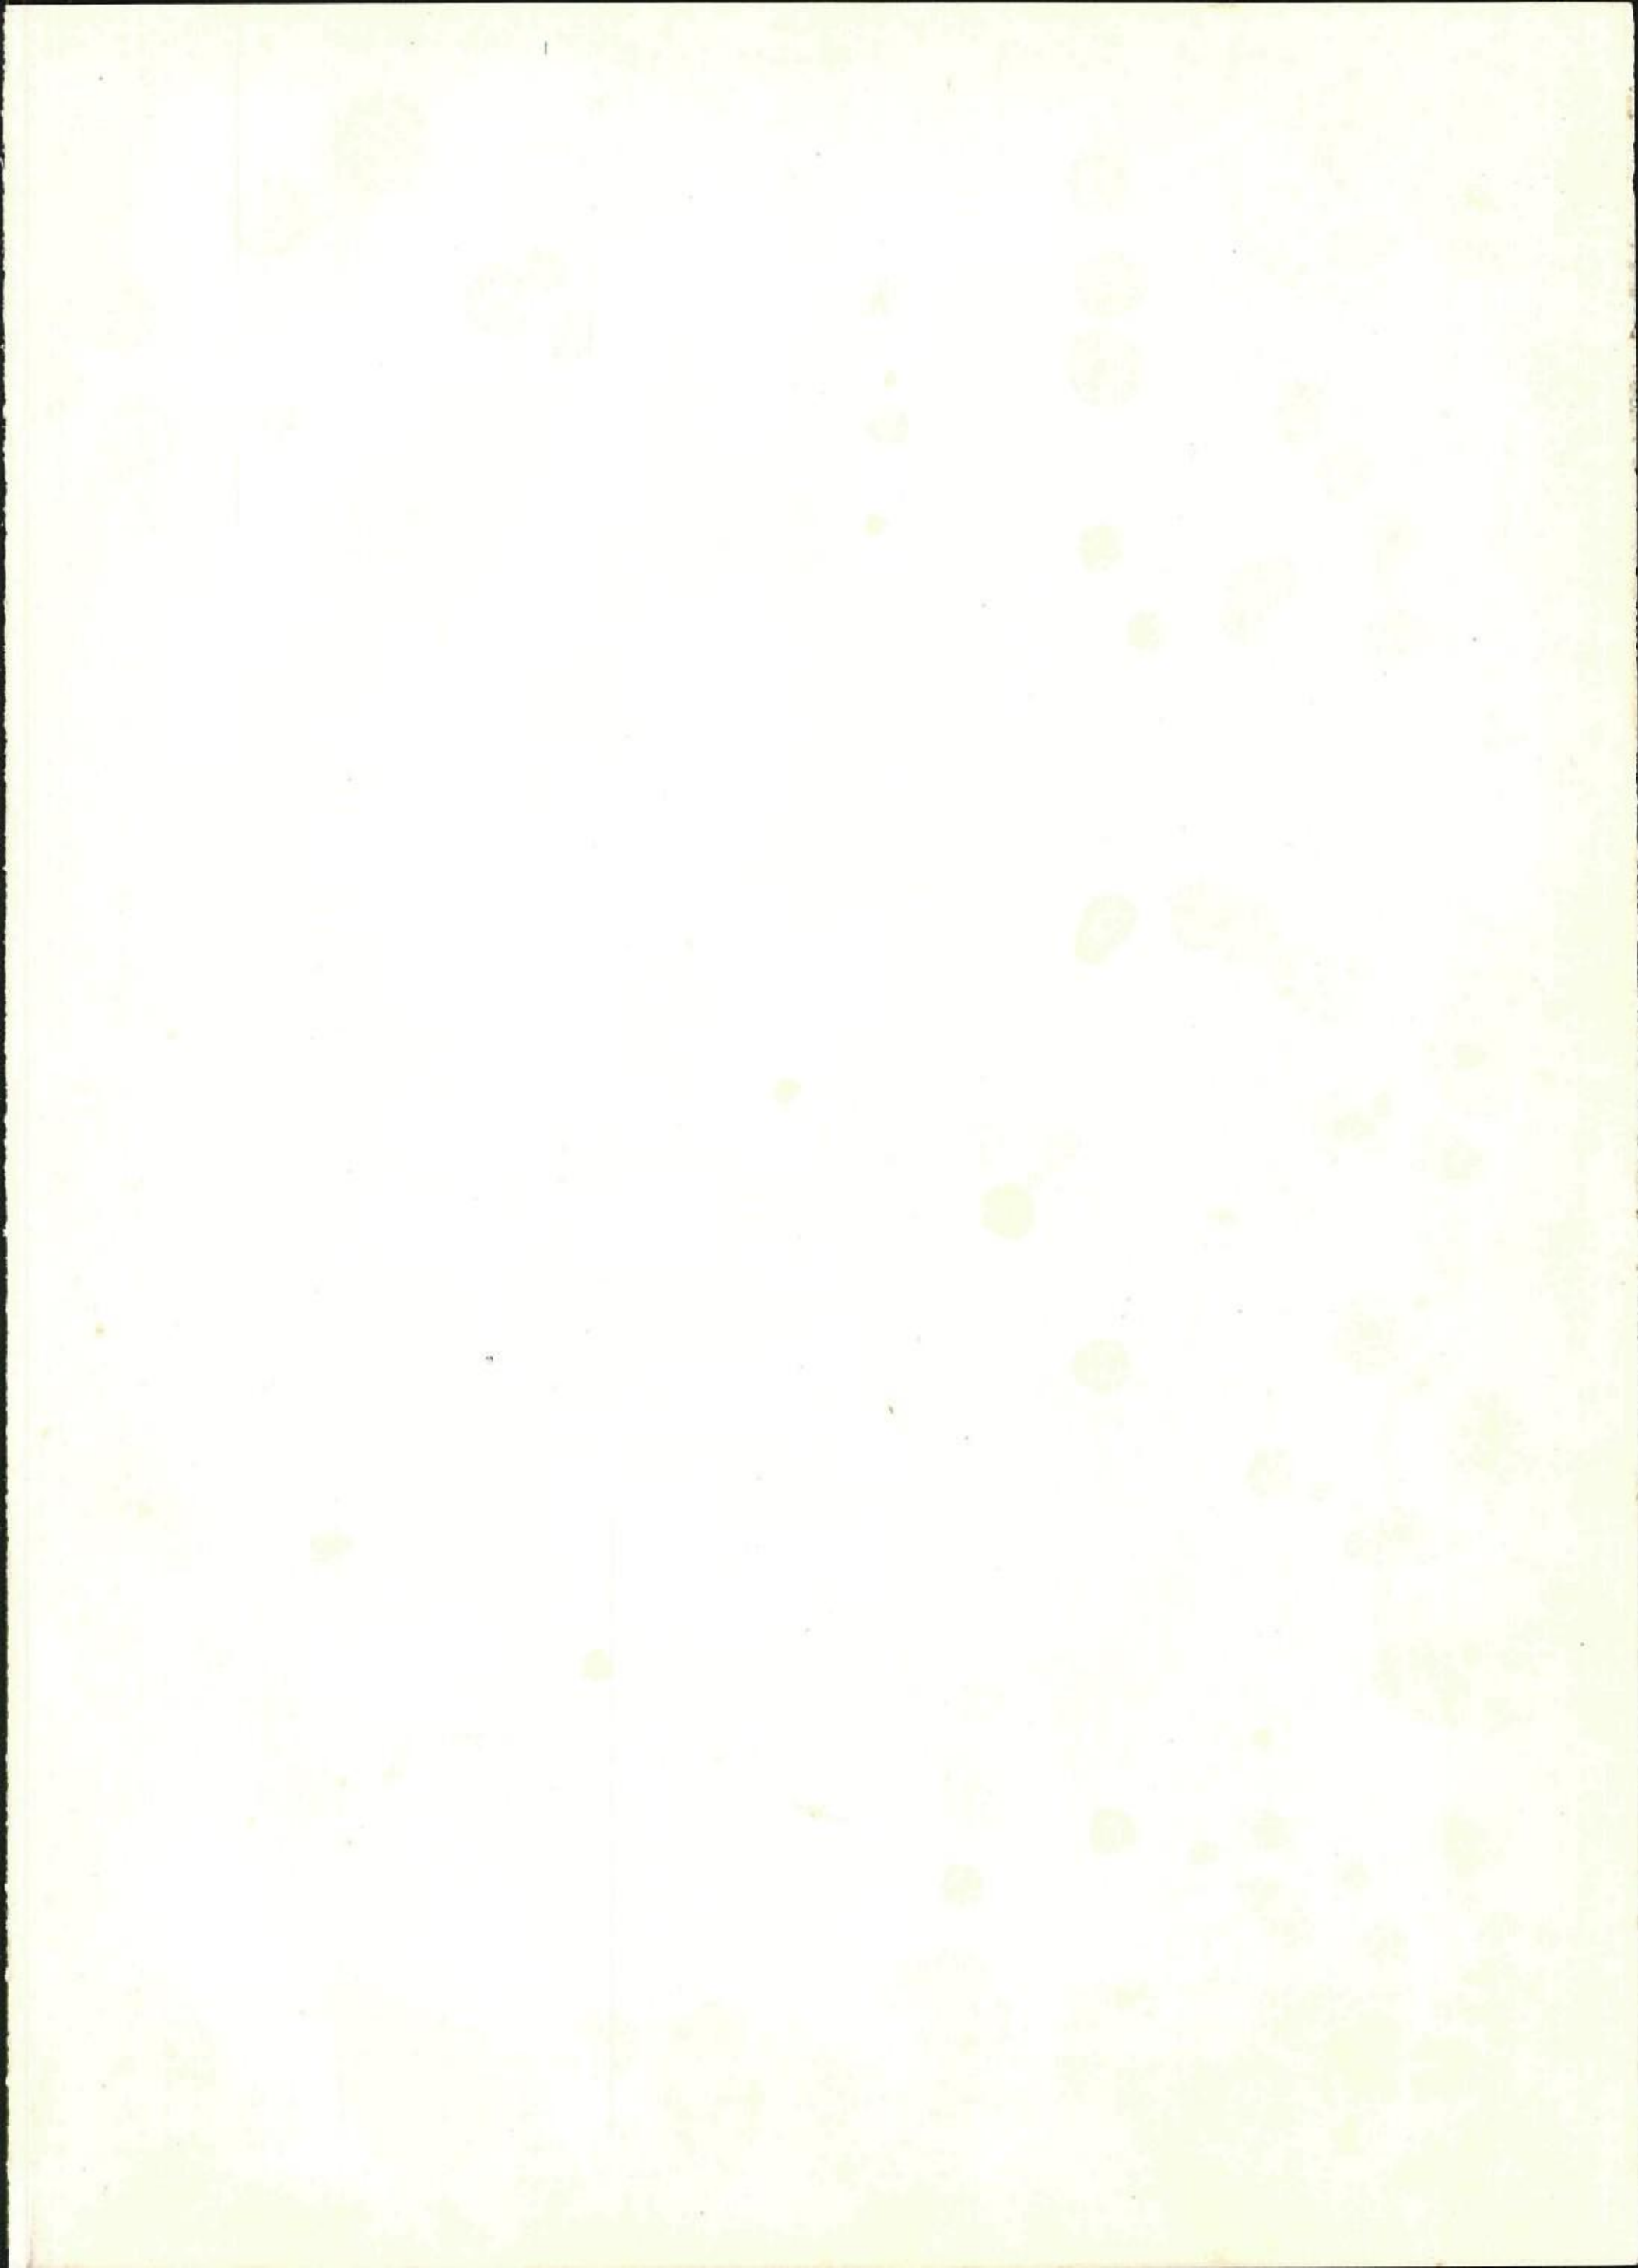

"Through It All"

As one tries to put into words the last twelve years of his life, one can only marvel at the numerous and sundry instances that "pop" into the mind. One can remember, when as a first grader, the times he had to re-write the letter 'S' a hundred times because it had been written backwards on an assignment. Then later, when the time came to go to one's first Junior High dance and the right color of socks just could not be found. Many will remember the first trip to the principal's office, and some will remember the second and third time as well. Yet, through all of the instances just mentioned and the thousands just like them, there was a development in the lives of many students that is a much sought-after trait in today's world, that trait being a sense of compassion and understanding.

Though the last three years that trait has been tested and tried many times by the winds of apathy, discouragement and defeat. There have been riots in the high schools, searches for marijuana and heroin in the lockers by police dogs, shattered windows caused by bullet holes and cars burned in the parking lots. Yes, we at Highlands have had a taste of violence and disappointment, but the story does not end there. For when everything seemed to be going wrong, in the crowd there were voices of warmth and encouragement telling us to fight on through the cloud that pressed in upon us. For a new day was dawning . . . a day where our dreams would come true . . . a day that would never end . . . A Day In The Sun.
